CHAPTER II

ITEMS OF IMPORT

3. **Items of Imports.**—(1) Items permissible for import under this Order have been classified into the following Lists:—

- (a) *List I*—indicates the items which are importable by the eligible commercial importers;
- (b) *List II*—indicates the items which are importable under Wages Earners' Scheme (WES) and also under Export Performance Licensing (XPL) system; and
- (c) *List III*—indicates the industrial raw and packing materials permissible for import.

(2) In addition to the Lists mentioned in sub-paragraph (1), two other draft Lists, namely, Negative List and Restricted List, are appended to this Order as Annex 30 and Annex 31 respectively. Import shall be regulated as per these two Lists with effect from the 1st January, 1985 or any other subsequent date to be notified by the Chief Controller and with effect from that date Lists I, II and III above and the Annexes relating thereto shall, subject to a separate notification in this behalf shall become inoperative. All items not included in Negative List or Restricted List will be freely importable under WES and XPL system by any importer having valid Import Registration Certificate renewed upto date. Import of permissible items at official exchange rate will, however, be allowed only as per the basis announced by the Chief Controller. Recognized industrial units will be allowed to import only the items recorded in their Pass Books at official exchange rate. They will be allowed to import the items included in their Pass Books in any proportion or combination, as were permitted during 1983-84 Import Policy period.

(3) In order to finalize the Negative List and the Restricted List mentioned in sub-paragraph (2), comments and suggestions are invited hereby from all Ministries, Public Sector Agencies, Chambers of Commerce and Industry and recognized Trade Associations for submission to the Chief Controller by the 30th September, 1984 after which no comments or suggestions will be accepted.

(4) The draft Negative List and Restricted List appended as Annex 30 and Annex 31 respectively shall have no relevance for the purpose of imports until those Lists are finalized and enforced by a separate Notification to be issued by the Chief Controller.

4. **Banned, Prohibited or Restricted Items.**—(1) Import of items not permissible under this Order shall be treated as prohibited unless specifically authorized by the licensing authority. Letters of Credit established for import of items which are not importable in accordance with this Order shall be deemed to have been established without any lawful authority and hence null and void. Import of banned or restricted items, if any, may be allowed only on the basis of prior and specific clearance by the Government.

(2) Import of the following items shall be prohibited:—

- (i) maps, charts and geographical globes which indicate the territory of Bangladesh but do not do so in accordance with the maps published by the Department of Survey, Government of the People's Republic of Bangladesh,
- (ii) horror comics, obscene and subversive literature including such pamphlets, posters, photographs, films, gramophone records and cassette tapes; and
- (iii) documents and papers containing matters likely to outrage the religious feelings and beliefs of any class of citizens of Bangladesh.

(3) Unless otherwise authorized, import of the following types of goods shall not be permissible, namely:—

- (a) old, second-hand and reconditioned goods except items specifically mentioned in this Order;
- (b) factory rejects and goods of job lot, stock lot or sub-standard quality;
- (c) goods (including their containers) bearing any words or inscriptions of a religious connotation, the use or disposal of which may injure the religious feelings and beliefs of any class of citizens of Bangladesh; and
- (d) goods (including their containers) bearing any obscene picture, writing, inscription or visible representation.

CHAPTER III

IMPORT PROCEDURE

5. **Source of Finance.**—Import may be allowed against—

- (i) cash;
- (ii) external economic aid (commodity aid, loan, credit and grant);
- (iii) barter, Special Trading Arrangements (STA) ; and
- (iv) foreign exchange earnings of the Bangladesh nationals abroad under Wages Earners' Scheme (WES).

6. **Restrictions Regarding Source of Import.**—Goods from South Africa and Israel or goods originating from these two countries shall not be permissible for import. Import of goods shall also not be permissible on the flag vessels of Taiwan, South Africa and Israel.

7. **Import at Competitive Rate and Pre-shipment Inspection.**—(1) Import shall be made at the most competitive rate and the importer may be required at any time to submit documents regarding the price paid or to be paid by them.

(2) Unless otherwise specified, pre-shipment inspection of imported goods shall not be obligatory in case of import by the private sector importers.

8. **Shipment on Bangladesh Flag Vessels and Import on C & F basis.**—(1) In case of import by sea, import shall be made on cost and freight (C&F) basis. Import on free on board (FOB) basis may also be allowed with the prior clearance from the Bangladesh Bank. Shipment of goods shall be made on Bangladesh flag vessels unless the Director General of Shipping notifies general waiver or allows waiver in specific cases.

(2) In case of import by air or land route, import shall be allowed on cost and freight (C&F) basis. Import on free on board (FOB) basis by air or land route may also be allowed with prior clearance from the Bangladesh Bank.

9. **Import Permit and Letter of Credit Authorization Form.**—(1) Letters of Credit may be opened at the official exchange rate out of foreign exchange allocations to be provided by the Government under cash, external economic aid, barter or STA on submission of L/C Authorization Form to the nominated bank as per proforma given at Annex. 29 to this Order for making the following imports:—

- (i) items to be imported by the commercial importers at official exchange rate;
- (ii) industrial raw and packing material and spare parts by industrial consumers;
- (iii) capital machineries, accessories and spares against specific allocations or sub-allocations received by the importing agencies;
- (iv) goods and commodities to be imported by the public sector importers against specific government allocations;

- (v) any other item on the basis of specific authorization to be issued by the licensing authority; and
- (vi) items under Export Performance Licensing (XPL) system against surrender of valid Import Entitlement Certificates (IEC).

(2) Letters of Credit may be opened for import of permissible items under Wages Earners' Scheme (WES) also on submission of L/C Authorization Forms.

(3) Import Permit or Clearance Permit shall be required in the following cases:—

- (i) for import under WES in a case where import is allowed without opening Letter of Credit;
- (ii) for items imported as passenger baggage in excess of the permissible limits;
- (iii) for release of free samples, unsolicited gift parcels, publicity materials and articles of similar nature supplied free of charge on freight pre-paid basis for amounts in excess of the prescribed monetary limits; and
- (iv) for any other case not specifically exempted.

10. **Import Against Letters of Credit.**—Import shall be allowed only against opening of irrevocable Letters of Credit unless otherwise specified. Import without opening of Letters of Credit shall be permissible in the following cases:—

- (a) import of books, journals, magazines and periodicals on sight draft or usance bill basis or surrender of UNESCO Coupons;
- (b) import of drugs and medicines (allopathic) by a commercial importer of drugs and medicines (allopathic) for a total value not exceeding Tk. 1,000 (Taka one thousand) only at the official exchange rate on sight draft within the overall value of the L/C Authorization for the year 1984-85;
- (c) import of any permissible item under WES only for an amount not exceeding US \$ 1,000.00 (one thousand US Dollar) only during 1984-85 against remittance made from Bangladesh; and
- (d) import of books and journals by Chamber of Commerce, Trade Association, lawyers, teachers, students and other professional groups such as physicians, engineers and chartered accountants for an amount not exceeding Tk. 10,000 (Taka Ten thousand) only during 1984-85 against sight draft basis without opening Letter of Credit.

11. **Procedure for Import Against L/C Authorization Form.**—(1) Import against L/C Authorization Form shall be allowed as mentioned at paragraphs 9(1) and (2) above. Unless otherwise notified, L/C Authorization Form shall be submitted for the full annual share of Commercial importers for 1984-85 policy period at a time for opening Letter of Credit under cash in accordance with the basis of licensing notified by the Chief Controller. Separate L/C Authorization Form shall be submitted by the industrial consumers for opening Letter of Credit for raw and packing materials and for spare parts irrespective of the source of financing in accordance with the basis of licensing

to be announced by the Chief Controller from time to time. In no case, the total value of L/C Authorization Form shall exceed the importer's due share even if the basis of licensing for the same item or sector is notified under several sources of financing for import at the official exchange rate. While determining the due share of an importer before acceptance of L/C Authorization Form the amount, if any, due for deduction for taking advance or excess or additional share or for revalidation of past licence shall have to be deducted from his share under cash, external economic aid or barter as the case may be.

