- (xxi) all other terms in this Order shall have the same meaning as assigned to them in the Act and in the Orders issued thereunder

N. B. Importers who have earlier been registered under WES shall automatically be treated to have been registered for import at SEM rate.

3. Regulation of Import.—Import of goods under this Order shall be regulated as under:—

- (i) *Negative List* : Items included in this list (Annex-I) shall not be permissible for import, unless otherwise specified.
- (ii) *Restricted List* : An item included in this list (Annex-II) shall be importable only on fulfilment of the conditions specified therein against the item.
- (iii) *Freely Importable items* : Unless otherwise specified, an item covered by the ITC schedule but the name of which does not occur either in the Negative list or in the Restricted list shall be freely importable. Import of items at official exchange rate shall, however, be subject to specific allocations notified by the Chief Controller from time to time.
- (iv) All imports into Bangladesh shall be subject to such general or specific conditions as may be prescribed in this Order.

4. **Source of finance.**—Import may be allowed against—

- (i) Cash;
- (ii) external economic aid (Commodity Aid, Loan, Credit and Grant);
- (iii) commodity exchange \dagger
 - (a) barter;
 - (b) special trading arrangement (STA);
- (iv) Secondary Exchange Market (SEM);

5. **Export Performance Benefit (XPB) rate.**—The exporters under XPB system will receive their XPB at a rate calculated by adding to the official rate of exchange a premium represented by the proportionate difference between the secondary and the official exchange rates as indicated by the percentage of the respective slabs directly from the Banks at the time of negotiating their export documents.

6. **Fund provision for financing import—**

- (i) Subject to availability of funds, efforts will be made to provide funds, as far as practicable, from one specified source for financing the entire import requirement of any particular commercial item or of raw and packing materials and spare parts for any particular sector of industry.
- (ii) A portion of the resources at official exchange rate shall be specifically kept reserved for such imports as may help acquisition of knowledge and technology and improve the prospect of exports.
- (iii) Unless otherwise specified, the import authorisation at official exchange rate shall be notified separately for the first half and the second half of 1986-87 financial year. Such authorisation shall be subject to the basis of licensing, source of financing and such other terms and conditions as may be notified by the Chief Controller from time to time.

7. **ITC Schedule Number.**—For import purposes, use of classification number as given in the ITC Schedule, 1985 shall be compulsory. No bank shall process any LCA Form or open any L/C for import of any item(s) without properly recording the corresponding ITC number (s) on the LCA Form/LC.

8. **Special provision for import by highly qualified scientists, doctors and engineers.**—A highly qualified Bangladeshi scientist, doctor, or engineer who lived abroad for at least three years before returning to Bangladesh for permanent residence will be allowed to import professional and scientific equipment of C&F value upto US \$ 20,000. (Twenty Thousand US Dollars) out of his own foreign exchange earnings abroad, without any permission or Import Permit from the Licensing authority.

9. Special facilities for import at official exchange rate for the export oriented industrial units and for research and publication.—

- (i) *Import of Technology by export oriented industries.*—To help the entrepreneurs initiate technological improvements, wherever necessary, import of technology at the official exchange rate will be allowed, under procedure to be notified in the following cases :—
- import by industrial units with export potential of machinery that will bring about significant economies in raw material consumption, reduce production cost, diversify products, improve quality and quantity of the output or reduce energy consumption or conserve energy ;
 - import of technical know-how and acquisition of foreign consultancy service by an industrial undertaking with export potential which will result in technological improvement ;
 - import of drawing and design by export oriented industrial undertakings ;
 - import by trading houses with export performance of technical designs, drawings and other documentation in their own favour for supply to their supporting manufacturers.
- (ii) *Import for the purposes of research and publication :—*
- Scientific and research laboratories may import their requirement of equipment and know-how at official exchange rate within value-ceiling to be notified, without import licence or permit or prior permission.
 - Established publishers and public sector agencies, such as, Bangla Academy, Islamic Foundation, Central Library, Dhaka Museum and Universities may import at official exchange rate reprint rights of books on purchase basis within value ceiling to be notified, without import licence or permit or prior permission.
- (iii) *Import of machinery and spare parts for BMRE.*—Import of machinery and spare parts for balancing, modernisation, replacement and expansion (BMRE) purpose by any recognised industry with export potential shall be allowed at the official exchange rate in terms of procedure to be notified.
- (iv) *Facilities for Counter trade.*—Industries which can ensure export of part of the finished products through the supplier of raw materials either in payment of the raw material cost or otherwise, will be allowed, under procedure to be notified, foreign exchange at official exchange rate for import of such raw materials.
- (v) *Import of special types of raw materials for export industries :—*To encourage production and export of specialised and delicate objects, where often a variety of inputs are required, sometimes of foreign origin, foreign exchange at official rate will be made available for import of special types of raw materials and also special types of tools and equipment, if any, needed for such purposes. Import will be allowed, by concerned export oriented industries or craftsmen involved in the production of such goods or, under bonded warehouse system by TCB on receipt of orders from the concerned export oriented industries or craftsmen.

10. Requirement of NOC or ROR.—No Objection Certificate (NOC) or Right of Refusal (ROR) from any authority will not be required for import of any item by any public sector agencies if the name of such item does not occur in either the Negative List or the Restricted List. Ministry of Commerce on application from such a public sector agency, may, however, under special circumstances, permit the import of a banned or otherwise restricted item subject to ROR issued by the Ministry of Industries or NOC issued by the sponsoring Ministry or Division or both, as the case may be.

The requirement of ROR from the Ministry of Industries or NOC from the Sponsoring Ministry/Division shall not apply to the import of materials under approved foreign aided projects.

11. Conditions of ban or restriction.—If the import of an item or the commercial import of raw materials for the production of an item, has been banned at any time before the coming into effect of this Order or if such ban has been made effective by virtue of the placement of the item in the Negative List or Restricted List, as the case may be, annexed to this Order, such ban shall be subject to the following conditions :—

- (a) The concerned sponsoring authority will strictly monitor production by the industrial units in the sector which is being afforded protection by the ban and will recommend withdrawal of ban if the sector fails to respond to the protection. The ban may be revoked if the quality of products deteriorates or if production level falls leaving unutilised capacity. Such of the protected units as are now primarily engaged in assembly type activities shall actively and expeditiously move towards progressive manufacture.
- (b) The sponsoring authority concerned, Tariff Commission and the Department of Prices and Market Intelligence will continuously monitor the prices of the items covered by such ban to guard against undue increase of price. If the price of any item is increased except for factors like rise in the price of raw materials or increase in the rate of exchange or if the increase in the price of the item is disproportionately high compared to the rise in the prices of the raw materials, the ban may be revoked.
- (c) Whoever feels aggrieved with any decision regarding ban or restriction on import of any item, may represent his case to the Tariff Commission. The Tariff Commission will examine such representation and furnish as early as possible its recommendation to the Ministry of Commerce for consideration.

12. Amendment or alteration of this Order.—The Government in the Ministry of Commerce may, at any time, amend or alter the provisions of this Order including the Negative and the Restricted Lists.

13. Import in contravention of the Act.—Goods imported in violation of any provision of this Order or of any notification issued thereunder by the Chief Controller shall be treated to have been imported in contravention of the provisions of the Act.

14. General Conditions Qualifying Import of Goods:—

- (i) *Restrictions on import of certain types of goods.*—The following shall not be importable :—
- (a) maps, charts and geographical globes which indicate the territory of Bangladesh but do not do so in accordance with the maps published by the Department of Survey, Government of the People's Republic of Bangladesh ;
 - (b) horror comics, obscene and subversive literature including such pamphlets, posters, photographs, films, gramophone records and cassette tapes ;
 - (c) documents and papers containing matters likely to outrage the religious feelings and beliefs of any class of the citizens of Bangladesh ;
 - (d) Old, secondhand and reconditioned goods except items specifically mentioned in this Order ;
 - (e) factory rejects and goods of job lot, stock lot or substandard quality ;
 - (f) goods (including their containers) bearing any words or inscriptions of a religious connotation, the use or disposal of which may injure the religious feelings and beliefs of any class of the citizens of Bangladesh ; and
 - (g) goods (including their containers) bearing any obscene picture, writing, inscription or visible representation.
- (ii) *Restrictions regarding Source of Procurement of Goods.*—Goods from South Africa and Israel or goods originating from these two countries shall not be importable. Flag vessel regulations shall be dealt with by the Ministry of Ports, Shipping and IWT.
- (iii) *Import at Competitive Rate.*—Import shall be made at the most competitive rate and the importers may be required, at any time, to submit documents regarding the price paid or to be paid by them.
- (iv) *Pre-Shipment Inspection.*—Unless otherwise specified, pre-shipment inspection of imported goods shall not be obligatory in case of import by the private sector importers.
- (v) *Import on C&F Basis.*—All imports by sea, air and land route shall be made on cost and freight (C&F) basis. Import on free on board (FOB) basis may be made with the clearance of the Bangladesh Bank.
- (vi) *Shipment on Bangladesh Flag Vessels.*—Subject to waivers specified below, shipment of goods will normally be made on Bangladesh Flag Vessels. Import of goods upto 20 (twenty) metric tons or Tk. 10 (ten) lac whichever is less, in case of single/individual consignee, and upto 100 (one hundred) metric tons or Tk. 50 (fifty) lac, whichever is less,

in case of group import, may be made in non-Bangladesh Flag Vessels. The Director-General of Shipping may notify general waivers in certain cases, such as, (a) shipment of goods from foreign ports which are not visited by Bangladesh vessels, and (b) import of goods on the basis of specific agreements which provide for C&F contract. In all other cases, a certificate of waiver shall be obtained from the Director-General of Shipping for importation of goods in non-Bangladesh flag vessel. If there appears to be no possibility of a Bangladesh flag vessel visiting a port within next one month, waiver will be given within 72 hours of application for waiver.

