CHAPTER III

IMPORT PROCEDURE

6. **Source of Finance.**—Import may be allowed against—

- (i) cash;
- (ii) aid, loan, grant, credits;
- (iii) barter, special trading arrangements (STA);
- (iv) foreign exchange earnings of Bangladesh nationals abroad under Wage Earner Scheme; and
- (v) import entitlement certificates for issue of licence under export performance licensing (XPL) system.

7. **Restrictions Regarding Source of Import.**— No import of goods shall be permissible from South Africa and Israel or goods originating from these countries or which may be shipped from any other country on the flag vessels of these countries. No import of goods shall be permissible on the flag vessels of Taiwan.

8. **Import at Competitive Rates and Pre-shipment Inspection.**—(1) Import shall be made at the most competitive rates and the importers may be required at any time to submit documents concerning the price paid or to be paid by them.

(2) Unless otherwise specified, pre-shipment inspection of imported goods shall not be required by the private sector importers.

9. **Import on c & f basis.**—Import shall be allowed on cost and freight (c & f) basis. Import on free on board (f.o.b) basis may also be allowed subject to clearance by the Bangladesh Bank. Import shall be allowed by sea, air or land routes.

10. **Import Licence and Import Permit.**—(1) Import licences shall be issued to industrial consumers for import of raw and packing materials and spares, capital machinery and for import under Export Performance Licensing Scheme through Import Entitlement Certificate (hereinafter referred to as XPL) and, in any other cases, where *ad hoc* licences may be issued in accordance with the instruction of the Government.

(2) L/C Authorisation Forms shall be required for import of commercial items;

(3) Import permits shall be issued when imports are made of items mentioned in List III, Passengers' Non-tourist Baggage Rules and samples.

11. **Import Against Letter of Credit.**—Import shall be permissible only against opening of irrevocable letter of credit unless otherwise specified. Import without opening of letter of credit shall be permissible in the following cases.—

- (a) import of books, journals, magazines and periodicals on sight draft or usance bill;

- (b) a commercial importer of drugs and medicines (allopathic) may, for meeting urgent requirements, be allowed to import drugs and medicines (allopathic) for a total value not exceeding Taka 1000·00 (Taka one thousand) on sight draft basis within overall value of letter of credit. An importer importing drugs and medicines (allopathic) by air shall not be entitled to raise maximum retail price due to increased air freight.

12. Import on Joint Basis.—Commercial importers as well as industrial consumers shall be allowed to import on joint basis by forming group or groups for import of a particular item. Such importers may form group either before or after the registration of their L/C Authorisation Form or import licence with the Bangladesh Bank in accordance with the procedure given in Annex 32 :

Provided that the members of a group are within the jurisdiction of the same licensing office subject however that the importers of Rajshahi Division and Khulna Division may form group among themselves irrespective of the jurisdiction of their licensing offices:

Provided further that the industrial consumers shall not be eligible to form group with commercial importers.

13. Opening of Letter of Credit Against Indent and Pro-Forma Invoice.—Letters of credit shall be processed by the concerned bank against an indent issued by a registered indenter having valid Indenting Registration Certificate. Letters of credit may also be processed by the concerned bank against a pro-forma invoice issued by the foreign supplier without any prior permission of the Chief Controller if the c & f value of the consignment against a particular contract or invoice does not exceed Taka 10·00 lakh (Taka ten lakh). In case the c & f value of the consignment is more than Taka 10·00 lakh prior permission from the Chief Controller shall be required in the prescribed application form at Annex 17.

14. Description of Item and Import Trade Control Classification.—(1) Import of only such goods shall be permissible as are covered by the relevant description in this order. A licence issued or a letter of credit opened for any generic item shall not be valid for any specific item which has not been mentioned in this Order.

(2) Licence shall issue or letter of credit shall be opened for goods under the description as well as under the corresponding Import Trade Control Classification number as shown against each item in this Order and subject to the specific conditions, if any. Import of goods exclusively on the basis of Import Trade Control Classification number as given in this Order shall not be permissible unless it conforms to the generic description of the goods given in this Order and *vice versa*.

Note.—The Import Trade Control Classification number along with the sub-heading number, if any, are mentioned in the Import Trade Control Schedule published in the Extraordinary Gazette of Bangladesh by the Ministry of Commerce *vide* No. S.R.O. 134-L/79, dated the 18th May, 1979.

15. Validity of Licence and L/C Authorisation Forms.—(1) For the purpose of import under cash and XPL the validity of licence and L/C Authorisation Form for the purpose of shipment shall be as follows:—

- (i) 6 (six) months from the date of registration of L/C Authorisation Form for commercial import;

- (ii) 9 (nine) months from the date of registration of licence or L/C Authorisation Form for import of raw and packing materials by the industrial consumers;
- (iii) 12 (twelve) months from the date of registration of the licence for import of capital machinery and spares.

(2) Requests for revalidation of Licence or L/C Authorisation Form shall not be considered as a matter of routine but the nominated bank of the importers may revalidate licence or L/C Authorisation Form only in exceptional cases mentioned below:—

(a) Revalidation of licence or L/C Authorisation Form may be allowed by the banks provided the goods could not be shipped within the initial validity of letter of credit mentioned in sub-paragraph (1) due to circumstances beyond the control of the foreign suppliers, namely:—

- (i) labour or dock strike at the country of export;
- (ii) non-availability of shipping space for the port of Chittagong or Chalna, as the case may be;
- (iii) mechanical breakdown in the factory of the foreign suppliers or exporter;
- (iv) delay in manufacture of goods due to production schedule of the manufacturer in the country of export.

(b) The nominated banks may, on fulfilment of the conditions mentioned at clause (a) and on production of the documentary evidence by the importer revalidate the licence or L/C Authorisation Form, as the case may be, for the maximum period mentioned below:—

- (i) 3 (three) months for the commercial import;
- (ii) 2 (two) months for the import of raw and packing materials by the industrial importers; and
- (iii) 5 (five) months for the import of capital machinery and spares.

(c) all cases which will require revalidation of licences or L/C Authorisation Forms for more than the period mentioned at clause (b), shall be forwarded to the concerned licensing authority. Licensing authority may allow further revalidation on the merit of each case up to a maximum period of 12 (twelve) months for commercial items and 18 (eighteen) months for industrial raw and packing materials subject to adjustment from the importers, future shares and up to 24 (twenty-four) months for machinery and spares without any adjustment from future share. No further revalidation shall be allowed beyond the periods mentioned above.

(3) For the purpose of import under aid, loan, barter and STA, validity for the purpose of opening of letter of credit and shipment shall be notified from time to time.

(4) For the purpose of import under Wage Earner Scheme the banks are authorised to extend the validity of letters of credit opened under Wage Earner Scheme on the request of the importers, provided that no restriction has been imposed on the import of the item or items. In case the goods are notified to be banned or restricted after opening of letter of credit, the banks shall not extend the validity of the letter of credit.

(5) Irrespective of the mode of financing the imports, no extension of the date of shipment in any letter of credit or amendment of letter of credit for enhancement of value or quantity of goods shall be allowed by the nominated banks or by any licensing authority after the item or items in the said letter of credit has been notified to be banned or restricted by the Government or by the Chief Controller.

16. Claim for Licence in Cases Accepted in Review, Appeal and Revision.—No claim for import shall be entertained in cases accepted under Review, Appeal and Revision Order, 1977, if the item is no longer permissible for import. Import Authorisation in such cases may be issued in accordance with the Import Policy Order in force at the time of issue of authorisation.

17. Contravention Import.—(1) Import or shipment shall not be effected before obtaining licence and opening of letter of credit or after the expiry of the validity of the licence or letter of credit.