(2) Importers shall be required to submit to their nominated banks the following documents for opening Letter of Credit against L/C Authorization Form:—

- (i) L/C Authorization Form duly filled in and signed by the importer;
- (ii) L/C Application Form duly signed by the importer;
- (iii) Indents for goods issued by an indenter having valid Indenting Registration Certificate or a proforma invoice issued by the foreign supplier in a case where import against proforma invoice is permissible.
- (iv) Prior Permission from the Chief Controller in terms of paragraph 17 for import against foreign suppliers' proforma invoice if the C & F value exceeds Tk. 10,00,000.00 (Ten Lac); and
- (v) Insurance cover note unless specifically allowed by the Ministry of Commerce for import on CIF basis.

(3) In addition to the documents mentioned in sub-paragraph (2) the following documents shall be submitted by the private sector importers:—

- (i) Valid membership certificate from the concerned Chamber of Commerce and Industry or from the concerned registered Trade Association;
- (ii) Proof of payment of renewal fees for the Import Registration Certificate for 1984-85;
- (iii) A declaration in triplicate that he has paid income-tax for the preceding assessment year or that he had submitted his income-tax return for that year;
- (iv) In case of import under XPL system, valid Import Entitlement Certificate for the amount applied for and duly endorsed in favour of the applicant in accordance with the procedure laid down in Chapter VII;
- (v) In case of import of drugs and medicines (allopathic), valid drug licence;
- (vi) In case of pharmaceutical raw and packing materials, approval of the list of items with corresponding amounts from the Director, Drugs Administration;
- (vii) In case of new industrial units accepted by the Licensing Board on *ad hoc* basis, specific authorization letter from the licensing authority; and
- (viii) Any other document as may be required as per this Order or Public Notice or instruction issued by the Chief Controller from time to time.

(4) In addition to the documents mentioned in sub-paragraph (2), the following documents shall be submitted by the public sector importers:—

- (i) Attested photo copy of allocation letter issued by the allocating authority in favour of the concerned public sector agency specifying the source, amount, purpose, validity, terms and conditions;

- (ii) Attested photo copy of sub-allocation letter, if any, issued in favour of the importing unit or agency;
- (iii) Attested photo copy of sanction letter from the Administrative Ministry, Division or Authority, wherever required;
- (iv) A declaration by the authorized officer of the concerned importing agency under proper seal and signature indicating the amount already utilized and the amount which remained unutilized out of any particular allocation made by the Government or Competent authority.
- (v) No Objection Certificate from the Ministry of Industries in exercise of their First Right of Refusal.

(5) The nominated Bank shall not accept any L/C Authorization Form unless it is found in order and complete in all respects. L/C Authorization Form from any private sector industrial unit, whether regular or not shall not be accepted unless an import Pass Book has been issued by the concerned Licensing Authority indicating import entitlement and unless the unit is eligible for importing the item(s) for the amount applied for at the official exchange rate as per this Order. An industrial unit which has been issued Pass Book for import exclusively under WES or XPL system shall not be eligible to submit L/C Authorization Form to import at the official exchange rate.

(6) No bank shall accept any L/C Authorization Form from the private sector importers during 1984-85 for import either at the official exchange rate or under WES/XPL system unless signed declaration in triplicate regarding payment of income-tax or submission of return for Income Tax by them for the preceding assessment year as mentioned at sub-paragraph 11(3) (iii) above is duly submitted along with the L/C Authorization Form. The nominated bank of the concerned importer shall retain one copy of the said declaration and immediately forward the other two copies to the Controller of Foreign Exchange, Bangladesh Bank (Head Office), Dhaka. Bangladesh Bank in their turn will retain one copy of the declaration and forward the other copy to the Director (Research and Statistics), National Board of Revenue, Segun Bagicha, Dhaka.

12. Registration of L/C Authorization Form and Opening of Letter of Credit.—(1) In case of import under cash, International Development Agency (IDA) credit, Overseas Economic Co-operation Fund (OECF) loan and other sources for which registration with Bangladesh Bank is necessary, the nominated bank shall forward the L/C Authorization Form in quintuplicate to the concerned Registration Unit of Bangladesh Bank for registration of the L/C Authorization Form. The Bangladesh Bank Registration Unit shall, after registration, return the first and second copies of the L/C Authorization Form to the nominated bank concerned and the third and fourth copies thereof to the Licensing Authority for their record.

(2) In case of import under, loan, credit, grant or barter where registration with the Bangladesh Bank is not necessary, the nominated bank, after endorsing the particulars mentioned in the L/C Authorization Form on importer's Pass Book, shall forward the L/C Authorization Form with L/C Application Form and other required documents to the designated bank with the request to open L/C. The designated Bank shall then open Letter of Credit and will immediately forward the third and fourth copies of L/C Authorization Form to the concerned licensing authority, as usual.

(3) In case of import under WES, L/C Authorization Form shall not be required to be registered with the Bangladesh Bank. However, the L/C opening bank shall forward the third and fourth copies of the Authorization Form to the concerned Licensing Authority, as usual. All such L/C Authorization Forms under WES shall be prominently marked on the right hand corner at the top with rubber stamp to read as "Issued under WES".

13. Validity of L/C Authorization Form.—(1) For import under cash and XPL system, the validity of L/C Authorization Form for opening Letter of Credit and for shipment shall be:—

- (i) 11 (eleven) months from the date of registration with the Bangladesh Bank for import of commercial items and industrial raw and packing materials; and
- (ii) 17 (seventeen) months from the date of registration with the Bangladesh Bank for import of machinery and spare parts.

(2) Validity of L/C Authorization Form as mentioned in sub-paragraph (1) shall be applicable in respect of all importing agencies receiving allocations from the Ministry of Commerce and such validity for all other agencies shall be governed by the condition mentioned in the allocation letter.

(3) Notwithstanding anything contained in this paragraph, the Chief Controller, if satisfied that due to circumstances beyond the control of the foreign supplier and the importer the shipment could not be made in time, may extend the period of validity of L/C Authorization Form specified in sub-paragraph (1) provided the L/C was opened at a lower price compared to the prevailing international price at the time of revalidation and that the supplier was agreeable to supply the goods at the original price at which L/C was opened. No revalidation shall, however, be allowed if the item concerned is no longer importable.

(4) For the purpose of import under aid, loan, barter, credit, grant and STA validity for the purpose of opening Letter of Credit and shipment shall be notified from time to time by the Chief Controller.

(5) For the purpose of import under WES, the banks are authorized to extend the validity of Letter of Credit opened under WES on the request of the importers provided that no restriction has been imposed subsequently after the opening L/C on the import of the item or items. In case the goods are notified to be banned or restricted after opening of the Letter of Credit, the bank shall not extend the validity of the Letter of Credit.

(6) Irrespective of the mode of financing of the import, no extension of the date of shipment in any Letter of Credit or amendment of Letter of Credit or enhancement of value or quantity of goods shall be allowed by the nominated bank or by any licensing authority after the item or items in the said Letter of Credit has been notified to be banned or restricted by the Government or by the Chief Controller.

14. Import of Explosives, Boiler, etc.—Import of explosives, calcium carbide, gasin-cylinder or empty gas cylinder and boiler shall not be allowed except with the prior approval of the Chief Inspector of Explosives or the Chief Inspector of Boilers, Ministry of Industries, as the case may be.

15. **Claim for Import Facility in cases Accepted in Review, Appeal and Revision.**—No claim for import shall be entertained in cases accepted under Review, Appeal and Revision Order, 1977, if the item is no longer permissible for import. Import Authorization in such cases may be issued in accordance with the Import Policy Order in force.

16. **Import on Joint Basis.**—The commercial importers and industrial consumers all over the country may, form group or groups for import on joint basis according to their convenience strictly in accordance with the procedure laid down in Annex. 32 :

Provided that the industrial consumers shall not be eligible to form group with commercial importers and *vice versa*.

17. **Opening of Letter of Credit Against Indent and Proforma Invoice.**—Letter of Credit shall be processed by the concerned bank against an indent issued by a registered indenter having valid Indenting Registration Certificate. Letter of Credit may also be processed by the concerned bank against proforma invoice of a foreign supplier provided he does not have any agent in Bangladesh and the price quoted in the proforma invoice is exclusive of any commission payable to anybody in Bangladesh. For import against such proforma invoice issued by the foreign supplier, prior permission from the Chief Controller shall not be required if the C&F value of the consignment against a particular contract or invoice does not exceed Taka 10.00 (ten) lakh. In case the C&F value of the consignment is more than Tk. 10.00 (ten) lakh, prior permission from the Chief Controller shall be required and application for the same shall be submitted in the prescribed application form at Annex. 14 along with the required documents mentioned therein.