15. Import Authorisation :—

- (i) *Import licence not required.*—No import licence will be necessary for import of any item.
- (ii) *Import against LCA Form.*—Unless otherwise specified, imports, irrespective of the source of finance, shall be allowed only through submission of LCA Form, duly filled in, to the concerned nominated bank.
- (iii) *Import against L/C.*—Unless otherwise specified, import shall be made only by opening irrevocable letter of credit (L/C).
- (iv) *Import against LCA Form but without opening of Letter of Credit (L/C).*—Import against LCA Form may be allowed without opening of Letters of Credit in the following cases:—
 - (a) books, journals, magazines and periodicals on sight draft or usance bill basis;
 - (b) drugs and medicines (allopathic) by a commercial importer of the item for total value not exceeding Tk. 2,000 (Taka two thousand) only at the official exchange rate on sight draft within the overall value of the L/C Authorisation(s) for the year, 1986-87;
 - (c) Import of any permissible item for an amount not exceeding US\$ 1500 (US Dollar One thousand five hundred) only during 1986-87 against remittance made from Bangladesh at SEM rate.
- (v) *Import against Import Permit and Clearance Permit.*—In the following cases neither LCA Form nor opening of L/C will be necessary, but import permit (IP) or clearance permit (CP) will have to be obtained by the importer, for—
 - (a) import of books, magazines, journals, periodicals and scientific and laboratory equipment against surrender of UNESCO Coupons;
 - (b) import of complete plant and machinery under "Direct Payment Abroad Basis" by Bangladeshi wages earners living abroad, subject to conditions specified at paragraph 17 (xii) of this Order;
 - (c) import of items by passengers coming from abroad in excess of the permissible limits as per the Passengers' Baggage Rules, provided the import of the item is permissible under the relevant baggage rules ;

- (d) import of free samples, advertising materials and gifts above the prescribed ceiling as per paragraph 17(xv) of this Order ;
- (e) import under Direct Payment Abroad, Pay-As-You-Earn Scheme and Product Bonus System; and
- (f) any other goods, not specifically exempted.

(vi) *Time limit for opening of L/C.—*

- (a) Unless otherwise specified, imports irrespective of the source of finance, shall be allowed only through submission of LCA Form followed by the opening of an irrevocable letter of credit. For import under cash foreign exchange, letter of credit shall be opened by all importers within 120 (one hundred and twenty) days from the date of registration of LCA with Bangladesh Bank, unless otherwise notified;
- (b) the time limit of 120 (one hundred and twenty) days for opening L/C may be extended by a maximum of 30 (thirty) days by the Chief Controller in cases where—
 - (1) the original Letter of Credit had been established within the prescribed time limit, but the supplier had refused to supply the goods and returned the Letter of Credit ;
 - (2) the original Letter of Credit had been opened strictly in terms of the indent or proforma invoice ; and
 - (3) the application for such extension is made within the period of validity of the original Letter of Credit .
- (c) If a commercial importer or an industrial consumer/sector, who/ which has been allocated funds from any source at the official exchange rate, fails to open L/C within the aforesaid time limit, the allocation may be withdrawn, diverted and reallocated to other importers/sectors according to need.

(vii) *Validity of LCA for shipment.—*

- (a) Unless otherwise specified, shipment of goods shall take place within 17 (seventeen) months in the case of machinery and spare parts and 11 (eleven) months in the case of all other items, from the date of issuance of LCA Form by Bank or registration of L/C Authorisation Form with Bangladesh Bank Registration Unit, as the case may be.
- (b) Validity of LCA issued against cash shall not be extended except where shipment can not be made within the validity of LCA due to circumstances beyond the control of the importer. In such cases, validity may be extended by the Licensing Authority for the minimum period considered necessary; provided that—
 - (1) the application for grant of such extension is received within 7 (seven) days of the expiry of the L/C Authorisation;

- (2) L/C was opened at a lower price compared to the prevailing international price at the time of revalidation; and
 - (3) the supplier was agreeable to supply the goods at the original price at which L/C was opened or less, as the case may be. No revalidation shall, however, be allowed if the item concerned is no longer importable.
- (viii) *Restriction on L/C after imposition of ban/restriction.*—No extension of the date of shipment in any Letter of Credit or amendment of Letter of Credit or enhancement of the value or quantity of goods shall be allowed by the nominated bank or by the Licensing Authority after the import of the item or items has/have been banned or restricted.
- (ix) *Submission of L/C Authorisation Form.*—
- (1) Unless otherwise notified, L/C Authorisation Form for import at the official exchange rate by both the commercial importers and the industrial consumers shall be submitted for the first half and the second half of 1986-87 policy period separately in accordance with the basis of licensing to be notified by the Chief Controller. Separate L/C Authorisation Form shall be submitted by the industrial consumers for raw and packing materials and for spare parts irrespective of the source of finance.
 - (2) The total value of L/C Authorisation at official exchange rate issued to an importer shall, in no case, exceed his due share as notified by the licensing authority.
 - (3) While determining the due share of an importer, adjustment will be made against advance or excess or additional share already utilised or against revalidation of past licence; and L/C Form shall be issued for the balance share only.
- (x) *Documents required to be submitted alongwith LCA Form.*—Importers in both public sector and private sector shall be required to submit to their nominated banks the following documents alongwith the L/C Authorisation Form for opening Letter of Credit :—
- (a) L/C Application Form duly signed by the importer ;
 - (b) indents for goods issued by indenter or a *proforma* invoice, as the case may be; and
 - (c) insurance cover note.
- (xi) *Additional documents to be furnished by public sector importers.*—In addition to the documents mentioned in sub-paragraph (x) above, public sector importers shall submit the following documents: —
- (a) attested photocopy of allocation letter issued by the allocating authority in favour of the concerned public sector agency (specifying the source, amount, purpose, validity and other terms and condition;

- (b) attested photocopy of sub-allocation letter, if any, issued in favour of the importing unit or agency ;
- (c) attested photocopy of sanction letter from the administrative Ministry or Division or authority, wherever required ; and
- (d) a declaration by the authorised officer of the concerned importing agency under proper seal and signature, indicating the amount already utilised and the amount which remained unutilised out of the amount of any particular allocation made by the Government or competent authority and certifying that raw materials imported or to be imported has not been or shall not be sold or otherwise disposed of in un-processed form.

(xii) *Additional documents to be furnished by private sector importers.*—In addition to the documents mentioned in sub-paragraph (x) above, private sector importers will be required to submit the following documents:—

- (a) valid membership certificate from a registered Chamber of Commerce and Industry or Town Association or Trade Association listed in Annex VII ;
- (b) proof of payment of renewal fees for the Import Registration Certificate for 1986-87 ;
- (c) a declaration, in triplicate, that the importer has paid income-tax or submitted income-tax return for the preceding year ; and
- (d) any such documents as may be required as per this Order or Public Notice, or instructions issued by Chief Controller, from time to time under this Order.

(xiii) *Violation of the requirement of LCA/LC.*—Shipment effected before authentication of the L/C Authorisation Form by the nominated bank and registration with the Bangladesh Bank, wherever necessary, and before opening of L/C or after the expiry of the validity of the L/C Authorisation Form or L/C shall be treated as import in contravention of this Order. L/C Authorisation Form obtained on the basis of false or incorrect particulars or by adopting any fraudulent means shall be treated as invalid and void *ab initio*.

