Provided that the Director shall not revise any order under this rule in a case where—

- (a) the time within which an appeal may be made has not expired; or
- (b) the right of appeal has not been waived by the assessee; or
- (c) an appeal against the order of the assessing officer has been preferred to the Deputy Director and pending before him.

Explanation—An order by the Director rejecting the prayer for revision of the order of the Deputy Director or Assessing Officer shall not be deemed to be an order prejudicial to the assessee.

13. **Rectification of mistakes**.—The Director or the Deputy Director may, at any time within four years from the date of any order passed by him in revision or in appeal, as the case may be, and the Assessing Officer may, at any time within four years from the date of any order, including an order for refund, passed by him, on application or on his own motion, rectify any mistake apparent from the records relating to the revision, appeal, assessment or refund, as the case may be:

Provided that no such rectification shall be made having the effect of enhancing an assessment or reducing a refund unless the Director the Deputy Director or the Assessing Officer, as the case may be, has given notice to the assessee of his intention to do so and has allowed him a reasonable opportunity of being heard.
