CHAPTER IV

GENERAL PROVISIONS

10. **Advances to employees.**—(1) Advances to an officer or employee may be made on such terms and conditions as may be specified by the Board.

(2) Such Advances shall be sanctioned by such authority as may be specified by the Board:

Provided that until an authority is so specified, the advances to an Executive Director, Chief Officer, Director of Accounts or any other officer of equivalent rank shall be made by the Governor, and to any other officer or employee by a Deputy Governor, Executive Director or any other officer authorised by the Governor in this behalf.

11. **Delegation of powers by Governor.**—The Governor may authorise any officer to exercise all or any of his powers in relation to matters pertaining to the department or office in which he is employed, subject to such conditions and limitations as he may specify.

12. **Manner and form in which contract binding on the Bank may be executed.**—Contracts on behalf of the Bank may be made as follows:

(a) any contract which, if made between private persons, would by law be required to be in writing and signed by the parties to be charged therewith, may be made on behalf of the Bank in writing and signed by any person acting under its authority and may in the same manner be varied or discharged;

(b) any contract which, if made between private persons, would by law be valid although not reduced to writing may be made by parole on behalf of the Bank by any person acting under its authority and may in the same manner be varied or discharged.

13. **Accounts, receipts and documents of Bank by whom to be signed.**—The Governor, Deputy Governors, Executive Directors, and such other officers as the Board or, in the event of its non-existence, the Governor may, by

notification in the official Gazette, authorise in this behalf, for and on behalf of the Bank, endorse and transfer promissory notes, stock-receipts, stock-debentures, shares, securities and documents of title to goods, standing in the name of or held by the Bank, and draw, accept and endorse bills of exchange and other instruments in the current and authorised business of the Bank and sign all other accounts, receipts, documents and letters connected with such business.

14. **Plaints, etc., by whom to be signed.**—Plaints, written statements, affidavits and all other documents connected with legal proceedings may be signed and verified on behalf of the Bank by any officer mentioned in regulation 13 or by any other officer authorised by the Board in this behalf.

15. **Common Seal of the Bank.**—There shall be an embossing seal known as the common seal of the Bank which shall bear the fac-simile of the monogram of the Bank. The common seal of the Bank shall not be affixed to any instrument except in the presence of three Directors, including the Governor or a Deputy Governor, who shall sign their name on the instrument in token of their presence, and such signing shall be independent of the signing of any person who may sign the instrument as witness. Unless so signed such instrument shall not be valid.

16. **Service of Notice on Bank.**—A notice may be served on the Bank by leaving it at, or sending it by post to, the Head Office of the Bank.

17. **Annual Statement of Accounts.**—The Board or, in the event of its non-existence, the Governor shall cause the books of the bank to be balanced on the last working day of the month of June in each year and the annual accounts shall be set out as follows:

- (a) a balance sheet in the form prescribed by the Government;
- (b) a profit and loss account for the year in the form set out in Schedule II to these regulations.

18. **Valuation of Investments.**—(1) The investment of the Banking Department of the Bank in securities shall be divided into two accounts—"Bank's Investments Permanent Account" and "Bank's Investments Floating Account". The Bank's Investments Permanent Account shall not exceed Taka Ten crore. The valuation of the securities forming the Bank's Investments Permanent Account shall be made on the principle of fixity of valuation, being such a valuation as the Board or, in the event of its non-existence, the Governor may consider represent the fair normal value of the securities, judged by previous prices, the large amount involved and the positions and prospects of the market, but no revaluation, with a view to appropriation of profits, shall take place until some market difference of value between the rates of valuation and the market rates arises under circumstances of such duration or of such nature as will warrant a belief in the permanency of the difference. The securities forming the Bank's Investments Floating Account shall be the securities held in the Banking Department of the Bank in excess of the amount held in the Bank's Investments Permanent Account and shall be valued yearly at rates not exceeding the market rates on the last working day of the month of June each year.

(2) The market rate for the time being obtaining shall be that advised by the Bank's Brokers, Foreign Central Banks or financial institutions as that obtaining on the valuation day.

(3) In valuing treasury bills of the Government of the People's Republic of Bangladesh or any other Government or bills of exchange the purchase price shall be taken to be the market price.

(4) For the purpose of converting the market prices of Foreign Currency Securities into Taka—

- (a) for Securities in currency with which the Taka is pegged, the rate applicable shall be the rate at which the Taka remains pegged to that currency;
- (b) for Securities in currencies other than that with which the Taka is pegged, the rate applicable shall be the cross rate based on the market quotation of the currency in terms of the currency with which the Taka is pegged.

(5) To avoid incessant petty adjustments between the accounts of the Issue and Banking Departments negligible fluctuations in the market price of a security occurring in the interim period between the valuations effected on the last working day of the month of June in each year shall be disregarded.

Explanation—'Negligible fluctuations' means fluctuation which involve a variation of less than 2 per cent from the market price obtaining at the last annual valuation or the price at which the security was purchased.

(6) The items in the Account prescribed by the Government under Article 40 of the Order shall be valued to the nearest thousand taka.

19. Remuneration of Directors.—(2) All Directors nominated under clause (3)(c) of Article 9 of the Order shall receive a fee of Taka one hundred for attending each meeting of the Board or of the Committee in addition to travelling expenses, if any.

(2) The Directors shall be paid travelling allowances and diem allowances for attending meetings of the Board and its Committee on the scales specified below:

Provided that the Directors shall also be entitled to the travelling allowances and diem allowances at the same scales if deputed by the Board to visit any place for the Bank's business or to serve on any Committee:

Scales

- (i) One first class rail or steamer fare or air passage for each journey;
- (ii) Road mileage at the rate of Taka one per mile or any part thereof of the journey performed by road;

Provided that travelling allowance for journeys undertaken by road between places connected also by rail or steamer will be admissible on the basis which is more economical to the Bank;

(iii) Diem allowance of Taka 100 (one hundred only) for the actual days of journey and days of meeting attended and a maximum of two days halt, if actually made out of the station of residence.

(3) The allowance for journey and halt outside Bangladesh shall be determined by the Government.

(4) The travelling allowances are admissible on the basis of a journey by the shortest route, but where the journey is performed by a route which is not the shortest but is cheaper than the shortest the travelling allowances will be paid according to the route actually used:

Provided that the Government officials nominated under clause (3)(d) of Article 9 of the Order shall be paid travelling allowances and diem allowances according to the Government rules applicable to them.

(5) The travelling allowances shall ordinarily be admissible from the station of residence to the station of meeting and back, but where the journey undertaken from a place other than the station of residence is more economical to the Bank, the travelling allowances will be paid on the basis of the journey actually performed.

20. **Repeal.**—The State Bank General Regulations, continued in force by virtue of clause (2) of Article 84 of the Order, are hereby *repealed*.