(xiv) *Import against Indent and Proforma Invoice.*—

- (a) Except in the cases specified at sub-paragraph (b) below, L/C shall be opened only against an indent issued by a registered indenter ;
- (b) import against foreign suppliers' *proforma* invoice (s) may be allowed in the following cases only, provided it is confirmed in writing by such a supplier that he does not have an agent in Bangladesh and that the price quoted on the invoice does not include any commission for any-body ;
 - (1) import of machinery and spare parts for the recognised industrial enterprises including those in the free sector ;

- (2) import by the foreign multi-national companies operating in Bangladesh of such proprietary items (raw, packing materials and spare parts) as are manufactured by their parent companies. For this purpose, the importer will furnish a declaration as per Annex iv that the items to be imported are proprietary items manufactured by their parent company. This facility shall not, however, be applicable in case of import for BMRE purposes by such multi-national companies ;
- (3) import of proprietary items (raw, packing materials and spare parts) from a foreign firm by a Bangladeshi industrial enterprise or assembling unit, if such enterprise or unit was earlier established as a joint venture or in technical collaboration with such foreign firm or where supply of such proprietary items was stipulated under an agreement with such foreign firm, which is still in force ;
- (4) import of raw and packing materials against back-to-back L/C by export-oriented industrial units operating under the bonded warehouse system ;
- (5) import of books, journals and periodicals ;
- (6) import of steam coal, dolomite and bauxite ; and
- (7) import of pharmaceutical raw and packing materials by recognised pharmaceutical industrial units.

The Chief Controller may, in exceptional cases, allow import against foreign suppliers' proforma invoice (s).

16. Procedure to be followed by Banks:—

(i) *Acceptance of LCA Form by the nominated bank—*

- (a) The nominated bank shall not accept any L/C Authorisation Form unless it is found in order and complete in all respects. L/C Authorisation Form from a private sector industrial unit shall not be acceptable unless accompanied by a Pass Book issued by the concerned licensing authority. An industrial unit which has been issued Pass Book for import of goods exclusively at SEM rate shall not be eligible to submit L/C Authorisation Form for import at the official exchange rate.
- (b) L/C for import of capital machinery and initial spares for setting up new industrial unit may, however, be opened without any Import Registration Certificate (IRC) or Pass Book after obtaining exemption certificate from the Chief Controller. While no formal sanction shall be necessary from the sponsoring authority for such import at SEM rate against own finance in respect of industrial units in free sector, formal sanction and recommendation from the concerned sponsoring authority or financing institution or bank shall be necessary for setting up new unit outside free sector or against loan sanctioned by the financing institution.

- (ii) *Compulsory recording of ITC Number.*—Bank shall not process any LCA Form or L/C without properly recording the appropriate ITC Number on the LCA Form or L/C. Bangladesh Bank will monitor the compliance by the banks of the above requirement.
- (iii) *Registration of L/C Authorisation Form and opening of L/C.*—In case of import under cash, International Development Agency (IDA) Credit, Overseas Economic Cooperation Fund (OECF) Loan and other source for which registration with Bangladesh Bank is necessary, the nominated bank shall forward the L/C Authorisation Form in quintuplicate to the concerned Registration Unit of Bangladesh Bank for registration of the L/C Authorisation Form.

The Bangladesh Bank Registration Unit shall, after registration, return the first and second copies of the L/C Authorisation Form to the nominated Bank concerned and the third and the fourth copies thereof to the concerned licensing authority for record.

- (iv) *Cases where LCA Form at the official exchange rate are not required to be registered.*—In case of import under loan, credit, grant or barter or STA where registration with the Bangladesh Bank is not necessary, the nominated bank, after endorsing the particulars mentioned in the L/C Authorisation Form on importer's pass book, shall forward the L/C Authorisation Form alongwith L/C Application Form and other required documents to the designated bank with the request to open L/C. The designated bank shall then open L/C and will immediately forward the third and the fourth copies of L/C Authorisation Form to the concerned licensing Authority.
- (v) *LCA Form at SEM rate.*—In case of import at SEM rate, L/C Authorisation Form shall be required to be registered with the Bangladesh Bank. However, the L/C opening bank shall forward the third and the fourth copies of L/C Authorisation Form to the area licensing authority. All L/C Authorisation Forms at SEM rate shall be prominently marked on the right hand corner at the top with rubber stamp to read as "issued at SEM rate".
- (vi) *Transmission of the copy of L/C for record of the Licensing Authority.*—In all cases mentioned in sub-paragraphs (iii), (iv) and (v) above, the L/C opening banks shall immediately forward a legible copy of L/C and copy of amendment thereof, if any, to the concerned licensing authority for their record.
- (vii) *Despatch of Income Tax Declaration by private sector importer.*—The nominated bank of the concerned private sector importers shall retain one copy of the Income Tax declaration furnished by the private sector importers and immediately forward the other two copies to the concerned area or regional office of the Bangladesh Bank, who in their turn, will retain one copy of the said declaration and forward the other copy to the Director (Research and Statistics), National Board of Revenue, Segunbagicha, Dhaka.

17. Miscellaneous Provisions Regarding Imports.—

- (i) *L/C Authorisation and Permit Fee.*—There shall not be any L/C Authorisation or Permit fee for letter of credit of value upto Tk. 50,000 (Taka fifty thousand) only. Unless otherwise exempted under the Licence and Permit Fees Order, 1985, L/C Authorisation or Permit Fee for letter (s) of credit exceeding Tk. 50,000 (Taka fifty thousand) shall be payable at a uniform rate of 2½% (two and half percent) *ad-valorem* of the value of L/C. Such fee shall be deposited by treasury challan under the Head of Account “42—Trade and Commerce Fees realised under the Imports and Exports (Control) Act, 1950”. Retirement of import documents shall not be allowed until the payment receipt in original is produced before the nominated bank. Moreover, the importers shall have to show the original challan or a copy thereof duly attested by the Manager of L/C opening bank, to the Customs Authority also at the time of clearance of goods. In case of import without opening of L/C, value limit for the purpose of determining the permit fee shall be the C&F value of the respective consignment.
- (ii) *Fees for Registration, Renewal and Pass Book.*—Commercial importers, industrial consumers, importers registered for import at SEM rate, indentors and exporters shall pay, with effect from 1-7-1986, the registration/renewal fees at the rate specified below :

| | Registration fees. | Renewal fees. |
|---|--------------------|---------------|
| (1) IRC(Com) | Tk. 800.00 | Tk. 800.00 |
| (2) IRC(SEM) | Tk. 800.00 | Tk. 800.00 |
| (3) IRC(Ind) | Tk. 1200.00 | Tk. 1200.00 |
| (4) Indentor's Registration Certificate | Tk. 3000.00 | Tk. 3000.00 |
| (5) ERC | Tk. 250.00 | Tk. 250.00 |

The rate of fees for Pass Book shall be Tk. 100.00 (Taka one hundred) only, with effect from 1st July 1986.

Renewal fees for 1986-87 shall be paid within the date notified by the Chief Controller.

Importers will pay IRC renewal fees in cash to their respective dealing/nominated banks against appropriate receipt. The banks will in turn deposit the receipted amount separately to Bangladesh Bank or Sonali Bank where there is no branch of Bangladesh Bank under the head of account “42—Trade and Commerce fees realised under the Imports and Exports (Control) Act, 1950,” and send the original copy of the deposit receipt to the area Import Control Office for record and verification. Indentors and Exporters will continue to deposit their renewal fees to Bangladesh Bank or Sonali Bank, where

there is no branch of Bangladesh Bank under the head of accounts "42—Trade and Commerce fees realised under the Imports and Exports (Control) Act, 1950" and send the original copy of Treasury challan alongwith Indenting/Export Registration Certificate to the respective licensing Office for endorsement of renewal fees.

For non-payment of fees on due date, the concerned importer, exporter and indenter shall have to pay surcharge at such a rate as may be notified.

- (iii) *ITC Committee.*—In case of any dispute between an importer and the Customs Authority on ITC Classification or description of goods imported, importer may ask for adjudication by the ITC Committee set-up at Chittagong, Dhaka, Chalna, Benapole and Sylhet. The respective ITC Committee will consist of representatives of the Chief Controller, Customs Authority, concerned Sponsoring Authority and the local Chambers of Commerce and will be headed by the representative of the Customs Authority. If the importer is not satisfied with the decision of the local ITC Committee, he may file an appeal to the Central ITC Committee at Dhaka which shall consist of the Chief Controller as the Chairman and a Member of the National Board of Revenue, a representative of the concerned Sponsoring Authority and a representative of Federation of Bangladeshi Chamber of Commerce and Industry as members. A revision petition may be filed with the Secretary, Ministry of Commerce in accordance with the Review, Appeal and Revision Order, 1977, if the decision in appeal does not satisfy the importer.
- (iv) *Release of goods detained by the Customs.*—If a consignment of imported goods is detained by the Customs Authority, the concerned importer may apply to the Chief Controller seeking release instruction to the Customs Authority for clearance of the consignment. Such application shall be accompanied by written objection of the Customs Authority or detention memo showing the ground (s) for detention of the consignment and will be expeditiously disposed of by the Chief Controller on the basis of existing rules and regulations.
- (v) *Pass Book for Indentors.*—All indentors, both local and foreign, engaged in indenting business in Bangladesh shall be issued with a Pass Book by the respective area licensing office of the Chief Controller. Indentors who already held Indenting Registration Certificate shall apply in plain paper for Pass Book by 30-8-1986. Such a pass book shall be issued only on payment of required fees by a registered indentor against a valid Indenting Registration Certificate; and such pass books shall be used for recording of IRC renewal fees and import of samples.
- (vi) *Transfer of Pass Book.*—Change in the nomination of bank by commercial or industrial importer may be made on the basis of no objection certificate (NOC) from his present bank. For such change prior permission from the concerned licensing authority shall not be necessary. Transferring bank shall, however, inform the concerned licensing authority in writing of such transfer of Pass Book. The transferring bank shall be responsible for any fraud, forgery or any other malpractice resorted to in the process of transfer of Pass Book. However, ever in case of

transfer of pass book outside the jurisdiction of the concerned licensing authority, the concerned importer shall get his LCA registered, where applicable, with the registration unit of Bangladesh Bank located in the respective licensing office where he is registered, for verification and record.