(2) Licence or L/C Authorisation Form obtained on the basis of the false or incorrect particulars furnished by the importer shall be treated as cancelled and void *ab initio*.

(3) Goods imported in violation of any provision of this Order or any Public Notice issued by the Licensing Authority in pursuance of this Order shall be treated to have been imported in contravention of the provisions of the Act.

(4) Any import licence or permit issued by any licensing office or letter of credit opened by any bank for any item which is not covered by this Order or which is specifically banned shall be treated as invalid.

(5) Importers requiring release instruction from the office of the Chief Controller for release of their imported goods from the customs shall apply to the Chief Controller along with a written objection of the customs or with the detention memo showing the ground for detention of the consignment.

18. Import of Goods without Cover of Licence or Permit.—Cases of exemption where imports shall be allowed without the cover of import licence and permit have been mentioned in Schedule I of the I.T.C. Schedule (Import Commodity List) published by the Ministry of Commerce under No. SRO 134-L/79, dated the 18th May, 1979. A list of the same is reproduced at Annex 18.

19. Compulsory Membership of Chamber of Commerce and Recognised Trade Association.—(1) All persons, firms, companies, and concerns engaged in the import trade and indenting trade in the private sector shall be members of the registered Chambers of Commerce and Industry of the area concerned or of a registered Association of the Trade and Industry duly recognised under the Trade Organisation Ordinance, 1961 (Ord. XLV of 1961), and organised to represent amongst others the aforesaid trade.

(2) (a) Commercial importers or industrial consumers or indentors shall obtain membership certificate from the respective Chamber of Commerce and Industry of his area or from the recognised Trade Association or Specialised Trade Association established on all Bangladesh basis. The Town Association which are registered under the Trade Organisation Ordinance, 1961 (Ord. XLV of 1961) may issue membership certificate to the importers within their territorial jurisdiction as mentioned in the licence granted by the Government. Town Associations shall not issue any membership certificate to any importer outside the territorial jurisdiction as mentioned in their licence or in their registered Memorandum and Articles of Association.

(b) As for the Specialised Trade Associations established on all Bangladesh basis, they shall issue membership certificate only for the item or items for which they have been established and licensed.

(3) Commercial importers and industrial consumers shall, while submitting L/C Authorisation Form and licence form to their nominated bank and to their respective licensing authority, produce a valid membership certificate from the trade organisation mentioned in sub-paragraph (2). Indentors shall submit such membership certificate at the time of renewal of their Indenting Registration Certificate.

20. **Payment of Licence and Permit Fee.**—Received treasury chalans in original showing payment of fees in accordance with the Licence and Permit Fees Order, 1958, shall be submitted by the importers to the scheduled banks at the time of retirement of documents. Banks shall not handover the documents to the importers unless they have verified the payment of licence and permit fees under the Licence and Permit Fees Order, 1958. Such licence and permit fees shall not be payable in the following cases:—

- (a) in case of import of petroleum oil, lubricants, raw cotton, staple fibre, wool top, clinker and rock phosphate imported by Corporation set up or established by or under any law;
- (b) capital machinery and spares imported by industrial consumers for less developed areas as defined in the new industrial policy, 1982 and by such export oriented industries as may be determined by the Government; and
- (c) in any other cases, where specific exemption from payment of fees have been given by the Government.

21. **Registration and Renewal Fees.**—Commercial importers and industrial consumers shall pay the registration renewal fees at the rate specified in the Importers, Exporters and Indentors (Registration) Order, 1981.

CHAPTER IV

IMPORT BY COMMERCIAL IMPORTERS

22. **Permissible Items of Commercial Import**—Permissible items of commercial import during 1982-83 have been indicated in List I. Commercial importers having valid Import Registration Certificate and who also fulfil the condition of eligibility mentioned in this Chapter shall be eligible to open letter of credit for any one of the items in List I as recorded in their pass book or in the Import Registration Certificate, as the case may be. Eligible commercial importers shall import permissible item on submission of L/C Authorisation Form and L/C Application Form to their respective nominated bank without obtaining any import licence.

23. **Group of Items in List I**.—Some of the items in List I have been grouped together as shown below:—

- (i) sub-items (i) and (ii) of the item at serial No. 1,
- (ii) sub-items (i) to (iii) of the item at serial No. 2,
- (iii) sub-items (i) and (ii) of the item at serial No. 6,
- (iv) sub-items (i) to (iv) of the item at serial No. 11,
- (v) sub-items (i) to (iii) of the item at serial No. 13,

Any commercial importer having one item in a particular group as recorded in his Pass Book or Import Registration Certificate shall be eligible to import any other item in the same group in lieu of his own item, if he so desires.

24. **Non-Utilisation of Past Share**.—For importing the permissible commercial items during 1982-83, the commercial importers shall not be required to produce proof of utilisation of their previous share. But those commercial importers, whose Import Registration Certificates have already been cancelled or are liable to be cancelled due to non-utilisation of their previous shares in terms of the relevant provisions of the Import Policy Orders, shall no longer be eligible to operate as commercial importers during 1982-83.

25. **Documents Required to be Submitted to the Bank**.—The nominated bank shall accept L/C Authorisation Form if it is complete and in order. The documents which are required to be submitted to the nominated bank by the commercial importer are as follows:—

- (i) L/C Authorisation Form duly filled in and signed by the importers;
- (ii) L/C Application Form duly signed by the importer;
- (iii) valid membership certificate from the concerned Chamber of Commerce and Industry or from the concerned registered Trade Association as mentioned in paragraph 19;
- (iv) indent for the goods issued by an indenter having valid Indenting Registration Certificate or a proforma invoice issued by the foreign suppliers. In case of Proforma Invoice the provisions of paragraph 13 shall be observed before opening of letter of credit;

- (v) proof showing payment of registration renewal fees of Import Registration for the year 1982 or 1983, as the case may be;
- (vi) insurance cover note; and
- (vii) in case of importers of drugs and medicines (allopathic), drug licence as mentioned in paragraph 27.

26. Registration of L/C Authorisation Form and Opening of Letter of Credit.—(1) In case of import under cash, IDA (International Development Agency) Credit and OECF (Overseas Economic Cooperation Fund) Loan, the nominated bank shall forward the L/C Authorisation Form and L/C Application Form along with the documents mentioned in paragraph 25, to the concerned registration unit of the Bangladesh Bank for registration of L/C Authorisation Form and endorse a copy to the concerned licensing authority.

(2) In case of import under other loan, credit or barter, the nominated bank after endorsing the particulars mentioned in the L/C Authorisation Form on the importers Pass Book, shall forward the L/C Authorisation Form to the concerned designated bank with the request to open letter of credit. The designated bank shall then open letter of credit and endorse two copies of the L/C Authorisation Form to the concerned licensing authority.

27.* Importation of Drugs and Medicines (Allopathic).—Import of drugs and medicines (allopathic) by the commercial importers shall be subject to the provisions of Annex 5. Commercial importers of drugs and medicines (allopathic) while submitting L/C Authorisation Forms to their nominated bank shall be required to produce a copy of valid drug licence duly attested by the Manager of their respective banks. If the drug licence has already been submitted to the Director, Drug Administration for renewal, acknowledgement of the receipts of the same from the Director, Drug Administration, shall have to be submitted along with the L/C Authorisation Form. Further, importers shall be required to forward one copy of the indent or proforma invoice on the basis of which letter of credit has been opened to the Director, Drugs Administration within fifteen days of the opening of letter of credit.

28. Import of Explosives, etc.—Import of explosives, calcium carbide, empty gas cylinder and gas-in-cylinder shall not be allowed except with the prior approval of the Chief Inspector of Explosives, Ministry of Industries and Commerce, Industries Division.

