An importer will submit to their nominated bank L/C Authorisation Forms in the usual manner and in addition to the particulars mentioned in the L/C Authorisation Forms, they will be required to submit a declaration to the effect that (a) particulars given by the importer in his L/C Authorisation Form are correct and complete to the best of his knowledge, and that (b) he had not applied, in any manner, to import his share for the current shipping period individually and agrees to effect import of the same on the joint basis under the Group Leader of M/s.
(Name and address of the Group Leader).

and that (c) he undertakes not to make in any manner any claim whatsoever from the licensing authority in any matter arising out of default or dispute with the Group Leader or members of the Group. Signature of the importer will be verified by the authorised officer of the nominated bank with date.

3. The importer's nominated bank, after being satisfied that the L/C Authorisation Forms, the declaration given by the importer and other relevant informations are complete and correct, will forward all these papers to the nominated bank of the Group Leader and will certify on the body of L/C Authorisation Form as under:

"We have no objection to allow the abovementioned Group under the Group Leader of M/s. This importer is eligible to import..... for Tk. We have endorsed their Pass Book.

Seal and signature of the authorised officer of the importer's bank with date."

In this respect it is clarified that in such cases individual importer will not submit any Application Form to open L/C to his nominated bank and it is not necessary for the importer's bank to forward the importer's pass book or the IRC in the absence of the pass book, to the nominated bank of the Group Leader, Importer's bank will only make appropriate endorsement in the pass book or in the IRC in the absence of the pass book.

4. The Group Leader will submit L/C Authorisation Form and Application for opening L/C to his nominated bank and in addition to the particulars mentioned in the L/C Authorisation Form, he will submit a declaration to the

7. No prior clearance of the licensing authority will be required for the purpose of registration of the L/C Authorisation form by the registration unit of the Bangladesh Bank or for the purpose of opening letter of credit by the nominated bank of the group leader. However, immediately after the registration of the L/C Authorisation Form, the registration unit of the Bangladesh Bank will forward to the licensing authority concerned, two copies of the complete set of L/C Authorisation forms along with the complete set of declaration of the importers and the certificate of the group leader's bank.

8. As soon as the letter of credit is opened, the nominated bank of the group leader will endorse the pass book of the group leader or Import Registration Certificate in the absence of pass book and advise the licensing authority concerned and the respective banks of the members of the group of the particulars of the letter of credit.

In the case of barter, STA and tied loan or credit, eligible commercial importers, desirous of importing on joint basis, will submit the L/C Authorisation Forms to their nominated banks in the prescribed manner but need not submit application for opening of Letter of Credit. The nominated bank, on being satisfied that the L/C Authorisation Form is in order, will forward all the copies of the same to the nominated bank of the group leader after making necessary entries in the importer's pass books or on the IRC in the absence of pass book. On being satisfied that the L/C Authorisation Form of the group leader and such group members for whom also the nominated bank are in order and after the completion of all formalities of import on joint basis, nominated bank of the group leader will transmit complete set of the L/C Authorisation Form of each member of the group including that of the group leader, to the designated bank along with the application form for opening of Letter of Credit, of the group leader for the total amount covered by individual L/C Authorisation Form.