- (vii) **Compulsory Membership of recognised Chamber of Commerce and Industry/Town Association/Trade Association.**—Any person, partnership, firm, company or concern engaged in the export, import, or any other trade or owning a factory, who or which pays or is liable to pay income tax—
- (a) shall, irrespective of where his or its place of business is located, compulsorily become a member of Association representing that trade or industry and if such person, firm, company or concern is engaged in more than one trade or industry, he or it may become a member of more than one such Association;
 - (b) shall have the option, notwithstanding his membership of an association under clause (a), to become a member of the Chamber of the area in which his or its Head Office is located, and if the firm, company or concern has a branch office in an area other than that in which its head office is located, it may also become a member of the Chamber of the area in which its branch office is located;
 - (c) shall, if there is no Association representing the trade or industry in which he or it is engaged, compulsorily become a member of the Chamber of the area where he or it is engaged in the trade or industry.

A list of registered Chambers of Commerce and Industry/Town Associations and Trade Associations is appended at Annex VII to avoid confusion regarding their identity and status. Certificates from any Organisation outside this list shall not be acceptable.

- (viii) **Import on Joint Basis.**—The importers all over Bangladesh may form group or groups for import on joint basis according to their convenience on condition that the industrial consumers shall form group or groups with other industrial consumers only; the commercial importers may form group or groups with other commercial importers or importers registered for import at SEM rate, and *vice-versa*.

The procedure for import on joint basis is given at Annex-VIII.

- (ix) **Import by Government Servants and employees of Public Sector corporate Bodies.**—Government servants and employees of bodies corporate set up by or under any law for the time being in force, may import, without IRC, permissible items for their bonafide personal use with prior permission from the Chief Controller. While applying for such permission, the applicants shall produce certificate from their respective heads of departments or organisations to the effect that the items to be imported are for actual use of the applicants and not for sale.

- (x) *Import by actual users.*—Individuals or Institutions, not being registered importers may, import permissible items of limited quantity up to US \$ 2000 (Two thousand US Dollars) only during the Policy period 1986-87, for their own use at SEM rate with exemption from import registration subject to prior permission from the regional licensing office. Such imports in excess of US \$ 2000 will require prior permission from CCI&E. However, if the total C&F value of such import does not exceed US \$ 1000.00 (one thousand US Dollars) only during the policy period 1986-87, such individuals or institutions may import any permissible item without any prior permission from the Licensing Authority.
- (xi) *Import on Deferred Payment Basis.*—Subject to restrictions and prohibitions contained in this Order, import on deferred payment will be allowed on the basis of procedure laid down by the Bangladesh Bank in this behalf.
- (xii) *Import against Direct Payment Abroad.*—Import against Direct Payment Abroad will be allowed only in the case of plant and machinery. Such import shall be subject to following conditions:—
- (a) The import will be made by a Bangladeshi Wage Earner living abroad out of his own earning outside Bangladesh;
 - (b) The plant and machinery should be set up as a new industrial unit;
 - (c) The plant and machinery shall be consigned either in the name of Wage Earner himself or in the name of the firm or the company of which he is a proprietor, partner or director;
 - (d) If the industrial unit is in free sector, no formal sanction of any authority will be required; but if it is outside free sector, sanction will have to be obtained from competent authority;
 - (e) No L/C Authorisation Form will have to be submitted and no L/C will be opened; only import permit will have to be obtained from the licensng authority.
- (xiii) *Import under Pay-As-You-Earn-Scheme.*—Subject to prohibitions and restrictions, if any, contained in this Order, import under Pay-As-You-Earn-Scheme may be allowed only in the following cases:—
- (a) Permissible items of plants and machinery, with the clearance of the Bangladesh Bank;

| Bonafide Exporters of Readymade Garments. | Each manufacturer/exporter shall be eligible to import up to 30 samples a year subject to a maximum of 2 samples per design. Samples shall have to be stamped with the word 'sample' by indelible ink. | |
| Agents of foreign manufacturers-in Bangladesh. | New brand of permissible items for sale with a view to introducing to consumers. | Tk. 20,000·00 (Taka twenty thousand) only. |
| Individual/Organisation. | Permissible items as gift. | Tk. 15,000·00 (Taka fifteen thousand) only. |

Advertising materials shall include, among others, diaries, stickers, brochures, posters, calendars, pamphlets and technical literature related to the trade of the concerned importers as well as promotional ball point pen, key-ring and lighters with company name(s) engraved. Details of such imports shall be entered into the Pass Books or IRCs, as the case may be, by the Customs Authority.

Import in excess of the value ceiling mentioned above shall be subject to prior permission of the Chief Controller and Import Permit.

(xvi) *Temporary importation for exhibitions and demonstration purposes with conditions for re-export.*—Agents and representatives of the foreign manufacturers shall be allowed to import on temporary basis machinery and equipment of their principal or parent company for arranging demonstration and exhibition in Bangladesh, subject to following conditions:—

- (a) the goods brought into Bangladesh for such exhibition or demonstration will be re-exported within a period of 1(one) year.
- (b) the importer will execute a bond and furnish a bank guarantee or an instrument to the satisfaction of the Customs Authority at the time of clearance of the goods as regards timely re-export.

(xvii) *Import into and Export from the Export Processing Zone (EPZ):—*

- (a) Import into and export from the EPZ shall remain outside the purview of this Order. The banking and customs procedures relating to export from or import into, the Export Processing Zone to or from any country outside Bangladesh shall be regulated in accordance with the instructions issued in that behalf by Bangladesh Bank and the National Board of Revenue, respectively, from time to time ;
- (b) All data regarding import into and export from the Export Processing Zone shall be maintained by the Customs Authority concerned ;
- (c) All movement of goods between the Export Processing Zone and any other area in Bangladesh outside the Zone shall be regulated by the existing Imports & Exports Control Regulations.

(xviii) *Claim for import facility in cases accepted in Review, Appeal and Revision.*—No claim for import shall be entertained in cases accepted under Review, Appeal and Revision Order, 1977, if the item is no longer permissible for import. Import Authorisation in such cases may be issued in accordance with the Import Policy Order in force.

18. **Import under Barter:—**

- (i) *Compulsory import under barter.*—In cases where basis of licensing for any item(s) has been notified under Barter/STA as well as under cash/untied commodity aid during current 1986-87 period, the eligible importers may open L/Cs for such item(s) under cash/untied commodity aid for their due share or at SEM rate, according to their requirements without

first opening L/Cs for the item(s) under Barter/STA on condition that they will be required to also utilise the barter shares during the current period within the period of validity for the respective barter sources to be notified by CCIE, failing which the concerned importer will be ineligible to open any further L/C either at SEM rate or at official exchange rate even if basis of Licensing for the concerned item/sector is notified for the second half of current policy period (January-June, '87). Before opening L/C for any item, the nominated banks of the concerned importers shall ensure that such ineligible importers are not allowed to open any further L/C under any source including SEM during the second half of the policy period, if L/Cs, are not opened by them against the barter share for the first half within the validity period of the respective barter source. This provision which shall apply equally to both public and private sector importers, regardless of their being industrial or commercial importers, will not, however, apply to the opening of L/C for imports of any item against allocation(s) if any, under tied commodity aid.

- (ii) *Incentive for commercial importer under barter.*—A commercial importer who has live item under barter source will be eligible to import an additional item under any of the following arrangements:—
- (a) He may participate in the selection of importers for CI Sheet on population basis by District Committee and/or in selection on national basis.
 - (b) He may participate in the selection of importers for Second-hand Clothing on population basis by District Committee, and/or selection on national basis.

Before opening L/C for the additional item mentioned above the importer shall first establish L/C for the barter share for his own item. No bank shall open L/C for such an additional item without first satisfying itself that L/C for the item under barter share has been established.