18. **Description of Item and Import Trade Control Classification.**—(1) Unless specifically allowed by the Licensing Authority, import of only such goods shall be permissible as are covered by the relevant description in this Order or in the No Objection Certificate issued by the Ministry of Industries in case of import by any public sector importer. Import authorization issued or a Letter of Credit opened for any generic item shall not be valid for import of any specific item which is not covered by this Order.

(2) L/C Authorization Form shall be issued or Letter of Credit be opened for goods as per description and the corresponding Import Trade Control (ITC) classification number wherever shown against any item in this Order subject to specific condition, if any. Import of goods exclusively on the basis of ITC Classification number as given in this Order shall not be permissible unless it conforms to the generic description of the goods given in this Order and *vice-versa*.

Note.—Import Trade Control Classification numbers along with Sub-heading numbers, if any, are mentioned in the Import Trade Control Schedule published in the extraordinary Gazette of Bangladesh by the Ministry of Commerce, *vide* S.R.O. 134-L/79, dated the 18th May, 1979.

19. **ITC Committee.**—In case of any dispute between the importer and the Customs Authority on ITC classification or description of the goods imported, the importer may ask for adjudication by the ITC Committee constituted as per paragraph 20 of the Import Policy Order, 1983-84. If the importer is not

satisfied with the decision of the ITC Committee, he may file an appeal to the Chief Controller and if he is aggrieved with the decision of the Chief Controller, he may file a Revision Petition to the Secretary, Ministry of Commerce, in accordance with the procedure laid down in Review, Appeal and Revision Order, 1977.

20. Contravention Imports.—(1) Shipment effected before authentication of the L/C Authorization Form by the nominated bank and registration with the Bangladesh Bank, wherever necessary, and before opening of Letter of Credit or after the expiry of the validity of the L/C Authorization Form or L/C shall be treated as import in contravention of this Order.

(2) L/C Authorization Form obtained on the basis of false or incorrect particulars furnished by the importer or by adopting any other fraudulent means shall be treated as invalid and void *ab initio*.

(3) Goods imported in violation of any provision of this Order or any Public Notice issued by the licensing authority in pursuance of this Order shall be treated to have been imported in contravention of the provisions of the Act.

(4) Any L/C Authorization Form issued or Letter of Credit opened by any bank for any item which is not covered by this Order or which is specifically banned shall be treated as invalid.

(5) Importers whose imported goods are detained by the Customs may apply to the Chief Controller for release instruction for clearance of detained goods from the Customs. Such applications shall be accompanied with the written objection of the Customs or with the detention memo, showing the ground for detention of the consignment. The Chief Controller shall dispose of such applications in such manner as he considers it expedient for dispensation of justice.

21. Import of Goods without Cover of L/C Authorization or permit.—Cases of exemption where imports shall be allowed without the cover of L/C Authorization Form or Permit have been shown at Annex. 15.

22. Compulsory Membership of Chamber of Commerce and Industry or Recognized Trade Association.—(1) All persons, firms, companies and concerns engaged in the import trade and indenting trade in the private sector shall be members of the registered Chamber of Commerce and Industry of the area concerned or of a registered Association of the Trade and Industry duly recognized under the Trade Organization Ordinance, 1961 (XLV of 1961), and organized to represent amongst others the aforesaid trade.

(2) (a) Commercial importers or industrial consumers or importers under WES or indentors shall obtain membership certificate from the respective Chamber of Commerce and Industry of his own area or from the recognized Trade Association or Specialized Trade Association established on all Bangladesh basis. The Town Associations which are registered under the Trade Organization Ordinance, 1961 (XLV of 1961) may issue membership certificate to the importer within their territorial jurisdiction as mentioned in the licence granted by the Government. Town Association shall not issue any membership certificate to any importer outside the territorial jurisdiction as mentioned in their licence.

(b) The Specialized Trade Associations established on all Bangladesh basis shall issue membership certificate only for the item or items for which they have been established and licensed.

(3) Valid membership certificate shall be produced from the trade organization as mentioned in sub-paragraph (2) by the private sector importers while submitting L/C Authorization Form to the concerned bank either for their due share at the official exchange rate or for import under WES or XPL system. Such membership certificate shall also be produced along with other required documents for obtaining Import or Indenting Registration Certificate. Registered indentors shall be required further to produce membership certificate at the time of renewal of their registration certificate.

23. **L/C Authorization or Permit fee.**—(1) There shall not be any L/C Authorization or Permit fee for Letters of Credit of value up to Tk. 20,000 (Taka twenty thousand) only.

(2) Unless otherwise exempted under the Licence and Permit Fees Order, 1958, L/C Authorization or Permit fee for Letter of Credit exceeding Tk. 20,000 (Taka twenty thousand) only but not exceeding Tk. 1,00,000 (Taka one lac) only shall be at the rate of 2% (two percent) and for all Letters of Credit of value exceeding Tk. 1,00,000 (Taka one lac) only shall be at the rate of 3% (three percent). Such fees shall be deposited by treasury chalan under the Head of Account "42—Trade and Commerce—Fees realized under Imports and Exports (Control) Act, 1950".

(3) In case of imports under Baggage Rules and such other imports including those imports under WES for which no Letter of Credit is required to be opened, the aforesaid value limit for the purpose of depositing the L/C Authorization or Permit fee shall be determined on the C&F value of the respective consignments. In such cases, receipted treasury chalan in original showing the payment of Permit fee shall be submitted to the licensing authority before Import Permit or Clearance Permit, as the case may be, is issued. In case of other imports, for which Letter of Credit is required to be opened, a receipted treasury chalan in original showing payment of fee on the value of the Letter of Credit shall be submitted by the importer to his nominated bank before retirement of import documents.

24. **Registration and Renewal Fees.**—Commercial importers, industrial consumers, importers under WES, indentors and exporters shall pay the registration renewal fees at the rate specified in the Importers, Exporters and Indentors (Registration) Order, 1981. Such fees for 1984-85 shall be paid within the date to be notified by the Chief Controller.

25. **Transfer of Pass Book.**—Change in the nomination of bank by a commercial importer or industrial consumer may be made on the basis of no objection certificate (NOC) from his present bank and for such change prior permission from the concerned licensing authority shall not be necessary. Transferring bank shall, however, inform the concerned licensing authority in writing of such transfer of Pass Book. The transferring bank shall be responsible for any fraud, forgery or any other malpractice resorted to in the process of transfer of Pass Book.

26. Import into and Export from the Export Processing Zone (EPZ).—

(1) Imports into and exports from the Export Processing Zone (EPZ) shall remain outside the purview of this Order.

(2) The banking and customs procedures relating to export from, or import into, the Export Processing Zone to or from any country outside Bangladesh shall be regulated in accordance with the instructions issued in that behalf by the Bangladesh Bank and the National Board of Revenue, respectively, from time to time.

(3) All movements of goods between the Export Processing Zone and any other area in Bangladesh outside the Zone shall be regulated by the existing Imports and Exports Control Regulations.

(4) All data regarding import into and export from the Export Processing Zone shall be maintained by the Customs authority concerned.

CHAPTER IV

IMPORT BY COMMERCIAL IMPORTER

27. **Permissible Items of Commercial Import.**—Permissible items of commercial import during 1984-85 have been indicated in List-I. A registered commercial importer who has a valid Import Registration Certificate and fulfils the conditions of eligibility mentioned in this Order shall be eligible to open Letter of Credit for any one of the items in List-I as recorded in his Pass Book. An eligible commercial importer shall import permissible items on submission of L/C Authorization Form and L/C Application Form to his nominated bank without obtaining any import licence.

28. **Grouping of Items in List-I.**—(1) Some of the items in List-I have been grouped together as shown below:

- (a) sub-items (i) to (iv) of the item at serial No. 1.
- (b) sub items (i) to (iii) of the item at serial No. 3.
- (c) sub-items (i) and (ii) of the item at serial No. 5.
- (d) sub items (i) to (iv) of the item at serial No. 7.
- (e) sub items (i) and (ii) of the item at serial No. 11.
- (f) sub-items (i) to (iii) of the item at serial No. 12.