29. Basis for Commercial Import.—(1) The basis (annual share) for commercial importers are indicated against each item in List I. For items to be imported under cash, commercial importers may open letter of credit for 50% (fifty per cent) of share of the respective item in the first-half of 1982-83 and for the balance 50% (fifty per cent) in the second-half. For this purpose L/C Authorisation Form and L/C Application Form along with all the required documents shall be submitted to their nominated banks on or before the 27th December, 1982, in the first-half and 31st May, 1983, in the second-half of 1982-83.

(2) For import under aid loan, credit and barter, commercial importers shall submit licence or L/C Authorisation Form to their nominated bank along with the required documents or open letter of credit in accordance with the terms and conditions to be notified by the Chief Controller from time to time

30. **Change of Item.**—Commercial importers whose items (either in commercial list or in OGL List in the Import Policy Order, 1981-82) have either been shifted to List III (Wage Earner Scheme/Export Performance Licensing List) or have been dropped from the List-I during the current year shall have no claim for any alternative item. Those commercial importers who have valid Import Registration Certificate but have no live item shall also not be eligible to operate as commercial importer. They may, if they so desire, convert their Commercial Import Registration Certificate into Import Registration Certificate under Wage Earner Scheme without payment of fresh registration fees provided they have paid up to date registration renewal fees and their Import Registration Certificate has not been cancelled in the meantime.

31. **Import of Specific Items.**—Import licence for specific items may be issued on the recommendation of the concerned authorities as mentioned below:—

- (a) specific slow moving and other items of medicines on the recommendation of the Health Division;
- (b) veterinary medicines on the recommendation of the Fisheries and Livestock Division; and
- (c) pesticides as mentioned in Annex 30 on the recommendation of the Agriculture and Forest Division.

CHAPTER V

IMPORT BY INDUSTRIAL CONSUMERS

32. **General Conditions and Procedure.**—(1) Those industrial units which are recognised and sponsored by the approved sponsoring authorities of the Government shall be eligible to obtain import licence for their required raw and packing materials and for spares, unless otherwise specified. Import by industrial consumers shall be subject to issue of Import Licence by the licensing authority and not against L/C Authorisation Form as provided for the commercial importers. Import under Wage Earner Scheme or XPL shall be subject to the procedure as laid down elsewhere in this Order.

(2) The last date for submission of licence form and other terms and conditions for import under Commodity Aid, Barter and STA shall be notified by the Chief Controller from time to time. For import under cash, licence may be issued to the industrial consumers separately for the first and second half of the year 1982-83. Industries having annual entitlement of Taka one lac or less may be licensed at a time for their full annual share.

(3) Industrial consumers shall be allowed to import items of raw and packing materials as shown in their Pass Books and as shown against their respective sectors in List IV of this Order.

(4) Industrial units requiring any item of raw material not covered by the items for the industries concerned as mentioned in List IV and in the Pass Book of the industrial unit may be allowed to import such raw material item on the specific recommendation from its sponsoring authority and subject to prior permission from the Chief Controller provided the item is not banned. If it is necessary to allow the import of any banned item, the sponsoring authority shall obtain prior approval of the Government before sending recommendation to the Chief Controller. In case of such import, no post-facto recommendation shall be accepted from the sponsoring authority.

(5) Licence to the different sectors of industries shall be issued as per basis shown below, subject to availability of funds:—

- | | |
|---|---|
| (a) Pharmaceutical Industry (allopathic) | at 130% of their annual entitlement. |
| (b) All other Industries in Priority List I | at 100% of their annual import entitlement. |
| (c) Industries in Priority List II | .. at 50% of their annual import entitlement. |
| (d) Industries in Priority List III | .. shall import their requirements only under Wage Earners Scheme or XPL. |

The sector of industry failing under Priority List I, II and III are shown at Annex 1. The possible sources of procurement for different sectors are shown in Annex 2, but licences shall be issued as per notifications to be issued by the Chief Controller from time to time.

(6) Industrial licence shall be issued showing itemwise break-up of the value of licence as per criteria for Industrial Licensing for different sectors of industry published by the Department of Industries in 1978. Instead of itemwise break-up, licence may also issue with categorywise break-up, if some allied items have been grouped together and shown as such in the book on criteria for Industrial Licensing mentioned above or notified as such by the Department of Industries from time to time. However, for industrial consumers having annual import entitlement for Taka 1.00 lac (Taka one lac) or less, licence may issue for the permissible items without showing any itemwise break-up. In case where licence has been issued showing item or category-wise break-up, the importer shall be allowed to import up to 150% of the value indicated against a particular item or category by reducing the share of import of other items within the value of the licence, except for the items at Annex 12 and unless otherwise specified in this Order or notified by the Chief Controller.

(7) Industrial consumers of selected sectors may be required to submit statement of past production and payment of excise duty for which separate notification may be issued by the Chief Controller from time to time.

33. Conditions relating to Specific Sectors of Industry.—(1) After obtaining an industrial licence on fulfilment of required conditions, industrial consumers under Pharmaceutical Industry shall obtain approval from the Director, Drug Administration regarding the list of raw and packing materials required to be imported against the licence. Banks shall open letter of credit only for such items as are—(a) approved by the Director, Drug Administration, (b) covered by the description of permissible items as at Annex 7, (c) recorded in the Pass Book of the importer.

(2) Recognised units under Readymade Garments Industry operating under bonded warehouse system shall be permitted to import their raw and packing material on the basis of confirmed and irrevocable letter of credit for export of readymade garments against back-to-back letter of credit, subject to authorisation by the Bangladesh Bank. For this no prior permission from the Chief Controller shall be required.

(3) Recognised units under Specialised Textiles Industry operating under bonded warehouse system for processing of exports shall be issued import licence for import of raw and packing materials against confirmed and irrevocable (export) letter of credit on specific recommendation from the Department of Textiles. There shall be no count restriction on the import of cotton yarn by the specialised textile units under such licences.

(4) Cigarette industry shall be licensed for import of raw tobacco on the recommendation of the Tobacco Development Board which will work out the import requirement of tobacco for 1982-83 for different units under the cigarette industry and inform the Chief Controller. For other items of raw and packing materials, licence to cigarette industry shall issue as per their existing import entitlement and as per basis of licensing for the sector.

(5) Industrial consumers of paper Biri Manufacturing Industry may be given licence to import cigarette paper in sheets on the basis of certificate from the concerned Collector of Customs and Excise regarding consumption of tobacco during the period July, 1981 to June, 1982 and on the basis of the verification of their genuineness duly certified by them. The certificate in such cases shall

be signed by the concerned Collector of Customs and Excise. Units of paper, biri manufacturing industry shall be given licence separately for their share of the first half of 1982-83 during July—December, 1982 and for their share of the second half during January-June, 1983. Such industrial units shall submit their certificate from the Collector of Customs and Excise to the respective licensing authority for each half of their share. In case, licences for the first half is not obtained by any industrial unit for any reasons, its share shall not be carried over to the second half of 1982-83.

(6) Wire drawing industrial units without having re-rolling facility may import wire rod up to 50% of their annual entitlement for the item.

(7) Aluminium utensil industrial units without having re-rolling facility may import Aluminium Circle up to 50% of their annual entitlement for the item.

(8) Recognised hotels which have been carrying foreign exchange shall be allowed to import the following items once in five years against their own foreign exchange earnings and subject to prior permission from Chief Controller:—

- (a) Crockery ; and
- (b) Cutlery and hollow glassware.