19. General Principles for Industrial Import.—*Scope of import by industrial consumers* :—

- (i) Subject to provision at para 3 of this Order, industrial consumers shall import, unless otherwise allowed, only those items which are duly recorded in their pass book, irrespective of the source(s) of finance. The item(s) recorded in the pass book may, however, be imported in any quantity excepting such items whose import has been banned or subjected to any general or specific restriction. Where commercial import of an item is not permissible and its import is allowed by industrial consumers only, the quantum/value of import of such item(s) shall be limited strictly to the entitlement as recorded in the Pass Book in case of private sector industries, or as decided by the sponsoring Ministry in case of public sector agencies. Regardless of any entry in the Pass Book, an item shall not be importable if its name occurs in the Negative List, unless specifically allowed.

However, industrial consumers requiring any item of raw, packing and other materials, not mentioned in their pass book, may be allowed to import such raw, packing and other materials on the specific recommendation of their sponsoring authority and with prior permission from the Chief Controller provided the item is not banned or otherwise restricted.

- (ii) *Import at official exchange rate.*—Subject to availability of funds, recognised industrial units under such specific sectors as may be decided by the Government, shall be allowed to import essential raw and packing materials and spare parts at the official exchange rate. The share for the first-half and for the second-half of 1986-87 financial year at the official exchange rate may be given separately. L/C Authorisation Form shall be submitted for the due share as per basis of licensing, source of finance and other terms and conditions as notified by the Chief Controller from time to time. Subject to provisions of sub-paragraph (i), such industrial units shall, however, be allowed to import in any proportion or combinations within their overall respective share or entitlement.
- (iii) *Import at SEM rate.*—Such industrial sectors as have not been notified for import at official exchange rate shall be required to import their requirement of raw and packing materials and spare parts at SEM rate subject to provisions of sub-paragraph (i). Industrial consumers shall be free to import at SEM rate only those items of raw and packing materials and spare parts which are recorded in their pass books up to any quantity they like, except those items whose import is subject to any general or specific restriction. While submitting L/C Authorisation Form for import at SEM rate of industrial raw and packing materials and spare parts an industrial importer registered for import at SEM rate shall furnish information as to whether he is a recognised industrial unit and whether he has been issued with a Pass Book as an industrial consumer. The required information will be incorporated by the concerned bank in Part A of the LCA Form through rubber stamp.
- (iv) *Import by ad hoc Industrial Units.*—Subject to the provisions of sub-paragraph (i), new *ad hoc* industrial units accepted on *ad hoc* basis under a particular sector shall enjoy import facility under the same source of finance as the regular units of the concerned sector, but the rate at which such import facility is to be allowed will be decided by the Licensing Board headed by the Chief Controller, Pass Book, temporary or provisional Import Registration Certificate and specific letter of authorisation shall be issued in respective cases by the concerned licensing authority in the light of the decision of the Licensing Board. No Bank shall accept any L/C Authorisation Form from any *ad hoc* industrial unit unless these documents are produced to the bank by the concerned industrial unit.
- (v) *Prohibition on sale/transfer/disposal of raw and packing materials and spare parts imported by industrial consumers.*—Any and all items imported by an industrial consumer shall be utilised in his unit exclusively for the purposes of production and shall not be sold, transferred or otherwise disposed of.
- (vi) *Import of machinery for BMR.*—Import of machinery and spare parts for balancing, modernization and replacement (BMR) and for emergency break-down and also equipment for quality control shall be allowed at SEM rate. For such imports, no recommendation either from any sponsoring authority or Director of Drugs Administration

(for quality control equipment) shall be necessary. Foreign industrial firms engaged in manufacture in Bangladesh and recognised by the sponsoring authority and holding valid import Registration Certificate may import machinery at SEM rate for balancing, modernization and replacement (BMR) and quality control equipment on recommendation from the Director General of Industries.

However, import of capital machinery may also be allowed under U.K. Commodity Grant subject to the following conditions :—

- (a) availability of sufficient unutilised fund to finance such an import ;
- (b) merit of each case ; and
- (c) recommendation of the sponsoring authority.

The industrial units importing machinery for BMR will not be entitled to any expansion of production capacity and import entitlement for raw and packing materials.

20. Import by Commercial Importer.—

(i) *Commercial Import at official exchange rate.*—Excepting for barter, import of as few commercial items as possible will be allowed at the official exchange rate. The name of items, basis of licensing, source of finance and other terms and conditions for commercial import will be notified by the Chief Controller from time to time;

(ii) *Commercial import by Foreign Firms.*—Foreign Firms Registered in Bangladesh under the Companies Act, 1913 may be allowed to import permissible commercial items at SEM rate, subject to prior permission from the Chief Controller on production of the following documents, namely:—

- (a) Photocopy of the valid Import Registration Certificate ;
- (b) Photocopies of invoice, bill of lading and import permit duly certified by the bank showing the import of items under WES between July, 1984 and June, 1986 policy periods ;
- (c) Original or photocopy of General Index Register (GIR) Certificate from Income Tax Authority indicating that they are regular Income Tax assesseees;
- (d) Certified copy of the last Income Tax assessment order ; and
- (e) Name and description of item(s) to be imported at SEM rate during the Policy period 1986-87 with quantity and approximate C&F value of each item.

21. Import by Public Sector importers:—

(i) *Import by Ministries and Departments.*—Ministries and Government departments may import goods against allocations given to them by the Ministry of Finance. No import licence, L/C Authorisation Form or permit shall be required for such import. The Ministries and Government departments may import their required items themselves or through the Directorate of Supply and Inspection.

- (ii) *Import against specific allocation of funds.*—All public sector agencies including public sector corporations, universities, research institutes and industrial enterprises shall be allowed to import permissible items on the basis of specific allocation of funds made by the Government to them for import at the official exchange rate. All such importers shall be eligible to open letter of credit directly through their nominated banks for import of permissible items on submission of L/C Authorisation Forms on the basis of allocation or sub-allocation of funds without cover of any import licence.
- (iii) *Import at official exchange rate by industrial enterprise/agency.*—Foreign exchange allocation at official exchange rate will be made to the public sector industrial enterprises or agencies to meet their requirements in the proportion in which availability of funds may justify. Such public sector importers will be free to import their agreed items (with the Ministry of Commerce) in any proportion or combination within the overall allocation made to them subject to conditions, if any, for any particular resource use. They shall not, however, sell or otherwise dispose of any raw material in unprocessed form.
- (iv) *Import allowed at SEM rate.*—In addition to imports at the official exchange rate, the public sector importers, will be eligible to import any permissible item at SEM rate.
- (v) *Import registration not to apply.*—The condition for registration as importer shall not be applicable to public sector importers.
- (vi) *Restriction on import of aluminium articles.*—Aluminium doors and windows and aluminium sections for making these items shall not be allowed for import by any public sector agency against project import or any other import authorisation directly or indirectly, through their agents.
- (vii) *Import under sub-allocation of fund.*—Public Sector Corporations while making sub-allocations to industrial units under their control shall observe the basis of licensing applicable to the private sector industries as mentioned in this Order.
- (viii) *Import on Cash Against Delivery (CAD).*—Public Sector Agencies may opt to import on Cash Against Delivery (CAD) basis in accordance with the procedure laid down by the Bangladesh Bank.
- (ix) *Guidelines for import of goods by Public Sector Agencies.*—
- (a) Competitive quotations shall be obtained before opening of letter of credit and procurement shall be made at the most competitive rate.
 - (b) In case of import under cash and untied loan or grant, at least three quotations shall be obtained from registered indentors or from foreign suppliers as per provisions of this Order. This condition shall not apply in case of proprietary items or where value of the consignment is less than Taka 30,000 (Taka Thirty thousand) only.

(x) *Pre-shipment Inspection of goods.*—Where the value of a single item authorised for import is Tk. 5,00,000 (Taka five lakh) only or above, the importing agency shall arrange pre-shipment inspection. Pre-shipment inspection shall be entrusted to internationally reputed surveyors only. Public Sector Agencies may, however, be allowed to clear goods on production of a certificate from their administrative Ministry to the effect that pre-shipment inspection requirement has been waived by that Ministry in respect of the imported items or that no pre-shipment inspection in respect of a particular consignment was considered necessary.

(xi) *Import by the Trading Corporation of Bangladesh (TCB).*—

(a) Trading Corporation of Bangladesh (TCB) shall import goods on the basis of allocation of funds given to them by the Government at the official exchange rate. TCB may also undertake import of any permissible item by purchasing foreign exchange from SEM.