(2) A commercial importer having any item in a particular group as recorded in his Pass Book shall be eligible to import any item in the same group in lieu of his own item, if he so desires.

29. **Second-hand Clothing.**—(1) Import of second-hand clothing during 1984-85 shall be allowed under WES and XPL system only within a specific quota. No prior permission from any authority shall be required for importing the item by (i) registered commercial importers of second-hand clothing and (ii) those importers under WES who had imported the item during 1981-82 or earlier. Registered commercial importers of all items and all importers registered under WES not covered by category of importers mentioned in (i) and (ii) above will be allowed to import second-hand clothing out of the district-wise allocations to be made on population basis subject to prior permission from the concerned licensing authority. Selection of importers for issuing prior permission for import of permissible items of second-hand clothing will be done by a District Committee headed by the Deputy Commissioner of the district concerned. Other members of the Committee will be a representative of the concerned Chamber of Commerce and Industry and a representative of the Chief Controller. The share of an importer of second-hand clothing during 1984-85, whether subjected to prior permission or not, shall not exceed Tk. 1,00,000 (Taka one lac) only under any circumstances. In all cases the importers must hold valid Import Registration Certificates renewed up to date. Further details for the import of second-hand clothing during 1984-85 will be notified by the Chief Controller separately. Banks shall not open any Letter of Credit for import of second-hand clothing during 1984-85 unless a Public Notice is issued by the Chief Controller authorizing them to do so. Applications for obtaining prior permission for import of second-hand clothing shall not be accepted before Public Notice inviting such applications is issued by the Chief Controller.

(2) The following categories of importers shall not be eligible to import second-hand clothing under any source of financing during 1984-85:—

- (a) all registered commercial importers of Iron and Steel (Part-I) or C.I. Sheet including multi-item commercial importers having Iron and Steel (Part-I) or C.I. Sheet as one of the items;
- (b) all importers who are allowed to import C. I. Sheet during 1984-85; and
- (c) all industrial consumers even if they had imported second-hand clothing in the past and even if they hold any separate Import Registration Certificate under WES.

(3) The last date for opening Letter of Credit shall be 31-10-1984. If any fund remains unutilized after 31-10-1984 the same may be withdrawn from the quota of the district concerned and the utilization of such fund shall be arranged on the basis of the recommendation of a Committee with the Chief Controller as convener and a representative each from the Ministry of Commerce and the Federation of Bangladesh Chambers of Commerce and Industry as members.

30. C. I. Sheet.—(1) Import of C. I. Sheet during 1984-85 shall be allowed under WES and XPL system only within a specific quota. No prior permission from any authority shall be required for importing the item by (i) registered Commercial importers of Iron and Steel (Part-I) or C.I. Sheet; and (ii) those importers under WES who had imported the item during 1981-82 or earlier. Registered commercial importers of all items and all importers registered under WES not covered by category of importers mentioned in (i) and (ii) above will be allowed to import C.I. Sheet out of the district-wise allocations to be made on population basis subject to prior permission from the concerned licensing authority. Selection of importers for issuing prior permission for import of C.I. Sheet of permissible specifications will be done by a District Committee headed by the Deputy Commissioner of the district concerned. Other members of the Committee will be a representative of the concerned Chamber of Commerce and Industry and a representative of the Chief Controller. The share of an importer of C.I. sheet during 1984-85, whether subjected to prior permission or not, shall not exceed Tk. 2,00,000 (Taka two lakh) only under any circumstances. In all cases, the importers must hold valid Import Registration Certificates renewed up to date. Further details for the import of C.I. Sheet during 1984-85 will be notified by the Chief Controller separately. Banks shall not open any Letter of Credit for import of C.I. Sheet during 1984-85 unless a Public Notice is issued by the Chief Controller authorizing them to do so. Application for obtaining prior permission for import of C.I. Sheet shall not be acceptable before a Public Notice inviting such applications is issued by the Chief Controller.

(2) The following categories of importers shall not be eligible to import C.I. Sheet under any source of financing during 1984-85:—

- (a) all registered commercial importers of second-hand clothing including multi-item commercial importers having second-hand clothing as one of the items;
- (b) all importers who are allowed to import second-hand clothing during 1984-85;

- (c) all industrial consumers even if they had imported C.I. Sheet in the past and even if they hold any separate Import Registration Certificate under WES; and
- (d) those commercial importers of Iron and Steel (Part-I) who were originally admitted for this item under OGL during pre-liberation period unless the item was endorsed afresh in the Pass Book on the basis of their subsequent import performance for this item under Free List.

(3) The date for opening of Letter of Credit shall be 31-10-1984. If any fund remains unutilized after 31-10-1984 the same may be withdrawn from the quota of the district concerned and the utilization of such fund shall be arranged on the basis of recommendation of a Committee with the Chief Controller as Convener and a representative each from the Ministry of Commerce and the Federation of Bangladesh Chambers of Commerce and Industry as members.

31. Milk Food.—Import of milk food shall be made subject to the following conditions:—

- (i) Composition and percentage of various ingredients shall have to be printed in Bangla on the container of milk food to be shipped on and from the 1st January, 1985. The last date for shipment of milk food with printing of composition and ingredients on the containers in English shall thus be 31-12-1984;
- (ii) The dates of manufacture and of expiry of the fitness of the contents for human consumption shall, however, be printed on the container either in Bangla or in English; and
- (iii) Measuring spoon shall have to be supplied in all the containers of baby food (that is milk food having fat contents up to 19%) and not in containers of ordinary milk food (that is with fat contents exceeding 19%).

32. Non-utilization of Past Share.—Commercial importers shall not be required to produce proof of utilization of their previous shares for import of permissible commercial items during 1984-85.

33. Import of Drugs and Medicines (Allopathic).—Permissible items of drugs and medicines (allopathic) as mentioned in Annex 3 shall be importable by the eligible commercial importers at official exchange rate as per basis applicable for the item and subject to condition mentioned in the said Annex. Commercial importers of drugs and medicines (allopathic), while submitting L/C Authorization Forms to their nominated banks shall be required to produce a photocopy of valid drug licence duly attested by the Managers of the respective nominated banks. If the drug licence has already been submitted to the Director of Drugs Administration for renewal, acknowledgement of the receipt of the same from the said Director, shall have to be submitted along with the L/C Authorization Form. Further, importers shall be required to forward one copy of the indent or *proforma* invoice on the basis of which Letters of Credit has been opened to the Director of Drugs Administration within fifteen days of the opening of Letter of Credit.

34. **Basis for Commercial Importer.**—(1) Annual shares (basis) for commercial importers are indicated against each item in List-I. For items to be imported under cash, a commercial importer may open Letter of Credit for his annual share of the item at a time as soon as the availability of fund is notified by the Chief Controller. For this purpose, L/C Authorization Forms and L/C Application Forms along with all the required documents shall be submitted by the importers to their nominated banks on or before the date to be notified by the Chief Controller. No bank shall accept any L/C Authorization Form at official exchange rate for any item unless a specific Public Notice in this respect has been issued by the Chief Controller.

(2) For import under aid, loan, credit, grant, barter and STA, commercial importers shall submit L/C Authorization Forms to their nominated banks along with the required documents or open Letter of Credit in accordance with the terms and conditions to be notified by the Chief Controller from time to time.

35. **Change of Items.**—Registered commercial importers whose items are not included in List-I of this Order shall not be eligible to import any item of List-I at official exchange rate and they shall not also be allowed any change of item.

36. **Import of Specific Items.**—Import authorization for specific items may be issued, subject to availability of funds, on the recommendation of the concerned authorities as mentioned below:—

- (a) specific slow moving and other items of drugs and medicines (allopathic) on an *ad hoc* basis on the recommendation of the Health Division;
- (b) veterinary medicines and breeds of livestock and poultry on an *ad hoc* basis on the recommendation of the Director of Livestock Services;
- (c) permissible raw materials for fish catching units on an *ad hoc* basis on the recommendation of the Director of Fisheries;
- (d) machinery and equipment required for fish catching units as well as for poultry and dairy farms on an *ad hoc* basis on the recommendation of the Director General of Industries; and
- (e) finished pesticides as mentioned in Annex 27 on an *ad hoc* basis on the recommendation of the Agriculture and Forest Division.