For obtaining permission, recognised hotels shall submit (a) specific recommendation from sponsoring authority; (b) up to date foreign exchange earning certificate to the licensing authority duly attested by the Bangladesh Bank; and (c) particulars of these items imported, if any during the past five years.

(9) Umbrella industry shall be licensed for umbrella cloth at Taka 10,000.00 (Taka ten thousand) only per machine. Source of procurement shall be announced later on. No specific recommendation of sponsoring authority shall be required in the case of import of umbrella cloth of the following specification:

CHAPTER VI

IMPORT UNDER WAGE EARNER SCHEME

35. **Items Importable under Wage Earner Scheme.**—Importers under Wage Earner Scheme shall be allowed to import the items as indicated below:—

- (a) All items in List I except drugs and medicines (allopathic) and spares for engines, power tillers, tractors and low lift pumps;
- (b) All items in List II except arms and ammunition, M.S. Billets and C.I. sheets;
- (c) All items in List III subject to the conditions mentioned in column 4 thereof; and
- (d) All industrial raw materials and packing materials as in List IV subject to the conditions mentioned in column 4 thereof:

Provided that prior permission of the Chief Controller shall be required in case of import of boilers, raw materials for pharmaceutical industry, lac, shellac, ammonia gas, M.S. Plates, G.P. Sheet up to 24 BWG, nailwire, hops and malt and any other item mentioned in this Order or to be notified by the Chief Controller.

36. **Eligibility of Import.**—Any Bangladeshi natural or institution may import permissible items under this scheme after obtaining Import Registration Certificate as Importer under Wage Earner Scheme unless otherwise specified.

37. **Registration of Importers under Wage Earner Scheme.**—(1) Importers intending to import goods under Wage Earner Scheme are required to obtain Import Registration Certificate from the respective licensing authority on the production of the following documents, namely:—

- (a) original copies of two separate treasury chalan showing payment of Taka 400.00 and Taka 6.00 as fees for Import Registration Certificate and for Pass Book, respectively, under the head "XLVI—Misc. fees realised under Imports and Exports (Control) Act, 1950";
- (b) trade licence from the Municipal Corporation or Municipality or from the Chairman, Union Parishad, where there is no Municipality or Municipal Corporation; and
- (c) nationality certificate from any Magistrate of the first Class, Class I Government Officer or from any Gazetted Officer in which case the certificate shall have to be countersigned by a Magistrate of the first Class or a Class I Government Officer:

Provided that the condition for registration and submission of the required documents mentioned in this paragraph shall not be applicable in the case of import of capital machinery under Wage Earner Scheme for the purpose of setting up industry by newly sanctioned industrial units, where recommendation from the concerned sponsoring authority shall be submitted to the licensing authority for issue of permit with endorsement of exemption from registration.

(2) Registered commercial importers having only Import Registration Certificate but no item or no live item endorsed in those Registration Certificate or in their Pass Books may convert Import Registration Certificate into the Import Registration Certificate under Wage Earner Scheme provided they have paid upto date registration renewal fees.

Note—Goods may be consigned in the name of the Bagladeshi nationals or foreign nationals of Bangladesh origin provided that they were *bona fide* residents of Bangladesh before they had left the country.

38. Import By Foreign Industrial Firms.—Foreign industrial firms engaged in manufacture in Bangladesh and recognised by the sponsoring authority and holding valid Import Registration Certificate may operate under Wage Earner Scheme for import of industrial raw and packing materials for use in their own industry. They may also import machinery and spares for balancing, modernisation and replacement and equipments for quality control on recommendation from the Department of Industry.

39. Import by Foreign Commercial Firms.—Foreign commercial firms registered in Bangladesh may be allowed to import permissible items under Wage Earner Scheme subject to prior permission from the Chief Controller on production of the following documents, namely:—

- (a) photo copy of the valid Import Registration Certificate (Commercial);
- (b) original invoice, bill of lading and import permit showing the import of items under Wage Earner Scheme between July, 1980 to June, 1982 shipping period;
- (c) original or photo copy of GIR Certificate from Income-tax authority indicating that they are regular income-tax assessee;
- (d) certified copy of the last income-tax assessment order; and
- (e) name of item or items they desire to import under Wage Earner Scheme during 1982-83 indicating quantity and approximate value against each item.

40. Import by Government Servants and others.—The Government servants and employees of the bodies corporate set up by or under any law for the time being in force are allowed to import items mentioned in List III for their *bona fide* personal use after obtaining prior permission from the Chief Controller. For applying for such permission, the applicants are required to produce recommendation and certificate from the head of their Department or organisation to the effect that the item to be imported is for the use of the applicant and not for sale.

41. Import by actual users.—Individuals or institutions which are not registered importers may import permissible items of limited quantity under Wage earner Scheme for their own use with exemption from import registration subject to prior permission from Chief Controller.

42. Import on Deferred Payment Basis.—The facility of import under deferred payment under Wage Earner Scheme shall extend to (a) all items mentioned in List I, (b) all items in List III, and (c) industrial raw and

packing materials and spares without any prior clearance from the licensing authority. The Bangladesh Bank shall issue appropriate instructions to scheduled banks for opening letters of credit on deferred payment basis.

43. **Application of General Restriction.**—Restrictions as mentioned against any item in this order shall also apply in case of import under Wage Earner Scheme. All goods imported under Wage Earner Scheme shall not be sold, transferred or otherwise disposed of in any way if the importer has obtained any concession in duty or tax on such imported goods on account of their being an industrial importer. Goods cleared with such concessionary duty or tax must be utilised in the industry in the name of which these have been imported. This restriction shall not apply if the goods have been cleared with normal duty and taxes applicable to a commercial importer.

44. **Procedure of Import.**—(1) Import under Wage Earner Scheme against 'Direct Payment Abroad' System shall not be permissible. However, import of the following items only may be allowed under "Documents against Payment" System :—

- | | | | |
|-----------------|-----|----|--|
| (a) Pulses; | ... | .. | (See item No. 79 of List III) |

| (d) Salt ; and | ... | .. | See item No.....of List III) |
| (e) Milk Food. | .. | .. | See item No. 9 of List I) |

All other items shall be imported under Wage Earner Scheme only by opening of letter of credit.

(2) After shipment of goods, the application for import permit shall be submitted to the concerned licensing authority alongwith the following documents, namely :—

- (a) Invoice ;
- (b) copy of letter of credit duly attested by the Manager of the nominated bank ;
- (c) bill of lading, air consignment note, foreign postal receipt or truck receipt ; and
- (d) original copy of receipted treasury chalan showing payment of import permit fee in accordance with the Licence and Permit Fees Order, 1958.

CHAPTER VII

IMPORT FACILITIES FOR EXPORTERS AND EXPORT
PERFORMANCE LICENSING (XPL).

45. **Export Performance Licensing System.**—(1) All registered exporters, both commercial and industrial, may be issued with import licence on their actual export performance in accordance with the terms and conditions mentioned in this chapter. Import entitlement to the exporter shall be issued by the Bangladesh Bank in the form of Import Entitlement Certificate on the basis of proceeds realisation certificate or negotiation certificate and other shipping documents submitted to the Bangladesh Bank by the nominated bank of the exporters and such certificate shall be issued in Pound Sterling or in U.S. Dollar, as the exporter may desire. These certificates shall be freely transferable simply by endorsement at the back of Import Entitlement Certificate initially by the exporter duly attested by their banker and subsequently by the holder of Import Entitlement Certificate with his signature duly attested by his banker and there would not be any restriction on the number of times the certificate could be transferred. The final buyer or the transferee would be entitled to apply for import licence provided he is registered as commercial importer or industrial consumer or importer under Wage Earner Scheme and would be entitled to obtain import licence for item or items which are permissible for import under Wage Earner Scheme and Export Performance Licensing System. If a registered exporter wants to import using the Import Entitlement Certificate against his own exports, he will be allowed to obtain licence for such import even if he is not registered as an importer. Import licence issued under this system shall not be transferable.