In respect of the import of the following items at the official exchange rate, TCB shall share with private sector importers in the proportion mentioned against each item:

| | TCB | Private Sector |
|--------------------|-----|----------------|
| Soda Ash (Light) | 30 | 70 |
| Milk Food | 50 | 50 |
| Cement (Grey only) | 75 | 25 |

(b) The TCB may also undertake import of such items as copper, zinc, aluminium and lead ingot or rod, pig iron (foundry grade), M.S. billets and rape seeds at the official exchange rate on behalf of the public and private sector importers and industrial consumers having entitlement for these items subject to the following conditions :—

- (1) the concerned industrial units shall first submit L/C Authorisation Form as usual to their respective banks for their due share as per basis of licensing notified by the Chief Controller for the private sector importers and as per allocation or sub-allocation of funds made by the Govt. for the public sector importers;
- (2) if the public and private sector importers and industrial consumers do not want to make importation themselves and instead want to utilize the services of the TCB, they may place order in writing with the TCB enclosing a Bank Guarantee for such amount as may be decided by the TCB for lifting their quota in time after importation ;

- (3) the concerned industrial units shall also authorise the TCB to make importation on their behalf by making appropriate endorsement on the reverse of the L/C Authorisation Form duly attested by the Manager of the importer's bank. In such cases, the L/C Authorisation Form may be transferred to any other bank as a special case or on request by the TCB to enable them to make bulk import.
- (c) Arms and ammunitions shall be importable exclusively by the TCB. In addition TCB may be allowed to import explosives, vegetable ghee, 2mm and 3mm glass sheets and special raw materials for selected export-oriented units. The quantity of these items to be imported will be determined by the Ministry of Commerce. Sale of explosives by TCB shall be made under intimation to the Ministry of Home Affairs.

23. Prescribed conditions for import of industrial items—

- (i) *Items of import for Foreign Exchange Earning Hotels.*—Foreign Exchange Earning Hotels may import by purchasing foreign exchange from SEM the items included in the Restricted List as importable by them subject to the following conditions and procedure :—
 - (a) Import of the items in the restricted list will be limited to 20% of the foreign exchange earned by the hotel during a specified period;

- (b) Import of alcoholic beverages and spares shall be limited to a maximum of $7\frac{1}{2}\%$ (Seven and a half per cent) of the total foreign exchange earning and remaining $12\frac{1}{2}\%$ (Twelve and a half per cent) may be utilised for import of other item(s) in the Restricted List. Total import of restricted items shall not exceed 20% (Twenty per cent) of the total earnings of foreign exchange referred to at (a) above ;
- (c) Out of $12\frac{1}{2}\%$ (Twelve and a half per cent) entitlement for other items the foreign exchange earning hotel will be allowed to import crockery, cutlery and hollow glass ware once in five years, subject to prior permission from the Chief Controller, on the basis of specific recommendation from the Director General of Industries. Crockery, cutlery and hollow glass ware imported by such hotel shall bear the insignia of the hotel engraved or painted with indelible paint ;
- (d) Foreign Exchange Earnings shall be recorded in the Pass Book by the bank to whom the foreign exchange is sold. Utilisation of foreign exchange will be recorded in the Pass Book by the nominated bank while opening L/C for these restricted items ; and
- (e) Before submitting LCA Form and opening of L/C for any restricted item(s) the foreign exchange earning hotels shall obtain endorsement in the Pass Book from the concerned Licensing Authority.
- (ii) *Import of Coal and Hard Coke.*—
- (a) Government Departments and Statutory Corporations shall import their own requirements of coal and hard coke against their specific allocation of foreign exchange;
- (b) Import of Coal and Hard Coke shall be permissible at SEM rate, barter/STA.
- (iii) *Palm Kernel Oil.*—Import of Palm Kernel Oil shall be allowed only to the recognised units under Soap Industry having entitlement for the item as per Pass Book.
- (iv) *Coconut Oil.*—Coconut Oil shall be importable by the recognised industrial units having entitlement for the item as raw material. Recognised Units under Soap Industry having entitlement for this item may, however, be allowed to import coconut oil with free fatty acid content not less than 1% (one per cent) within their due share. Commercial import of coconut oil shall be subject to prior permission from the Chief Controller.

- (v) *M.S. Billets.*—Recognised industrial units having entitlement for M.S. Billets shall be allowed to import only prime quality M.S. Billets up to 100% of their annual import entitlement for this item irrespective of the source of finance. Import of M.S. Billets shall be subject to the pre-shipment inspection through internationally reputed surveyor. Necessary certificate regarding pre-shipment inspection shall be produced to the Customs Authority at the time of clearance of goods.
- (vi) *MS* Sheet and Plate (hot rolled), G.P. Sheet, B.P. Sheet, Stainless Steel Sheet, CRCA Sheet, Tin Plate, M.S. Sheet:*—
- (a) Secondary quality (odd pieces but new) of G.P. Sheet (not exceeding 4' feet in length), B.P. Sheet, M.S. Sheet, Stainless Steel sheet and CRCA Sheet shall be importable only by the recognised industrial units up to 100% (One hundred per cent) of their annual entitlement for the item(s). Commercial import of secondary quality of these items shall not be allowed. However, tin plate secondary quality or misprint will be importable.
- (b) M.S. Sheet and Plate (hot rolled) will be importable only by recognised industrial units up to their annual entitlement for the item as recorded in the Pass Book. This restriction will not apply to recognised agricultural implements manufacturing industry.
- (c) Commercial import of G.P. Sheet shall be allowed in a limited quantity with prior permission from the Chief Controller.
- (d) Import of G.P. Sheet by recognised industrial units shall be allowed as per Annex-V.
- (vii) *Carpet Wool.*—Import of carpet wool may be allowed by the Chief Controller only to the woollen carpet making industrial units provided they submit recommendations from the Sponsoring Authority and certificates from the Export Promotion Bureau showing yearwise value of the carpet exported by them during the last 3 (three) years. However, import of knitting wool shall not be permissible.
- (viii) *Secondhand/reconditioned machinery.*—Import of secondhand or reconditioned machinery including secondhand or reconditioned capital machinery up to Tk. 25,00,000 (Taka twenty-five lac) only may be allowed at SEM rate without any recommendation from the Sponsoring Authority or prior permission from licensing authority. For import of such machinery for any value exceeding Tk. 1,00,000 (Taka one lac) only but not exceeding Taka 25,00,000 (Taka twenty-five lac) only, a certificate from an internationally reputed surveyor to the effect that the machinery has an economic and useful life of at least ten years shall have to be produced to the nominated bank before opening letter of credit. The Chamber of Commerce and Industry of the exporting country would certify the genuineness of such certificate. If the value exceeds Taka 25,00,000 (Taka twenty-five lac) only, prior recommendation from the sponsoring authority shall be necessary in addition to the surveyor certificate mentioned above.

- (ix) *Aluminium container*.—Empty lacquered drum shall not be importable. However, aluminium tin container (printed) will be allowed for import by the recognised industrial units in cosmetics sector which manufacture cream under approved licensing agreement.
- (x) *RDB Palm Stearine*.—
- (a) Recognised industrial units under soap industry may be allowed to import the item up to the entitlement of the item recorded in the pass book only on the basis of specific recommendation of the Sponsoring Authority.
- (b) Commercial import of RDB Stearine shall not be permissible under any source of finance.
- (xi) *Machinery and spares for Jute and Textile Mills*.—For establishment of new industries, import of capital machinery, spare parts and accessories for Jute and Textile Mills shall be allowed as per provisions of the existing Industrial Investment Schedule. No clearance will be required from the Ministry of Jute and Textiles except a sanction letter from the sanctioning authority in case of industries other than in the free sectors. No clearance will be required from Ministry of Jute and Textiles for import of machinery, equipments, spares and accessories required for import by the existing industrial units for balancing, modernisation and replacement under paragraph 19 (vi).

Machinery, spare parts and accessories for Jute and Textiles Mills which are not included either in the Negative List or in the Restricted List shall be importable by the industrial units against their entitlement/ allocation without any clearance/permission from any authority. Those machinery, accessories and spare parts which are included in the Restricted List shall be importable only by the recognised industrial units on the basis of prior and specific clearance from the Ministry of Jute and Textiles. For import of machinery, accessories and spare parts for Jute and Textile Mills, the concerned Public Sector agencies/units shall be permitted, as per provision of para 10 of this Order, for items included in the Negative list only. However, for import of the machinery, accessories and spare parts included in the Restricted List, the Public Sector agencies/ units shall also have to obtain prior and specific clearance from the Ministry of Jute and Textile only. No permission or clearance from any other authority shall be necessary for import of any such machinery, accessories or spare parts from Restricted List either by the public sector or by the private sector units/agencies.

A separate list (Negative/Restricted) of spares, components and accessories for Jute and Textile Mills is appended to this Order at Annex-III.

- (xii) *Lactose, sucrose, icing sugar and liquid glucose*.—

- (a) Lactose shall be importable by the recognised units under the industrial sector "Homeopathic Medicines" up to 30% (Thirty per cent) of their total annual entitlement as recorded in the pass book irrespective of source of finance. Eligible commercial importers of Homeopathic and Biochemic Medicines may also import the item up to 30% (Thirty per cent) of declared share. Except for these two categories of importers, no other importer shall be allowed to import lactose under any source of finance.