CHAPTER V

IMPORT BY INDUSTRIAL CONSUMERS

37. **General Conditions and Procedure.**—(1) Those industrial units which are recognized and sponsored by the approved sponsoring authorities of the Government shall be eligible to import their required raw and packing materials and spares subject to the provisions of this Order. Import by industrial consumers shall not be subject to issue of import licence by the licensing authority. Instead, they shall have the facility of import against L/C Authorization Form.

(2) The nominated bank of an industrial consumer shall accept L/C Authorization Form if it is complete and in order in all respect as per procedure laid down in Chapter III and if the amount applied for is in conformity with the basis of licensing applicable to the concerned sector or item and subject to the fulfilment of conditions of this paragraph. Further instructions for the guidance of scheduled banks in this respect would be issued by the Bangladesh Bank in due course.

(3) The last date for submission of L/C Authorization Form and other terms and conditions for import at official exchange rate shall be notified by the Chief Controller from time to time. For this purpose, L/C Authorization Form along with all the required documents shall be submitted by the industrial consumers to their nominated banks on or before the date notified by the Chief Controller in the Public Notice announcing the basis of licensing and source of financing.

(4) Notwithstanding anything contained elsewhere in this Order, industries having annual entitlement of Tk. 1,00,000 (Taka one lakh) only or less may submit L/C Authorization Form at a time for their full annual share provided the basis for the sector to which they belong has been notified by the Chief Controller.

(5) Industrial consumers shall be allowed to import only those items of raw and packing materials which are recorded in their Pass Books and which are also shown against their respective sectors in List-III of this Order. Description of the raw and packing material items shall be mentioned in L/C Authorization Form strictly as per the description given in this Order.

(6) Industrial consumers requiring any item of raw or packing materials not mentioned in List-III against the concerned sector of industry and also not endorsed in the Pass Book of the industrial unit may be allowed to import such raw or packing material item on the specific recommendation from their sponsoring authority and subject to prior permission from the Chief Controller, provided the item is not specifically banned or restricted for import. If it is necessary to allow the import of any banned item, the sponsoring authority shall obtain prior approval of the Ministry of Commerce before sending recommendation to the Chief Controller. In case of such import, no *post facto* recommendation shall be accepted from the sponsoring authority.

(7) Irrespective of Pass Book entitlement, industrial consumers may import any or all permissible items as mentioned at sub-paragraph (5) above within the overall value of the L/C Authorization Form as per basis for raw and packing materials, provided there is no restrictive provision in this Order in

respect of any of those items. Sectors of industries specified in Priority List-A in Annex I shall, however, be allowed to submit L/C Authorization Form for their permissible items of raw, packing materials and spares as per the basis shown below and subject to availability of funds:

- (i) Pharmaceutical (allopathic) industry. at 150% of their annual import entitlement at official exchange rate.
- (ii) Selected export-oriented industries (namely, catching, canning and preservation of fish and other sea food; tea packaging and blending; leather footwear (mechanised); leather goods industry; tanning industry; shrimp and frog farming and jute carpet). at 150% of their annual import entitlement at official exchange rate on production of a certificate from the concerned sponsoring authority as proof of export of at least 80% of their product during 1983-84.
- (iii) Handloom (all types) industry. at 100% of their annual import entitlement at official exchange rate for items other than cotton yarn, import of which shall be allowed up to a certain percentage of their annual import entitlement for the item, basis for cotton yarn shall be notified later on.
- (iv) Refining of edible oil industry. at 100% of annual entitlement for items other than crude degummed soyabean oil (CDSO).
Chief Controller will issue specific authorization letters indicating the share for CDSO and the source of its financing.
- (v) All other industries in Priority List-A. at 50% of their import entitlement at official exchange rate:

Provided that no bank shall accept any L/C Authorization Form from any industrial consumer at official exchange rate unless the basis for that sector of industry has been announced by the Chief Controller through Public Notice indicating the source of financing :

Provided further that nominated banks shall not accept any L/C Authorization Form submitted by any industrial unit whose permission letter or Pass Book contains the condition that the unit shall import its required raw and packing materials under WES or XPL system only.

(8) Industrial sectors included in Priority List-B in Annex I shall import their permissible raw and packing materials and spares exclusively under WES or XPL system.

(9) The sectors of industries falling under Priority List-A and B are shown at Annex-1.

(10) The provisions of sub-paragraph (7) relate to import by industrial consumers out of foreign exchange allocations made by the Government under cash, commodity aid, loan, grant, barter and STA. However, all eligible

industrial units of Priority Lists A and B will be allowed to import any permissible items of raw and packing materials and spares under WES or XPL system without any value or quantity restriction unless there is any restrictive provision in this Order.

(11) The permissible items of raw and packing materials shall be mentioned on the L/C Authorization Form. The L/C Authorization Form shall be issued for the total share for permissible raw and packing materials as per basis without indicating any item-wise break up. Percentage restriction, if any, on import of any item shall be specified on the L/C Authorization Forms for raw and packing materials and for spares of a machinery shall be issued separately.

(12) New industrial units falling under Priority List-A in Annex 1 may be allowed to submit L/C Authorization Form to their nominated banks for import of 50% of the half yearly value recommended under aid, barter, loan, credit, grant and STA provided the case has been duly approved by the Licensing Board and Pass Book and specific authorization letter have also been issued to the unit by the concerned licensing authority. New industrial units falling under Priority List B shall import their entire requirement under WES or XPL system. However, all new units under both Priority Lists A and B eligible for import on *ad hoc* basis may import any permissible item under WES or XPL system without any value or quantity restriction subject to conditions or restrictions applicable for import of any item as per this Order.

(13) New industrial units which received import authorization on an *ad hoc* basis in the two preceding import policy periods, but have not yet been formally regularized by the Licensing Board constituted by the Government may continue to import their raw and packing materials during the current and all subsequent import policy periods up to 100% of the entitlement which was recommended for the first *ad hoc* licence and was duly recorded in their Pass Book until the unit has been formally regularized by the Licensing Board. For such imports they shall be required to produce proof of utilization of their previous *ad hoc* shares. The share at the official exchange rate of such a unit shall not, however, exceed its shares as per the basis announced for the concerned sector had the unit been regularized by the Licensing Board. In order to qualify for import facility under this paragraph, such units must be in continuous production. Source of financing shall be the same as that for an eligible regular unit of the sector to which it belongs.

(14) Notwithstanding the provision of sub-paragraph (10) above, huller and huller spares for rice mills shall be importable only up to 100% (one hundred percent) of Pass Book entitlement for spares, irrespective of the source of finance, by the recognized automatic rice mills and rice mills manufacturing industries having entitlement for the item. Commercial import of huller and huller spares for rice mills shall not, however, be allowed under any source of finance.

38. Conditions Relating to Specific Sectors of Industry.—(1) Before submitting L/C Authorization Form to their nominated banks an industrial consumer belonging to the pharmaceutical (allopathic) industry shall obtain approval from the Director, Drugs Administration regarding the list of raw and packing materials required to be imported by the unit. The approval of the Director, Drugs Administration shall be in respect of the list indicating the value of raw and packing materials required to be imported by the unit at official

exchange rate as well as under WES and XPL system for the manufacture and packing of permissible drugs. Banks shall open Letter of Credit for such items as are approved by the Director of Drugs Administration and covered by the description of permissible items as at Annexes 5 and 6.

(2) Recognized units under ready-made garments industry operating under bonded warehouse system shall be permitted to import their permissible raw and packing materials on the basis of confirmed and irrevocable Letter of Credit for export of ready-made garments against back-to-back Letter of Credit, subject to authorization by the Bangladesh Bank. Such units shall not, however, be allowed to import fabrics cut into sizes or piece goods and will have to import only *thaan* fabrics. For this purpose, no prior permission from the Chief Controller shall be required and the provisions of paragraph 17 shall also not be applicable.

(3) Recognized units under specialized textile industry operating under the bonded warehouse system shall be permitted to import their permissible raw and packing materials on the basis of confirmed and irrevocable Letter of Credit for export of the items of specialized textiles against back-to-back Letter of Credit subject to authorization by the Bangladesh Bank. For this purpose, no prior permission from the Chief Controller shall be required and the provisions of paragraph 17 shall also not be applicable. There shall be no count restriction on the import of cotton yarn by the concerned units under this system. Specialized textile units operating under the bonded warehouse system may also import their requirement of cotton yarn without count restriction under WES or XPL system on the basis of confirmed and irrevocable export orders. The imported cotton yarn will invariably be kept in the bonded warehouse and shall be used for production of exportable goods only. Recognized units under specialized textile industry who are not operating under the bonded warehouse system shall import their requirement against L/C Authorization Forms as per the basis of licensing applicable for the sector.