Note—Import licence against the Import Entitlement Certificate shall be issued in the same currency as in the Import Entitlement Certificate and value in Taka shall be indicated within bracket side by side with the value mentioned in Pound Sterling or U.S. Dollar.

(2) All items which are eligible for import under Wage Earner Scheme are also eligible for import under Export Performance Licensing System. Restriction on sale of goods as mentioned in paragraph 43 shall also apply in case of imports under XPL System.

46. **Items Eligible for Export Performance Licensing and Rates thereof.**—The list of items eligible for export performance licensing and their rates of entitlement at the rate of 80%, 60% and 40% are mentioned in Annex 10. These rates of import entitlement against export performance shall apply to the contracts concluded with the foreign importer on or after the publication of this order.

47. **Documents Required for Export Performance Licensing.**—Application for issue of import licence under the export performance licensing system shall be submitted to the respective licensing authority along with Import Entitlement Certificate duly endorsed by the last transferor. Import Entitlement Certificate must be submitted to the licensing counter within the validity period of these certificates.

48. **Validity for Export Performance Licence.**—All licences under export performance licensing system shall be issued under cash having the same validity as other cash licences. Separate licence shall be issued for commercial items, industrial raw and packing materials and for machinery and spares.

49. **Additional Facility for Exporter.**—Additional licence to the extent of 50% (fifty per cent) of the original share may be allowed to the export oriented industrial units only on the basis of their export performance. Such applications along with the documentary evidence of the export and the recommendation of the concerned sponsoring authority shall be submitted to the Chief Controller.

50. **Special Licence.**—Special licence for appropriate amounts may be issued to the registered exporters of handicrafts, leather products, specialised textile and readymade garments for the import of craftsman tools, equipments and spares thereof, design books and design samples and raw materials for producing samples on the recommendation of the Export Promotion Bureau.

CHAPTER VIII

IMPORT BY PUBLIC SECTOR AGENCIES

51. **Import by Ministries and Government Departments.**—(1) Ministries and Government Departments under the respective Ministries may import goods against the allocations given to them by the Ministry of Finance. No import licence or permit shall be required from the licensing authority for imports orders for which are placed direct by the Ministry or Department or through the Director, Supply and Inspection.

(2) **Import by Corporations.**—All Corporations established under the Bangladesh Industrial Enterprises (Nationalisation) Order, 1972 (P.O. No. 27 of 1972), shall be eligible to open letter of credit directly through their bank without cover of any Import Licence on submission of L/C Authorisation Form to their nominated bank for their own import of items permissible under this Order.

(3) **Import by Trading Corporation of Bangladesh.**—Import by Trading Corporation of Bangladesh shall be financed from the allocations given to them by the Government. Trading Corporation of Bangladesh may import the items mentioned in list II and also such other items as may be decided by the Government.

(4) **Import by Consumer Supply Company.**—Consumer Supply Company Limited may also import against allocations, if any, given to them by the Government.

(5) **Import by Industrial units Under the Sector Corporation.**—Industrial units under the Corporations established under the Bangladesh Industrial Enterprises (Nationalisation) Order, 1972 (P.O. No. 27 of 1972), shall be eligible to open letter of credit directly through their banks without cover of any import licence on submission of L/C Authorisation Form to their nominated bank duly registered by the registration unit of Bangladesh Bank where necessary, to import permissible items of raw and packing materials and spares. They shall import against the allocations given to them by the Government and for such items as approved by the Commerce Division of the Ministry of Industries and Commerce.

(6) **Import of Billets.**—Import of only prime quality of M.S. Billets shall be permissible and procurement shall be made at the most competitive rate on the basis of at least three quotations. Import of substandard quality job lot or stock lot goods or factory rejects shall not be permissible. Import of M.S. Billets shall be subject to the pre-shipment inspection through internationally reputed surveyor. Necessary certificate regarding pre-shipment inspection shall be produced to the customs at the time of the clearance of the goods.

(7) **Import on C.A.D. basis.**—Public sector agencies may opt to import on cash against delivery (c.a.d.) basis in accordance with the procedure laid down by the Bangladesh Bank.

(8) **Some Guideline for Import of Goods by Public Sector Agencies are indicated below :—**

- (a) Competitive quotations should be obtained before opening of letter of credit and procurement made at the most competitive rate. Import of goods of job lot/stock lot/substandard quality will not be permissible;

- (b) in case of import under cash and untied loan, at least three quotations should be obtained from local registered indentors. However, three quotations at the least need not be obtained in case of proprietary items or where the total value of import is less than Taka 30,000.00 (Taka thirty thousand) only;
- (c) Quotations may also be obtained from foreign suppliers who do not have indenting registration, agents, dealers or distributors in Bangladesh but procurement will be made at the most competitive rate;
- (d) The provisions of paragraph 13 shall also apply in case of import by Public Sector Corporation;
- (e) Where the value of a single item licensed or authorised for import is at least Taka 5,00,000.00 (Taka five lakh) only the importer should arrange pre-shipment inspection. Pre-shipment inspections should be entrusted to internationally reputed surveyors only. Public sector agencies may, however, be authorised to clear goods on production of a certificate from the Administrative Ministry concerned to the effect that pre-shipment inspection requirement had been waived by them in respect of the imported items concerned or that no pre-shipment inspection in respect of a particular consignment was felt necessary;
- (f) Public Sector Corporations while making sub-allocations to the industrial units under their control shall observe the basis of licensing as applicable to the private sector industries mentioned at sub-paragraph(5), of paragraph 32 and at Annex I ; and
- (g) Public Sector agencies shall also be eligible to import under Wage Earner Scheme and under Export Performance Licensing System.

CHAPTER IX

IMPORT BY SOLE AGENTS

52. **Import of Engines, Pumps and spares for shallow tube-well.**—Sole agents who desire to open letter of credit for the import engines, pumps, spare parts for shallow tube-wells and tractor parts as mentioned in Annex 28 shall submit the following particulars and documents to the office of the Chief Controller. The last date for submission of such documents to the Chief Controller shall be 31st March, 1983.

69. Tooth Brushes ;
70. Textile and Jute Auxiliary Chemicals ;
71. Tea Estate ;
72. Tea Blending and Packetting ;
73. Starch and Glucose ;
74. Tea Chest and Plywood ;
75. Tyres and tubes ;
76. Type Foundry
77. Urea Formaldehyde Adhesive ;
78. Vegetable Ghee (for items other than crude degummed soyabean oil) ;
79. Water proofing and leak-stop ;
80. Weedicides ;

Engineering Group of Industries :

81. Accumulator ;
82. Agricultural Implements (Kodali and Shovel) ;
83. Agricultural Implements (Sprayers) ;
84. Agricultural Implements (Kodali and Shovel) Non-Mechanised ;
85. Agricultural Implements (Mfg. of Agricultural machinery and Equip-
ments) ;
86. Agricultural Implements (Miscellaneous Products) ;
87. Aluminium Capseal ;
88. Aluminium Utensils ;
89. Aluminium (Anodizing) ;
90. All Aluminium Conductor and ACSR. ;
91. Aluminium Collapsible Tubes ;

92. Auto Filter ;
93. Bi-cycle and Bi-cycle parts ;
94. Bobbin and shuttle including plastic bobbin ;
95. Bolts, Nuts and Screws (Hot process);
96. Bolts, Nuts and Screws (Cold Process);
97. Bolts, Nuts and Screws (Roofing screw without washer using own screw wire);
98. Cambs ;
99. Cutlery (Stainless steel) and other stainless steel products ;
100. Cold Storage ;
101. Dry Cell Battery ;
102. Electric Bulb ;
103. Electric Meter ;

311. Blanket;
312. Cap/Baret cap manufacturing;
313. Dry cleaning (Mechanised);
314. Embroidary;
315. Raising complete (Mechanised);
316. Spangles or chumki;
317. Sanitary Towel filling;
318. Twisting (Cotton and synthetic);
319. Zari Manufacturing.