- (b) Lactose BP and USP, Sucrose BP and USP and Icing Sugar shall be importable only by the recognised pharmaceutical units in proportion to the production programme of each pharmaceutical unit. Director of Drug Administration while approving the block list of raw materials for each pharmaceutical unit will specify the total quantity each of Lactose BP and USP, Sucrose BP and USP and Icing Sugar which the pharmaceutical unit may import during 1986-87 financial year.
- (c) Only the recognised industrial units having entitlement for liquid glucose will be allowed to import this item up to 50% of their entitlement for the item as recorded in the pass book, irrespective of the source of finance.
- (xiii) *Dextrose Monohydrate*.—Only the recognised industrial units having entitlement for dextrose monohydrate will be allowed to import this item on specific recommendation of the Sponsoring Authority.
- (xiv) *Umbrella Cloth*.—Cotton umbrella cloth “dyed fast black” “not more than 22” (twenty-two inches) in width edge border $\frac{1}{2}$ ” to $1\frac{1}{2}$ ” on one side or on both sides shall only be permissible for import. For import of umbrella cloth of any other description or specification, recognised industrial units shall obtain prior permission from the Chief Controller on the basis of recommendation from the Sponsoring Authority.
- (xv) *Items of import by ad hoc I.W.T. Operators, Poultry and Dairy Farms and Fish Catching Units*.—Banks may accept L/C authorisation form from Inland Water Transport Operators, poultry and dairy farms and fish catching units on *ad hoc* basis only on specific instruction from the Chief Controller. The Chief Controller shall permit Inland Water Transport Operators to import permissible items on the recommendation of the Bangladesh Inland Water Transport Authority (BIWTA). Similarly, permission may be accorded to the fish catching units for import of permissible raw materials on *ad hoc* basis on recommendation of the Director of Fisheries and to the poultry and dairy farms for import breeds of livestock and poultry and veterinary medicines on an *ad hoc* basis on the recommendation of the Director of Livestock Services. Import of machinery and equipment for fish catching, poultry and dairy farms on *ad hoc* basis will, however, be issued on the basis of recommendation from the Director General of Industries. Inland Water Transport Operators, fish catching units and poultry and dairy farms having valid Import Registration Certificate for import at SEM rate may import permissible items at SEM rate as per their requirement without any recommendation from either the Bangladesh Water Transport Authority or the Directorate of Fisheries or Directorate of Livestock, as the case may be. They shall however, follow other formalities and procedures of imports as per this Order.
- (xvi) *Items of import by Export-oriented Industries*.—
- (a) Recognised units under readymade garments industry operating under the bonded warehouse system shall be permitted to import their permissible raw and packing materials on the basis of confirmed irrevocable letter of credit for export of readymade garments against

back-to-back Letter of Credit subject to authorisation by the Bangladesh Bank. Import of raw and packing materials against back-to-back L/C by such units may also be made through submission of LCA Form, duly filled in, to the concerned nominated bank ; and under this arrangement, such units will not be required to obtain IP/CP from the concerned licensing authority for clearance of their raw and packing materials imported against back-to-back L/C. Such units shall not, however, be allowed to import fabrics cut into pieces or sizes and will have to import only Thaan fabrics. For this purpose, no prior permission from the Chief Controller shall be required.

Such units under readymade garments industry shall, however, be permitted to import raw materials on 'no cost basis' for execution of export orders, on the following conditions :

- (1) Each case will be considered on consignment basis and this shall not involve any remittance from Bangladesh ;
- (2) Pre-shipment inspection certificate on finished products if insisted on, at buyer's cost will have to be produced during execution of export and no rejection will be allowed ;
- (3) Value added shall not be less than 25% and the entire value added, not being less than 25% will have to be repatriated to Bangladesh.
- (4) Quantity, price and description of the materials imported on consignment basis must be mentioned in the invoice.

Other items not specified in the Negative List and the Restricted List of IPO, 1986-87 are importable by the export-oriented readymade garment units operating under the bonded warehouse system, without any recommendation from the sponsoring authority. Any other restricted/banned item not covered by list/part A of Annex. VI of IPO, 1986-87, if required, by the export-oriented readymade garment units operating under the bonded warehouse system, will be importable by such units only on the specific recommendation of the Deptt. of Textiles. In case of import of knitted fabrics by these units, each unit will obtain recommendation from the Deptt. of Textiles for each shipping period.

- (b) Recognised units under specialised textile industry operating under the bonded warehouse system shall be permitted to import their permissible raw and packing materials on the basis of confirmed and irrevocable letter of credit for export of the items of specialised textiles against back-to-back L/C, subject to authorisation by the Bangladesh Bank. For this purpose no prior permission from the Chief Controller shall be required. Specialised Textiles units operating under the bonded warehouse system may, however, meet their import requirement for cotton yarn (single) of below 21 counts and above 59 counts only at SEM rate on the basis of confirmed and irrevocable export order. The imported

cotton yarn will invariably be kept in the bonded warehouse and shall be used for production of exportable goods only. Recognised units under specialised textile industry who are not operating under the bonded warehouse system shall import their requirement against L/C Authorisation Forms as per the basis of licensing applicable to the sector.

- (c) Recognised export oriented hosiery units operating under bonded warehouse system shall be permitted to import their permissible raw and packing materials on the basis of confirmed and irrevocable letter of credit for export of hosiery and knitted wear goods against back-to-back letter of credit, subject to authorisation by the Bangladesh Bank. For this purpose, no prior permission from the Chief Controller shall be required. However, such units shall not be allowed to import hosiery knitted or woven fabrics, all sorts, in rolls or thaans or cut into sizes or pieces.
- (d) Import of knitted fabrics all sorts in rolls or thaans including knitted pieces and rolls of Sweater, Jumper, Pullover and Muffler shall not be permissible for hosiery and other knitted goods sector, but import of knitted fabrics in rolls or thaans only shall be permissible for recognised export-oriented readymade garments industry working under bonded warehouse system.
- (e) Export-oriented readymade garment/hosiery/specialised Textile industries exporting under bonded warehouse system may be allowed to import against back-to-back L/C their respective items which are placed in Restricted list for import by the above industries only. A list of such restricted items is placed in Annex. VI for convenience of the concerned importers. Such items imported by the concerned export-oriented units shall be utilised in their own factory for production of goods for export purposes only and the same shall not be sold or disposed of within the country or used to produce goods for local sale/consumption. Any violation of this condition shall amount to contravention of ITC Regulations.
- (f) Export-oriented industries will also be allowed to import any banned/restricted raw and packing materials and spares required by them for execution of specific export order with prior permission from the Chief Controller on the basis of specific recommendation of Export Promotion Bureau (EPB). Such units will be required to submit bank guarantee covering 100% of the value of the banned or restricted item(s) imported.
- (g) Recognised manufacturing exporting units in all sectors operating under the bonded warehouse system may import their raw and packing materials under back-to-back L/C arrangement subject to authorisation by Bangladesh Bank. This provision shall cover both the out-put manufacturing direct exporters as well as the in-put manufacturing indirect exporters.

- (xvii) *Aluminium Circle.* Aluminium utensil industrial units without re-rolling facility may import Aluminium circle up to 50% (fifty per cent) of their annual entitlement for the item as per pass book. Commercial Import of Aluminium circle will not be allowed.
- (xviii) *Import of electric motors from 1 to 25 HP as an integral and inseparable part of power loom.*—In case of import of power loom as capital machinery, electric motor of 1 to 25 HP may be allowed for import along with power loom for initial installation by the concerned industrial enterprises subject to fulfilment of the following conditions :—
- (a) the electric motor to be imported must be the integral and inseparable part of the power loom machinery so much so that the loom cannot be operated without such electric motor;
 - (b) the electric motor is fitted into the machine and it is not imported as a separate piece or in a separate packing; and
 - (c) the electric motor shall be installed by the concerned industrial enterprise as an integral part of the power loom and the said imported electric motor shall not be sold, transferred or otherwise disposed of.
- (xix) *Import of parts, accessories or components.*—Parts, accessories or components, import of which is otherwise banned or restricted, shall, however, be importable along with machinery only as its integral and indispensable part provided the said machinery itself is permissible for import.
- (xx) *Import of PVC pipe, G.I. pipe, Turbine pump.*—Minor irrigation equipments, namely deep tubewell engines, parts and components thereof, deep tubewell turbine pumps, galvanised iron pipes and PVC pipes and any other related items required shall be importable only for the aid-financed projects in the minor irrigation sector other than STW and LLP engines, subject to automatic ROR from the Ministry of Industries and IP/PP from CCI & E. However, for others PVC pipe up to 8" dia, G.I. pipe up to 8" dia and Turbine pumps (for DTW up to 2.0 cusec and head up to 80ft.) shall not be permissible for import. PVC sleeving tube required for electric fan manufacturing industry shall, however, be importable only by the recognised industrial units.
- (xxi) *Import of raw cotton excluding unginmed cotton.*—Textile/Spinning mills which produce up to 60 counts cotton yarn may open L/C for import of raw cotton (excluding unginmed cotton) up to 90% (ninety per cent) of their entitlement only or production of a certificate from the Cotton Development Board, to the concerned nominated bank, certifying that the unit has already purchased locally produced raw cotton to the tune of at least 10% (ten per cent) of their total annual requirement for raw cotton from the growers/ginners at a rate fixed by the Government. Commercial import of raw cotton shall not be allowed.