(4) Recognized export oriented hosiery knitting units operating under the bonded warehouse system shall be permitted to import their permissible raw and packing materials on the basis of confirmed and irrevocable Letter of Credit for export of hosiery and knitted wear goods against back-to-back Letter of Credit, subject to authorization by the Bangladesh Bank. For this purpose, no prior permission from the Chief Controller shall be required and the provisions of paragraph 17 shall also not be applicable. However, such units shall not be allowed to import hosiery knitted *thaan* fabrics or woven fabrics cut into sizes or piece goods. These units shall, however, be allowed to import yarn required by them without restriction on specification or count.

(5) Cigarette industry shall import raw tobacco on the recommendation of the Cash Crop Division of the Department of Agricultural Extension who will work out the import requirement of tobacco for the policy period 1984-85 for different units under the cigarette industry and inform the nominated bank of the concerned units as well as the Chief Controller. Immediately after opening Letter of Credit for this item in accordance with the basis notified by the Chief Controller, the nominated bank shall furnish full particulars of the Letter of Credit to the Chief Controller indicating *inter alia* name and address of the importer, requirement recommended by the Cash Crop Division, value of Letter of Credit opened and the source of financing. For other items of raw and packing materials the bank shall accept L/C Authorization Form in accordance with the basis announced for the sector and as per the unit's annual import entitlement as recorded in the Pass Book.

(6) Paper biri manufacturers shall be allowed to import cigarette paper in sheets under WES or XPL system only.

(7) Wire drawing industrial units without re-rolling facility may import wire rod up to 50% of their annual entitlement for the item.

(8) Aluminium utensil industrial units without re-rolling facility may import aluminium circle up to 50% of their annual entitlement for the item irrespective of the source of financing.

(9) Recognized hotels which have been earning foreign exchange and have opted to import on the basis of their foreign exchange earning will be allowed to import permissible items of raw and packing material, liquors and spares up to 20% of their foreign exchange earning duly certified by the Lixchange Control Department of the Bangladesh Bank. For import of items required by foreign exchange earning hotels (including liquor and spares), the following procedures shall be followed:—

- (i) All foreign exchange earning hotels shall obtain Pass Books immediately if they have not done so already. The Pass Book shall show all the items of their requirements with ceilings as in the case of other industries. The items of requirement and their ceilings shown in the Pass Book would be determined by the Director General of Industries in case of each hotel. In case a hotel requires an item outside the list endorsed in its Pass Book, special recommendation from the Director General of Industries shall have to be obtained.
- (ii) Foreign exchange earning hotels shall not be allowed to import any item unless Pass Books as mentioned above are first obtained by them on production of recommendation from the Director General of Industries. Once Pass Book has been issued such a hotel shall not be required to obtain fresh recommendation from the Director General of Industries for getting import facility for items recorded in the Pass Book within their entitlement against foreign exchange earned by them.
- (iii) Bangladesh Bank shall issue foreign exchange earning certificate in respect of each such hotel in duplicate. One copy of the certificate shall be sent to the Chief Controller and the other to the nominated bank of the hotel. While issuing the foreign exchange earning certificate, Bangladesh Bank shall require the nominated bank to produce the Pass Book of the hotel concerned and record the number, date, amount of foreign exchange earned and the period of earning in the Pass Book.
- (iv) The licensing office concerned, on receipt of the foreign exchange earning certificate from the Chief Controller, shall advise the hotel concerned to submit L/C Authorization Form for permissible items to their nominated bank who will forward the same to the Registration Unit of the Bangladesh Bank for registration. The licensing office shall specify the amount for permissible raw material items as well as for liquor and spares as per provisions of clause (v) below for which L/C Authorization Forms are to be submitted by the concerned hotel. After registration of the L/C Authorization Form, two copies of the L/C Authorization Form shall as usual be sent to the concerned licensing office who shall check it with the entries in the Commodity Register of the foreign exchange earning hotel during a given

period and record the particulars of the L/C Authorization Form (along with number, items, amount and date) issued against the said earning. In case any errors or discrepancies are detected the licensing office shall take immediate corrective or panel action.

- (v) The foreign exchange earning hotels will be allowed to import alcoholic beverages and spares up to a maximum of 7½% (seven and a half percent) of their foreign exchange earnings. Remaining 12½% (twelve and a half percent) of the foreign exchange earnings may be utilized for import of other items of their requirement as per Pass Book or on recommendation of the sponsoring authority for items not recorded in the Pass Book. Out of the 12½% (twelve and a half percent) entitlement for raw materials, the foreign exchange earning hotels will be allowed to import crockery, cutlery and hollow glassware once in five years, subject to prior permission from the Chief Controller, on the basis of specific recommendation from the Director General of Industries. The crockery, cutlery and hollow glassware so imported must bear the insignia of the hotel importing them engraved or painted with indelible paint.
- (vi) A foreign exchange earning certificate issued by the Bangladesh Bank shall be valid for opening Letter of Credit for a period of six months from the date of issue unless otherwise revalidated by the Bangladesh Bank. However, foreign exchange earning certificates issued earlier shall also be valid for utilization upto a period of six months from the date of announcement of this decision. The concerned licensing authority while issuing specific authorization letters shall accordingly specify the last date for opening L/C which shall also be mentioned prominently in the L/C Authorization Form by the nominated bank of the hotel who shall ensure that Letters of Credit are opened before the expiry of the last date. Particulars of the foreign exchange earning certificate must be recorded on the top of the L/C Authorization Form issued to the hotel concerned.

(10) Umbrella industry shall be licensed for umbrella cloth at Taka 10,000.00 (Taka ten thousand) only per machine. Source of procurement shall be announced later on. No. specific recommendation of sponsoring authority shall be required in the case of import of umbrella cloth of the following specification:—

“Cotton umbrella cloth dyed fast black not more than 22” (twenty two inches) in width edge border ¼” to 1½” on one side or on both sides”.

(11) Banks may accept L/C Authorization Form from inland water transport operators, poultry and dairy farms and fish catching units on *ad hoc* basis only on specific instruction from the Chief Controller. The Chief Controller shall permit inland water transport operators to import permissible items as mentioned in Annex. 17 on the recommendation of the Bangladesh Inland Water Transport Authority (BIWTA). Similarly, permission may be accorded to the fish catching units for import of permissible raw materials on *ad hoc* basis on recommendation of the Director of Fisheries and to the poultry and dairy farms for import of breeds of livestock and poultry and veterinary medicines on an *ad hoc* basis on the recommendation of the Director of Livestock Services. Import of machinery and equipment for fish catching,

poultry and dairy farms on an *ad hoc* basis, however, be issued on the basis of recommendation from the Director General of Industries. Inland water transport operators, fish catching units and poultry and dairy farms having valid Import Registration Certificate under WES may import permissible items under WES or XPL system as per their requirement without any recommendation from either the Bangladesh Inland Water Transport Authority or the Directorate of Fisheries or Directorate of Livestocks, as the case may be. They shall, however, follow other formalities and procedures of imports as per this Order.

39. **Conditions Relating to Specific Items of Import.**—(1) Import of machinery and spare parts for balancing, modernization and replacement (BMR) and for emergency break-down and also equipment for quality control shall be allowed only under WES or XPL system. For such imports no recommendation either from any sponsoring authority or Director of Drugs Administration (for quality control equipment) shall be necessary.

(2) Import of second-hand or reconditioned machinery including second-hand or reconditioned capital machinery up to Tk. 25,00,000.00 (Taka twenty-five lac) only may be allowed under WES or XPL system without any recommendation from the sponsoring authority or prior permission from the licensing authority, but subject to the compliance with the provision of paragraph 17 of this Order. For import of such machinery for any value exceeding Taka 1,00,000.00 (Taka one lac) but not exceeding Tk. 25,00,000.00 (Taka twenty-five lac) a certificate from the internationally reputed surveyor to the effect that the machinery has an economic and useful life of at least ten years shall have to be produced to the nominated bank before opening Letter of Credit. If the value exceeds Tk. 25,00,000.00 (Taka twenty-five lac), prior recommendation from the sponsoring authority shall be necessary in addition to the Surveyor's certificate mentioned above.