ANNEX 2

BASIS OF LICENSING AND SOURCE OF PROCUREMENT FOR INDUSTRIAL CONSUMERS

[Ref: Paragraph 32 (5) of Chapter V of this Order]

Subject to the provisions mentioned in Chapter V, the basis of licensing for raw, packing materials and spares for the industrial consumers shall be as under :—

2. Pharmaceutical (allopathic) Industry shall be licensed @130% (one hundred and thirty per cent) of their annual entitlement for raw and packing materials from the sources mentioned below—

(a) U.K.-based units:

- (i) 80% from the UK Grant for raw, packing materials and spares;
- (ii) 30% under cash on 360 days deferred payment system;
- (iii) 20% under barter source details of which will be announced later;

(b) Other units:

- (i) 80% from 11th IDA Commodity Credit for raw and packing materials and spares;
- (ii) 30% under cash on 360 days deferred payment system;
- (iii) 20% from barter source details of which shall be announced later.

3. The following industries shall be licensed @ 100% of their annual entitlement for raw and packing materials under the 11th IDA Commodity Credit :

Tannery ; Tea Estate; Tea Chest and Plywood; Tea Chest Fittings; Tea Blending and Packeting; Steel Re-rolling Mills (excluding M.S. Billets); Processing, Canning and preservation of Fish and Sea Food, Handicrafts, Specialised Textiles (Cotton Group) and Specialised Textiles (synthetic and silk group).

4. The following industries shall be licensed @ 75% under OECF BD C-10 Loan for raw, packing materials and spares and @ 25% for raw and packing materials under FRG Grant—

Chemical Group :

- 1. Duplicating Ink.;
- 2. Duplex Board;
- 3. Ink, all sorts except printing ink.;
- 4. Rexin cloth.;
- 5. PVC Rigid Pipe;
- 6. Tyres and Tubes;
- 7. Urea Formaldehyde Adhesive.;

Engineering Group

8. Agricultural Implements (sprayer);
9. Agricultural Implements (Kodali and Shovel) mechanised;
10. Agricultural Implements (Kodali and Shovel) non-mechanised;
11. All Aluminium Conductor and ACSR;
12. Aluminium Capseal;
13. Drycell Battery;
14. Electric Bulb;
15. Electrical Accessories and Appliances;
16. Electric Fan;
17. Fire Fighting Equipment;
18. G.I. Pipe;
19. Locks and Padlocks;
20. Metal Container and Drum;
21. Sanitary and Bathroom Fittings;
22. Torch Case;
23. Steel Reeds and Wire Healds;
24. Ship and Boat Building (Mechanised).

5. Soap (Mechanised) and Soap (Non-Mechanised) Industry shall be licensed at 100% (one hundred per cent) and 50% (fifty per cent) respectively of their annual entitlement for Tallow under 11th IDA Commodity Credit.

6. Recognised industrial units under refining of edible oil and vegetable ghee shall be licensed for the import of crude degummed soyabean oil for Taka 10.00 crore under S.F.D. (Saudi Grant). Individual share shall be informed separately.

7. The following industries shall be licensed at 50% (fifty per cent) of the annual entitlement under Swedish Grant for raw and packing materials:—

Chemical Group

1. Baby Food and Invalid Food;
2. Ceramics;
3. Cigarettes;
4. Glycerine;
5. Filter rod;
6. Jute Yarn/Twine (SM only).

Engineering Group

1. Accumulator;
2. Auto filter;
3. Bobbin and Shuttle (including plastic bobbin);
4. Jute Mill parts and accessories.

8. Recognised units under handloom industry shall be licensed at Taka 1,500.00 (Tk. one thousand five hundred) only per loom for cotton yarn of all counts under S.F.D. (Saudi Grant). For the import of dyes and chemical handloom units shall be licensed at 100% (one hundred per cent) of their entitlement of the item under China Barter, particulars of which shall be announced later on.

9. The basis of licensing for the remaining industrial sectors mentioned in priority Lists I and II of Annex-1 shall be announced separately.

List of permissible Items of Textiles, under Wages Earner Scheme.

(Reference: Serial No. 109 of List III of this Order)

Sl. No.	Description of Item.	I.T.C. Schedule No.	Remarks.
1	Cotton Textile (Fabrics containing 85% or more by weight of cotton):		
	(i) Long Cloth (white only)	55.09	Up to 33s counts & width up to 36."
	(ii) Poplin including shirtings, white, dyed or printed	Ditto	Up to 40s counts and width upto 36."
	(iii) Cambric including shirting, white, dyed or printed.	Ditto	Up to 40s counts and width up to 36."
	(iv) Drill	Ditto	Importable only on prior permission to be obtained from C.C.I. and E.
	(v) Serge and Gabardine	Ditto	Import of all constructions (counts) and width up to 45" shall be permissible.
	(vi) Jean, Broken Jean, Twine, Denim and Corduroy.	Ditto	Import up to 45" of all constructions shall be permissible.
	(vii) Mull, Organdie, Lawn, Voil white, dyed or printed.	Ditto	Up to 65s count and width 35".
	(viii) Flannel Grey, white, dyed and printed of width up to 45".	Ditto

Sl. No.	Description of Item.	ITC Schedule No.	Remarks.
2	Cotton and Synthetic blended fabrics—		
	(i) Shirting grey, white dyed and printed up to 45" width.	Respective ITC Schedule No.	Grey to be imported only by specialised mill on recommendation of Director of Textile.
	(ii) Suiting all construction up to 60" width	Ditto	
3	100% Synthetic Fabric—		
	(i) Saree Fabric:		
	(a) Grey and white dyed	Ditto	Grey to be imported by processing Mill on recommendation of Directorate of Textile.
	(b) Plain wear or crepe	Ditto	Ditto.
	(c) Georgette	Ditto	
	(d) Chiffon of width of 45"	Ditto	
	(ii) Shirting—		
	Grey, white dyed or printed up to 45"	Ditto	
	(iii) Suiting—		
	All construction and finishes width up to 60"	Ditto	

Sl. No.	Description of Item.	I.T.C. Schedule No.	Remarks.
4	Woollen and Woollen blended with synthetic fabric—		
	(i) Suiting—		
	All construction and finishes of width 60" ..	Respective ITC Schedule No.	
	(ii) Fabric other than suiting—		
	Grey, white dyed and printed of width up to 60".	Ditto	
	(iii) Woollen and Synthetic—		
	Blended suiting fabric of all construction and finishes of width up to 60".	Ditto	
	(iv) Blended Fabric other than suiting—		
	All constructions and finishes of width up to 60"	Ditto	
	(v) Blanket	Ditto	

ANNEX 4

LIST OF MACHINERY EQUIPMENTS AND SPARES IMPORTABLE
UNDER WES/XPL BY THE EXPORT ORIENTED FISHING UNITS
ENGAGED IN FISHING WITH TRAWLERS

[Reference : Item at serial No. 112 of List III]

Sl. No.	Name of item.
1.	Main Engine (Diesel);
2.	Diesel Generating Set ;
3.	Refrigeration Compressor ;
4.	Air Compressor ;
5.	Hydraulic Trawl Winch;
6.	Bulbs (not manufactured in Bangladesh);
7.	Echo Sounder and Fish Finder ;
8.	Decca Receiver ;
9.	SSB (Wireless Sets);
10.	Radar ;
11.	Compass ;
12.	Medium Frequency Direction Finder ;

List of maintenance spares and accessories permissible for import by Jute Industry.