ANNEX-VIII

PROCEDURE FOR IMPORT ON JOINT BASIS

Group by Commercial Importers and Importers Registered for import at SEM rate :—

Commercial importers and importers registered for import at SEM rate have been allowed the facility of import on joint basis for the sake of economy. For this purpose, formation of group may be done either before or after registration, whenever necessary, with the registration unit of Bangladesh Bank subject to provision of IPO, 1986-87. Such importers having different nominated/L/C opening banks, desirous of importing their share in cash, loan, credit, barter or at SEM rate on joint basis may do so in accordance with the procedure mentioned below.:

2. Procedure in case of formation of group for import on joint basis, before registration of L/C Authorization Form by the registration unit of Bangladesh Bank :

(i) An importer will submit to his nominated bank the L/C Authorization Form in the usual Manner duly filled in and signed along with a **Declaration** that (a) he had not applied in any manner to import his share for the current shipping period individually and agrees to effect import of the same on joint basis under the Group leadership of M/S (Name and address of the group leader with IRC No. and his nominated bank to be mentioned), and that (b) he undertakes not to make in any manner any claim whatsoever from the licensing authority in any matter arising out of default or dispute with the group leader or members of the group. Signature of the importer will be verified by the authorized officer of the nominated bank with date.

(ii) The importer's nominated bank after being satisfied that the L/C Authorization Form, the declaration given by the importer and other required information are complete and correct in all respects, will forward these papers to the nominated bank of the group leader and will certify on the body of L/C Authorization Form as under:

"We have no objection to allow the abovementioned group under the group leadership of M/S.....

 This importer is eligible to import.....
 for Taka..... We have endorsed their
 Pass Book.

*Seal and signature of the Authorized Officer
 of the importer's bank with date".*

(iii) The group leader will submit L/C Authorization Form in a similar manner. In addition to L/C Authorization Form he will also submit L/C Application Form covering the total value of all the L/C Authorization Form of the group members including his own share. He will also submit a declaration to the effect that (a) particulars given in the L/C Authorization Form are correct to the best of his knowledge, that (b) he has not applied, in any manner, to import

his share for the current shipping period separately other than as a member of the group and that (c) he has undertaken to act as the group leader for importation on joint basis for the sake of economy by the importers in the group (here group leader will record the names and address and IRC Nos. of all the members including that of himself and their individual shares) and that (d) he undertakes not to make in any manner any claim whatsoever from the licensing authority or authorities in any matter arising out of default or dispute with members in the group. The signature of the group leader will be verified by the authorized officer of his bank with date.

- (iv) The group leader's bank, after being satisfied that L/C Authorization Form and the declaration given by the group leader are complete and correct in all respects, will certify on the body of the L/C Authorization Form as under: "We have no objection to allow the above importer to act as group leader of the group.....members."

*Seal and signature of the Authorized Officer
of the group leader's bank with date.*

- (v) The group leader's bank will then forward L/C Authorization Form, declaration of the group leader and their certificate along with the complete set of L/C Authorization Forms, declarations of all members of the group and the complete set of certificates issued by the different banks of the members, to the registration unit of the Bangladesh Bank in the respective offices of the licensing authority. If group members belong to different licensing jurisdictions, the group leader's bank will submit L/C Authorization Form of the group leader and its associate members to the respective registration unit of Bangladesh Bank where the group leader is located.
- (vi) Bangladesh Bank registration unit immediately after the registration of the L/C Authorization Form will forward to the concerned licensing authority of the importer two copies of the complete set of L/C Authorization Forms alongwith declarations and certificate for post check and simultaneously return the other two copies of LCAs to the nominated bank of the group leader for opening of L/C.
- (vii) Where the eligible commercial importers, desirous of importing their shares in cash, IDA Credit or untied loan or credit belong to the same nominated bank including all the branches of the same as outlined above except that different branches of the same banks, the procedure for import on joint basis will be the same bank will forward the complete sets of documents outlined above such as L/C Authorization Form, declaration, etc. after recording the required certificate on the body of L/C Authorization Forms to the branch of the same bank which is the nominated bank of the group leader. The nominated bank of the group leader will process the L/C Authorization Forms in the same manner as outlined above.
- (viii) In the case of barter, STA and tied loan or Credit, eligible commercial importers desirous of importing on joint basis, will submit the L/C Authorization Forms to their nominated banks in the prescribed manner but need not submit application for opening of letter of credit. The nominated bank, on being satisfied that the L/C

Authorization Form is in order, will forward all the copies of the same to the nominated bank of the group leader after making necessary entries in the importer's Pass Book or on the Import Registration Certificate in the absence of Pass Book. On being satisfied that the L/C Authorization Form of the group leader and that of group members are in order and after the completion of all formalities of import on joint basis, nominated bank of the group leader will transmit complete set of the L/C Authorization Forms of each member of the group including that of the group leader, to the designated bank along with the application form for opening of Letter of Credit to be submitted by the group leader for the total amount covered by individual L/C Authorization Forms. The designated bank will open Letter of Credit and endorse two copies each of the L/C Authorization Form to the concerned licensing office.

3. Procedure in case of formation of group for import on joint basis after registration of L/C Authorization Form :

- (i) In case of formation of group for import on joint basis after registration of L/C Authorization Form, an importer will submit to his nominated bank the L/C Authorization Form in usual manner along with an intimation to his bank in writing or a declaration that he desires to form group after the registration of LCA Form. The importer's nominated bank after being satisfied that the L/C Authorization Forms are complete and correct in all respects, will forward it to the concerned registration unit of the Bangladesh Bank along with the declaration. On receipt back of the L/C Authorization Form duly registered from the registration unit of Bangladesh Bank, the nominated bank of the importer shall at once inform the importer to form a group or groups immediately.
- (ii) The importer while forming a group, shall be required to submit a declaration to their bank exactly in the same terms as laid down under para. 2(i) of this Annex. Signature of the importer will also be verified by the authorized officer of the nominated bank with date. The said bank will forward all these papers, i.e., L/C Authorization Form and declaration to the nominated bank of the group leader with certificate as laid down in para 2(ii) of this Annex.
- (iii) The group leader shall also submit L/C Authorization Form and L/C Application Form with a declaration as mentioned in para 2(iii) of this Annex. The signature of the group leader will be verified by the authorized officer of his bank with date and will endorse required certificate on the body of L/C Authorization Form mentioned in para 2(iv).
- (iv) The group leader's bank will then keep two complete sets of L/C Authorization Forms, declarations of all group members and certificates issued by the different banks of the group members with complete set of L/C Authorization Form including declaration and certificate issued in respect of group leader for opening of L/C and forward other 2 (two) copies of L/C Authorization Forms along with complete set of papers (declarations and certificates) to the concerned licensing authority for post checking. If group members belong to different licensing jurisdictions complete set of papers shall be submitted to the concerned licensing offices of the group members for post checking.

- (v) Where the eligible commercial importers, desirous of importing their share on joint basis, are located within the jurisdiction of the same licensing authority and have the same nominated bank including all the branches of the banks within the jurisdiction of the same licensing office, the procedure for import on joint basis will be the same as outlined above except that the different branches of the same will forward the complete set of documents outlined above to the branch or the same bank which is the nominated bank of the group leader. The nominated bank of the group leader will process the L/C Authorization Forms in the same manner as outlined above.
- (vi) In case of import on joint basis under barter, STA and tied loan or credit, the procedure as mentioned above in para 2(viii) shall be followed.

4. In both cases of the formation of group, as soon as L/C is opened and transmitted to the foreign supplier, the nominated bank of the group leader will endorse the Pass Book of the group leader or IRC as the case may be and advise the concerned licensing authority or authorities and the respective banks of the members of the group about the particulars of the L/C with individual share of each member of the group.

5. **Group by industrial importers.**—In case of import by industrial units on joint basis, they should nominate a group leader and request their nominated bank to forward their LCAs along with other relevant papers and Pass Book to the nominated bank of the group leader for opening of L/C in accordance with the procedure outlined under paras 2 and 3 of this Annex. The group leader's nominated bank after verification of the Pass Books and LCA Forms shall open Letter of Credit on joint basis and endorse the LCA Forms and Pass books accordingly.

6. Importers submitting L/C Authorization Form for opening of L/C or effecting import on joint basis in violation of the provisions of the Import Policy Order, 1986-87 or of this Annex shall be liable to action as per provision of this Order.

By order of the President

A. H. M. SHAHJAHAN,