(3) The following items shall be importable on conditions against the item:—

- | | | |
|---|---|--|
| <p>(a) M. S. Sheet and Plate hot rolled (except for agricultural implements industry)</p> <p>(b) Lac, Shellac</p> | } | <p>Shall be importable only by the recognized industrial units up to their annual entitlement for the item concerned as recorded in the Pass Book irrespective of the source of financing.</p> |

(4) Import of secondary quality (odd pieces but not) of G. P. Sheet (not exceeding 4 ft. in length), B. P. sheet, M. S. sheet and stainless steel sheet shall not be allowed against L/C Authorization Form at the official exchange rate. Secondary quality of these items shall, however, be importable under WES or XPL system by the recognized industrial units up to 100% (one hundred per cent) of their annual entitlement for the item(s) concerned. Secondary quality CRCA sheet shall be allowed to be imported at the official exchange rate and also under WES or XPL system by the recognized industrial units having entitlement for the item subject to the condition that total import of the item by a unit during 1984-85 shall not exceed 100% of entitlement as recorded in its Pass Book irrespective of the source of financing. Tin plate, secondary quality or misprint, may be allowed to be imported at the official exchange rate by recognized industrial units up to 100% of entitlement for the item. There shall, however, be no restriction on import of tin plate, secondary quality or misprint, under WES or XPL system.

(5) Induction type synchronous speed electric motors from 1 to 25 horse power (HP) shall not be allowed for import, but variable speed motor shall be allowed to be imported as spares only by the recognized industrial consumers for their own use.

(6) Industries having entitlement for the sizing materials may import only the permissible items as specified in Annex. 13.

(7) Double counts yarn, both cotton and acrylic (two ply twisted or untwisted) shall not be permissible for import. All types of viscose yarn shall be permissible for import except 75-D, 100-D, 120-D, 150-D and 300-D.

(8) Nylon and polythene rope shall not be permissible for import by any industrial or other importer.

(9) Import of buttons shall not be allowed except to the recognised units under ready-made garment industry operating under the bonded warehouse system.

(10) Import of knitting wool shall not be permissible. However, import of carpet wool may be allowed by the Chief Controller only to the woollen carpet making industrial units provided they submit recommendation from their sponsoring authority and certificate from the Export Promotion Bureau showing year-wise value of the carpet exported by them during the last three years.

(11) Import of lubricants shall not be permissible.

(12) Import of silk yarn or raw silk shall be allowed only to the recognized industrial units having entitlement for the item under WES or XPL system only up to 75% of their annual entitlement for the item. Similar facility may be extended to the recognized weavers' co-operatives on the basis of recommendation of the Director of Textiles. No import of raw silk or silk yarn shall be allowed at official exchange rate.

(13) Import of wood and timber by inland water transport industry shall be allowed on production of no objection certificate from the Chief Conservator of Forests.

(14) The following spare parts and accessories of jute and textile mills shall not be permissible for import:—

- (i) Card, gill pin and meta pin;
- (ii) Bobbin and bobbin carrier;
- (iii) Loom spindle ($\frac{1}{4}$ " OD \times 40 $\frac{1}{8}$ " OD \times 27 $\frac{1}{2}$ " \times $\frac{9}{16}$ " OD \times 27 $\frac{1}{2}$ ", $\frac{1}{4}$ " OD \times 27 $\frac{1}{2}$ ")
- (iv) Baxter flayer;
- (v) Plastic cone;
- (vi) Gear and pinion;

- (xi) Eyelets;
- (xii) Felt clips;
- (xiii) Wooden staves (card clothing);
- (xiv) Steel faced wooden staves (card clothing); and
- (xv) Shuttle cover.

(15) The following items shall not be permissible for import under WES or XPL system except by the recognized industries having entitlement for these items and also not exceeding 100% of the annual entitlement for these items as recorded in their Pass Books:—

- (a) Saccharine in powder or granular form; and
- (b) Liquid paraffin.

(16) G. P. sheets of 24—26 BWG with a width of 3' (three feet) and its multiples and with length of 6' to 10' (six feet to ten feet) shall not be permissible for import. Industrial sectors shall be allowed to import G.P. sheet up to 100% (hundred per cent) of their annual entitlement for the item as recorded in their Pass Books irrespective of the source of financing and as per specifications and gauge restrictions shown against each sector in List III in this Order. However, those industrial units who desire to import G. P. sheet with a width of 4' (four feet) may indicate their preference to their L/C opening bank and in that case the gauge restrictions mentioned in List III shall not apply. Commercial import of G.P. sheet up to 26 BWG may be allowed subject to condition laid down at paragraph 43(4) of this Order.

(17) List of maintenance spares, accessories, equipment and materials permissible for import by jute mills industry is given at Annex 12.

(18) List of items which shall not be permissible for import by industrial consumers against maintenance spares and accessories and components is given at Annex 18.

(19) Industrial units having entitlement for cotton yarn shall be eligible to import cotton yarn (single) of all counts against L/C Authorization Form at the official exchange rate as well as under WES and XPL system. Import of cotton yarn by the industrial units under hand-loom sector will be allowed at the official exchange rate up to a certain percentage of their annual import entitlement for cotton yarn to be notified later on by the Chief Controller.

(20) Sugar of Milk or lactose shall be importable by the recognized units under the industrial sector "Homoeopathic Medicines" up to 30% (thirty per cent) of their total annual entitlement as recorded in their Pass Book irrespective of source of finance. Eligible commercial importers of homoeopathic and biochemic medicines may also import the item up to 30% (thirty per cent) of declared share. Except for these two categories of importers, no other importer shall be allowed to import Sugar of Milk under any source of finance.

(21) Lactose BP and USP, Sucrose BP and USP and Icing Sugar shall be importable only by the recognized pharmaceutical units in proportion to the production programme of each pharmaceutical unit. Director of Drugs Administration while approving the block list of raw materials for each pharmaceutical unit will specify the total quantity each of Lactose BP and USP, Sucrose BP and USP and Icing Sugar which the pharmaceutical unit may import during 1984-85.

(22) High grades of raw rubber specified as RSS-1 and RSS-2 may be imported by the industrial consumers up to 100% of their entitlement for raw rubber as recorded in their Pass Books, irrespective of source of finance. Import of lower grades of raw rubber specified as RSS-3, RSS-4 and RSS-5 shall be importable only on the basis of prior recommendation of the Bangladesh Forest Industries Development Corporation (Head Office).

(23) Import of Ethyl Vinyl Acetate (EVA) as foam or sheet shall not be permissible.

(24) Import of the following machinery for tea industry shall not be permissible:—

- (i) All types of green leaf sifters;

- (c) original or photo copy of General Index Register (GIR) Certificate from income-tax authority indicating that they are regular income-tax assesseees;
- (d) certified copy of the last income-tax assessment order; and
- (e) name and description of item they desire to import under WES or XPL system during the policy period 1984-85 indicating quantity and approximate C & F value of each item.

(2) Foreign commercial firms dealing in computers may, however, be allowed to import computers, spares and accessories under WES without any prior permission from the Chief Controller subject to the following conditions:—

- (i) value of an L/C for this purpose shall not exceed Tk. 10.00 (Ten) lac;
- (ii) items to be imported should be their own proprietary items;
- (iii) the company shall have valid Import Registration Certificate; and
- (iv) the company shall also be registered with the income-tax authority in Bangladesh.

Such foreign commercial firms dealing in computers may also be allowed to import spares and components for computers on Direct-Payment Abroad basis to meet requirements for emergency break down of computers supplied by them, subject to the condition that sufficient proof of emergency break down shall have to be produced from the end user to the licensing authority while applying for import permit.

48. Import by Government Servants and Others.—Government Servants and employees of the body corporates set up by or under any law for the time being in force are allowed to import items mentioned in List-II for their *bona fide* personal use after obtaining prior permission from the Chief Controller. While applying for such permission, the applicants shall produce recommendation and certificate from the head of their departments or organizations to the effect that the item to be imported is for actual use of the applicant and not for sale.