[Ref. Paragraph 34 (17) of Chapter V]

Serial No. 1	Description of item. 2	I.T.C. Number. 3
1	Component parts and spares for Jute Mill Machinery;	
	(a) Faller Bar/Gill Bar/Gills	Respective I.T.C.
	(b) Roller pins (Shear pins/Pitch pins/Staple pins/ Bobbin rail pins).	"
	(c) High tensils/special types of packing strap bolts and nuts/Ratchet bolts and nuts, buffer belts and nuts/cover bolts and nuts/Lay belts and nuts/Allen keys and screws/Lag screws/Set screws/comb hooks and straps/Gill rivets and Washers/Springs/Boam belts and nuts.	"
	(d) Ballin buckles/baling pins	"
	(e) Spares of loom spindles/cop spindles and nuts/ perforated tin strip.	"
	(f) Loom reeds/Guide reeds/Leese reeds/wire healds/ Loom camb/nail eyes of camb.	"
	(g) Bobbin repair outfits/cork rings/cork manu- factures.	"
	(h) Shuttle tip/shuttle eye/shuttle drag/spring/ Bristles/Nylon tape.	"
	(i) Picking arm/Picking strick/lay racon/lay swells/ lay box bocks paralles spool/conical spool.	"
	(j) Pickers/Picker bushes/spindle buffer and washer	"
	(k) Picking band/loom taggers/martingle straping/ raw leather/Uleather/otherleatheritems for press pump.	"
	(l) Anti-vibration pad/foundation pad/loom pad/ rubber coats/rubber rims/sprons/stencil rubber/ rubber and other rubber accessories.	"

Serial No. 1	Description of item. 2	I.T.C. Number. 3
	(m) Plaiding cloth/machinery cloth/roller cloth/flannel sleeves or roller sleeves.	Respective I.T.C.
	(n) Thread guide/runner tubes made of porcelain or ceramic or nylon.	"
	(o) Jute cutting knives/feed knives/leaping knives/guillotine blades/falls cutter blade.	"
	(p) Driving chains/chain links/couplings	"
	(q) Card board tubes/aluminium tubes or plastic tubes for.	"
	(r) Ball roller and taper bearings	"
	(s) Shuttle loader and parts thereof	"
	(t) Special adhesive/glue gum and resin (excluding glue derived from hides, bones, nerves, tendons or from similar products).	"
2	Spares of electric motors, starters, switch-gears, transformers, distribution board.	"
3	Electric spares of jute mill machinery, i.e., Micro switch /fuses/cartridge fuses (excluding iron clad switches and switch fuse units up to 60 AMPS single, double and triple pole with or without neutral for pressures not exceeding 300 volts).	"
4	(1) Sizing material (excluding chalk and clay, tallow, all kinds of starches, sage, flour and glue derived from bones, hides, nerves, tendons or from similar products), but including china clay, floursparres, faldspares, bleaching earths and magnesia compositions and Tamarind Seed powder.	"
	(2) Sack marking ink	"
	(3) Stearine and wax	"
5	Plumbago and graphite/neythe stones/fire bricks containing alumina content of 40 per cent and above, carbon magnesite, chrome magnesite, silica, airconia bricks and silicon carbide bricks, slabs, plates and containers.	"
6	Spare parts for Hydraulic press and pump	"

ANNEX 23

List of Type of Wood permissible for import by Bobbin and Pencil Manufacturing Industries.

[Ref: Sl. No. 91 of the Chemical Group of Industry and Sl. No. 16 of the Engineering Group of Industries of List IV of this Order]

I. Description of wood for Bobbin Manufacturing Industry:—

Beach Birch and Horn Beam wood, in size as under:

Type of Bobbins.	Size of timber.
Ring bobbins	1. $9'' \times 1\text{-}3/8'' \times 1\text{-}3/8''$.
	2. $10'' \times 1\text{-}3/8'' \times 1\text{-}3/8''$.
	3. $11'' \times 1\text{-}3/8'' \times 1\text{-}3/8''$.
	4. $7\frac{1}{2}'' \times 1\text{-}3/8'' \times 1\text{-}3/8''$.
	5. $14\frac{1}{2}'' \times 2\text{-}1/8'' \times 2\text{-}1/8''$.
	6. $15\text{-}1/4'' \times 2\text{-}3/8'' \times 2\text{-}3/8''$.

II. Description of wood for Shuttles Manufacturing Industry:—

Oak, Cornel, Beach, Perrmon, Horn Beam and Maple, in sizes of block as under:—

(1) Plain Shuttles	$14\frac{1}{2}'' \times 1\frac{1}{2}'' \times 1\frac{1}{2}''$.
(2) Toyosa Hora Shuttles	$13\frac{1}{2}'' \times 1\text{-}7/8'' \times 1\frac{1}{2}''$. $14\frac{1}{2}'' \times 1\text{-}7/8'' \times 1\frac{1}{2}''$. $15'' \times 1\text{-}7/8'' \times 1\frac{1}{2}''$.
(3) Sakamoto Shuttles	$16'' \times 1\text{-}7/8'' \times 1\frac{1}{2}''$. $17'' \times 2'' \times 2\frac{1}{2}''$.

Maximum size of the block would therefore be $20'' \times 2\text{-}5/8'' \times 2\frac{1}{2}''$.

(4) Jute Loom shuttles	$20'' \times 2\text{-}5/8'' \times 1\frac{1}{2}''$.
------------------------	--

Maximum size of blocks would be $24'' \times 3\text{-}1/2'' \times 2\text{-}1/2''$.

III. Description of wood for Pencil Manufacturing Industry—

Cedar wood and Pencil slates in maximum size up to 8".

IV. Description of wood for wooden staves, steel faced wooden staves manufacturing industry:

Thickness.	Breadth.	Length.
$\frac{3}{4}''$	\times	$3\frac{1}{2}''$
$\frac{7}{8}''$	\times	$3\frac{1}{2}''$
$1''$	\times	$3\frac{1}{2}''$
$1\frac{1}{8}''$	\times	$2\frac{3}{4}''$

ANNEX 32

PROCEDURE FOR IMPORT ON JOINT BASIS

(Ref.: Paragraph 12 of chapter III of this Order)

Group by commercial importers.—Commercial importers have been allowed the facility of import on joint basis for the sake of economy after forming group either before or after registration of the L/C Authorisation Form with the registration unit of Bangladesh Bank as per provision in paragraph 12 of Chapter III of the Import Policy Order, 1982-83 Commercial importers are allowed to form group with similar importers falling within the same licensing jurisdiction except in the case of importers belonging to Rajshahi and Khulna Divisions. Commercial importers belonging to Khulna and Rajshahi Division may form group for import on joint basis as per provision mentioned in paragraph 12 of Chapter III of this Order. Such importers, having different nominated banks, desirous of importing of their share in cash, untied loan or credit and barter on joint basis may do so in accordance with the procedure mentioned below:

2. Procedure in case of formation of group for importer on joint basis, before registration of L/C Authorisation Form by the registration unit of Bangladesh Bank :

- (i) An importer will submit to his nominated bank the L/C Authorisation Form in the usual manner duly filled in and signed along with a Declaration that (a) he had not applied in any manner to import his share for the current shipping period individually and agrees to effect import of the same on joint basis under the Group leader of M/s.....

