## BANGLADESH MINIMUM WAGES BOARD

### Printing Press Industry.

#### DRAFT RECOMMENDATIONS, 1974.

The Bangladesh Minimum Wages Board, established under the Minimum Wages Ordinance, 1961 (Ordinance No. XXXIX of 1961) and constituted by the Government of the People's Republic of Bangladesh for Printing Press Industry for review the minimum rates of wages under notification No. S-VI/R-16/72/736, dated the 13th December 1973, was directed to recommend, after such inquiry as the Board thinks fit, the minimum rates of wages for the workers employed in the aforesaid Industry in Bangladesh.

The Board visited a considerable number of Printing Presses in Bangladesh and observed the working conditions of different categories of workers, wages registers and mode of payment of the employers and other factors including the economic conditions and cost of living of the workers in general and particularly those employed in the aforesaid Industry.

The Board having completed its inquiries after eliciting information from the employers and the workers do hereby recommends to the Government of the People's Republic of Bangladesh under section 5 of the Minimum Wages Ordinance, 1961, as follows:

(1) Nomenclatures of all the known occupations or work in the Printing Press Industry be standardised and classified into three groups as in Schedule A hereto attached, in consideration of the nature or degree of training, knowledge, experience, skill, efficiency, responsibility, physical hardships, occupational hazards, etc., required for, or involved in, in the performance of work in each occupation.

(2) Employers in the Industry shall forthwith assign the standardised designations, as in Schedule A, to the workers in their appropriate occupations, adapt the same in the wage registers and issue correct wage slips to the workers, where necessary. If, for any reason, any occupation in the Industry has

been left out and not classified in Schedule A, the employers shall appropriately classify the same and put it under relevant individual occupation under the appropriate group and pay the minimum rate of wage for that occupation at a rate not below the minimum fixed for relevant group as shown in Schedule B hereto attached. They shall forthwith report the same to the Chairman of the Board for amendment of the Schedule.

(3) If, in the Industry, any worker/workers is/are employed and paid through contractors, such contract-labour shall be treated as workers within the meaning of sub-section (9) of section 2 of the Minimum Wages Ordinance, 1961 (Ordinance No. XXXIX of 1961) and the "employers" (including the contractor) shall comply with the provisions of recommendation No. 2 above.