.....
(Name and address of the group leader with IRC No. and their nominated bank to be mentioned).

and that (b) he undertakes not to make in any manner any claim whatsoever from the licensing authority in any matter arising out of default or dispute with the group leader or members of the group. Signature of the importer will be verified by the authorised officer of the nominated bank with date.

- (ii) The importer's nominated bank after being satisfied that the L/C Authorisation Form, the declaration given by the importer and other required information are complete and correct in all respects, will forward these papers to the nominated bank of the group leader and will certify on the body of L/C Authorisation Form as under:

"We have no objection to allow the abovementioned group under the group leader of M/s. _____.

This importer is eligible to import _____

for Taka _____ . We have endorsed their Pass Book.

Seal and signature of the Authorised
Officer of the importer's bank with date."

- (iii) The group leader will submit L/C Authorisation Form in a similar manner. In addition to L/C Authorisation Form he will also submit L/C Application Form covering the total value of all the L/C Authorisation Form of the group members including his own share. He will also submit a declaration to the effect that (a) particulars given in the L/C Authorisation Form are correct to the best of his knowledge, that (b) he has not applied, in any manner, to import his share for the current shipping period separately other than as a member of the group and that (c) he has undertaken to act as the group leader for importation on joint basis for the sake of economy by the importers in the group (here group leader will record the names and address and IRC Nos. of all the members including that of himself and their individual shares) and that (d) he undertakes not to make in any manner any claim whatsoever from the licensing authority in any matter arising out of default or dispute with members in the group. The signature of the group leader will be verified by the authorised officer of his bank with date.
- (iv) The group leader's bank, after being satisfied that L/C Authorisation form and the declaration given by the group leader are complete and correct in all respects, will certify on the body of the L/C Authorisation form as under:

"We have no objection to allow the above importer to act as group leader of the group.....members.

Seal and signature of the authorised officer
of the group leader's bank with date".

- (v) The group leader's bank will then forward L/C Authorisation Form, declaration of the group leader and their certificate along with the complete set of L/C Authorisation Forms, declarations of all members of the group and the complete set of certificates issued by the different banks of the members, to the registration unit of the Bangladesh Bank in the respective offices of the licensing authority. In case of Rajshahi and Khulna Divisions the group leaders bank will submit L/C Authorisation Form of the group leader and its associate members to the respective registration unit of Bangladesh Bank where the group leader is located.
- (vi) Bangladesh Bank registration unit immediately after the registration of the L/C Authorisation Form will forward to the concerned licensing authority of the importer two copies of the complete set of L/C Authorisation Forms along with declarations and certificate for post check and simultaneously return the other two copies of LCAs to the nominated bank of the group leader for opening of L/C.

- (vii) Where the eligible commercial importers, desirous of importing their shares in cash, IDA Credit or untied loan or credit belong to the same nominated bank including all the branches of the same banks, the procedure for import on joint basis will be the same as outlined above except that different branches of the same bank will forward the complete sets of documents outlined above such as L/C Authorisation Form, declaration, etc., after recording the required certificate on the body of L/C Authorisation Forms to the branch of the same bank which is the nominated bank of the group leader. The nominated bank of the group leader will process the L/C Authorisation Forms in the same manner as outlined above.
- (viii) In the case of barter, STA and tied loan or credit, eligible commercial importers, desirous of importing on joint basis, will submit the L/C Authorisation Forms to their nominated banks in the prescribed manner but need not submit application for opening of letter of credit. The nominated bank, on being satisfied that the L/C Authorisation Form is in order, will forward all the copies of the same to the nominated bank of the group leader after making necessary entries in the importer's pass book or on the Import Registration Certificate in the absence of pass book. On being satisfied that the L/C Authorisation Form of the group leader and that of group members are in order and after the completion of all formalities of import on joint basis, nominated bank of the group leader will transmit complete set of the L/C Authorisation Forms of each member of the group including that of the group leader, to the designated bank along with the application form for opening of letter of credit to be submitted by the group leader for the total amount covered by individual L/C Authorisation Forms. The designated bank will open letter of credit and endorse two copies each of the L/C Authorisation Form to the concerned licensing office.

3. Procedure in case of formation of group for import on joint basis after registration of L/C Authorisation Form :

- (i) In case of formation of group for import on joint basis after registration of L/C Authorisation Form, an importer will submit to his nominated bank the L/C Authorisation Form in usual manner along with an intimation to his bank in writing or a declaration that he desires to form group after the registration of LCA form. The importer's nominated bank after being satisfied that the L/C Authorisation Forms are complete and correct in all respects, will forward it to the concerned registration unit of the Bangladesh Bank, along with the declaration. On receipt back of the L/C Authorisation Form duly registered from the registration unit of Bangladesh Bank, the nominated bank of the importer shall at once inform the importer to form a group or groups immediately.
- (ii) The importer while forming a group, shall be required to submit a declaration to their bank exactly in the same terms as laid down under para 2(i) of this Annex. Signature of the importer will also be verified by the authorised officer of the nominated bank with date. The said bank will forward all these papers, i.e., L/C Authorisation Form and declaration to the nominated bank of the group leader with certificate as laid down in para 2(ii) of this Annex.

- (iii) The group leader shall also submit L/C Authorisation Form and L/C Application Form with a declaration as mentioned in para 2(iii) of this Annex. The signature of the group leader will be verified by the authorised officer of his bank with date and will endorse required certificate on the body of L/C Authorisation Form mentioned in para 2(iv).
- (iv) The group leader's bank will then keep two complete sets of L/C Authorisation Forms, declarations of all group members and certificates issued by the different banks of the group members with complete set of L/C Authorisation Form including declaration and certificate issued in respect of group leader for opening of L/C and forward other two (2) copies of L/C Authorisation Forms along with complete set of papers (declarations and certificates) to the concerned licensing authority for post checking. In case of Rajshahi and Khulna Divisions, copies of such L/C Authorisation Form along with the complete set of papers shall be submitted to the concerned licensing offices of the group members for post checking.
- (v) Where the eligible commercial importers, desirous of importing their share on joint basis, are located within the jurisdiction of the same licensing authority and have the same nominated bank including all the branches of the banks within the jurisdiction of the same licensing office, the procedure for import on joint basis will be the same as outlined above except that the different branches of the same bank will forward the complete set of documents outlined above to the branch of the same bank which is the nominated bank of the group leader. The nominated bank of the group leader will process the L/C Authorisation Forms in the same manner as outlined above.
- (vi) In the case of import on joint basis under barter, STA and tied loan or credit, the procedure as mentioned above in para 2(viii) shall be followed.

4. In both cases of the formation of group, as soon as L/C is opened and transmitted to the foreign supplier, the nominated bank of the group leader will endorse the pass book of the group leader or IRC as the case may be and advise the concerned licensing authority or authorities and the respective banks of the members of the group about the particulars of the L/C with individual share of each member of the group.

5. **Group by industrial importers.**—In case of import by industrial units on joint basis, they should nominate a group leader and request their nominated bank to forward their licences along with other relevant papers and pass book to the nominated bank of the group leader for opening of L/C in accordance with the procedure outlined under paras 2 and 3 of this Annex. The group leader's nominated bank after verification of the pass books and licences shall open letter of credit on joint basis and endorse the licences and pass books accordingly.

6. Importers submitting L/C Authorisation Form for opening of L/C or effecting import on joint basis in violation of the provisions of the Import Policy Order, 1982-83 or of this Annex shall be liable to action as per provision of this Order.

By order of the
Chief Martial Law Administrator

K. M. RABBANI
Chief Controller of Imports and Exports
and
Additional Secretary to the Government of
the People's Republic of Bangladesh.