49. Import by Actual Users.—(1) Individuals or institutions which are not registered importers may import permissible items of limited quantity for their own use under WES or XPL system with exemption from import registration, subject to prior permission from the Chief Controller. However, if the total C & F value of such import does not exceed US \$ 1,000.00 (One thousand dollar) only during the policy period 1984-85, such individuals or institutions may import any permissible item by opening Letter of Credit without any prior permission from the Chief Controller.

(2) For import of books and journals by actual users the provisions of paragraph 10(d) of this Order shall apply.

50. Import on Deferred Payment Basis.—The facility of import on deferred payment basis under WES shall extend to all items mentioned in List-I, List-II and List-III and spares of machineries in accordance with the instruction issued by the Bangladesh Bank. No prior clearance from the licensing authority shall be necessary for such imports.

51. Procedure for Import under WES.—(1) Import under WES on Direct Payment-Abroad basis shall not be permissible except in the cases mentioned in sub-paragraph (2) (iv) below.

(2) All imports under WES shall be made by opening Letters of Credit except in the following cases:—

- (i) books, journals, magazines and periodicals if imported against sight draft or usance bill;
- (ii) books, journals, magazines, periodicals, newspapers, maps, charts, geographical globes and educational films imported by educational institutions like universities and colleges by sending UNESCO Coupons direct to the supplier;
- (iii) any permissible item through remittance from Bangladesh up to a total C & F value of US \$ 1,000.00 (One thousand dollar) only during the policy period 1984-85; and
- (iv) complete plant and machinery imported by the Bangladesh wages earners living abroad when imported by themselves on Direct-Payment-Abroad basis for setting up industry in the free sectors (as per the New Industrial Policy 1982) without any formal sanction and in other sectors against prior sanction of the competent authority.

(3) If the goods are imported under WES against L/C Authorization Forms as per paragraph 9 (2), no import permit shall be necessary. In other cases where goods are imported by opening Letters of Credit without the cover of L/C Authorization Form, applications for import permit shall have to be submitted to the concerned Licensing Authority after shipment of goods. The following documents shall be submitted for obtaining import permit under WES:—

- (a) a copy of the Letter of Credit duly attested by the Manager of the nominated bank under his seal and signature;
- (b) Bill of Lading or Air Waybill or Foreign Postal Receipt or Truck Receipt or Boat Receipt;
- (c) invoice;
- (d) Pass Book with up-to-date renewal endorsement;
- (e) Valid membership certificate from the recognized Chamber of Commerce and Industry or Trade Association concerned;
- (f) Original copy of the receipted treasury chalan showing payment of Import Permit fees where applicable;

- (g) a copy, attested by the Manager of the bank, of the certificate of the Director General of Shipping in case shipment was made in non-Bangladeshi vessel;
- (h) a copy, attested by the manager of the bank of the income-tax declaration submitted to the bank at the time of opening L/C in terms of paragraph 11 (3) (iii); and
- (i) Any other document required for import of any specific item as per condition mentioned in this Order.

52. **Import under Pay-As-You-Earn-Scheme.**—(1) Import under this Scheme may be allowed in the following cases only:—

- (i) import of vessels, trawlers, plants and machineries subject to the approval of the Bangladesh Bank of the detailed procedure for such import and payment therefor;
- (ii) import of cargo and passenger vessels on the basis of sanction accorded by the Ministry of Ports, Shipping and IWT;
- (iii) import of trawlers for fishing and other industrial plants for export oriented industrial units on the basis of sanction accorded by the competent sanctioning authority.

(2) While according sanction or approval for import under the scheme the sanctioning or approving authority shall endorse copies of letters of sanction or approval to the Chief Controller.

(3) The importers shall apply to the Chief Controller with the required documents for prior permission to import items under this scheme.

53. **Application of General Restrictions.**—Restriction mentioned against any items anywhere in this Order shall also apply to the case of import of the item under WES and XPL system unless otherwise specified.

CHAPTER VII

IMPORT FACILITIES FOR EXPORTERS AND EXPORT PERFORMANCE LICENSING (XPL) SYSTEM.

54. Export Performance Licensing (XPL) System.—(1) All eligible exporters shall be entitled to obtain Import Entitlement Certificates (IECs) on their actual export performance in accordance with the terms and condition mentioned in this Order. An IEC shall be issued on the basis of export proceeds realization certificate or negotiation certificate and other shipping documents submitted to the Bangladesh Bank by the nominated bank or the exporter. Bangladesh Bank shall issue such certificate in Pound Sterling or in US Dollar at the option of the exporter. The IECs shall be freely transferable simply by endorsement at the back of each certificate initially by the exporter with his signature duly attested by his banker, and subsequently by the holder of the IEC with his signature duly attested by his banker, and there will be no restriction on the number of times the IECs could be transferred. The final buyer or transferee will be entitled to submit L/C Authorization Form along with IECs in original and other required documents to his nominated bank provided he is registered as commercial importer or industrial consumer or importer under Wages Earners' Scheme. Such an importer will be eligible to import any item or items which is or are permissible for import under Wages Earners' Scheme (WES) and XPL System. If a registered exporter wants to utilize the IEC(s) against his own export(s) for import, he will be allowed to obtain L/C Authorization Form for such import even if he is not registered as an importer. L/C Authorization Form issued under this system shall not be transferable.

Note.—L/C Authorization Form against IECs shall be issued in the same currency as in the IECs and the value in Taka shall be indicated within bracket at the prevailing rate of exchange side by side with the value mentioned in Pound Sterling or U. S. Dollar.

(2) All items which are permissible for import under WES are also permissible for import under XPL system. All restrictions mentioned in this Order for import under WES shall also apply in case of import under XPL system.

55. Items of Export Eligible for XPL Facilities and Rates of Entitlement.—The list of items eligible for XPL facilities and their respective rates of entitlement are mentioned in Annex 8.

56. Documents Required for Import under XPL System.—(1) L/C Authorization Form under XPL system shall be submitted by the holder of the IEC or the final buyer or transferee thereof to his nominated bank along with valid IECs in original [duly endorsed in favour of the applicant for opening L/C by the last transferee in cases where transfer of IEC(s) took place]. Before issue of L/C Authorization Form, the bank concerned shall verify:—

- (i) if the item applied for is permissible;
- (ii) if the required documents including income-tax declaration and certificate of waiver from the Director General of Shipping where necessary, have been submitted;
- (iii) if the Import Registration Certificate (IRC) has been renewed;

- (iv) if the value of IEC(s) conforms to the amount mentioned in L/C Authorization Form; and
- (v) if the IEC(s) are valid.

57. Procedure to be followed by Nominated Banks.—After the documents mentioned in paragraph 56 have been verified and found in order, the particulars of the IEC(s) shall be endorsed on the back side of the L/C Authorization Form by the nominated bank under the seal and signature of the authorized bank officer. The nominated bank shall then cancel the IEC(s) with the seal and signature of the Manager concerned. The cancelled IEC(s) along with L/C Authorization Form will then be forwarded to the Registration Unit of the Bangladesh Bank located in the concerned regional licensing office with all copies of such L/C Authorization Forms prominently marked at the top with rubber stamp to read as "XPL". Particulars of L/C Authorization Form, namely number, item, value and Bangladesh Bank registration number with date should be entered in the importer's Pass Book under the signature of the authorized bank officer. This condition of endorsement in Pass Book shall not, however, apply in case of exporters who will utilize their own IEC(s) for meeting their own import requirements provided they are not registered importers and do not have any import Pass Book. Detailed procedure to be followed for collection of the surrendered and utilized IEC(s) and their subsequent reconciliation shall be laid down by the Bangladesh Bank.

58. The validity of L/C Authorization Form issued under XPL System.—All L/C Authorization Forms under XPL system shall be issued under cash having the same period of validity as that of other cash L/C Authorization Forms as mentioned at paragraph 13(1). Separate L/C Authorization Form shall be issued for commercial items industrial raw and packing materials and machinery and spares.

CHAPTER VIII
IMPORT BY PUBLIC SECTOR AGENCIES

59. Import by Ministries, Departments and other Public Sector Agencies.—

(1) Ministries and Government Departments may import goods against allocations given to them by the Ministry of Finance. No import licence, L/C Authorization Form or permit shall be required for such import. The Ministries and Government Departments may import their required items themselves or through the Director of Supply and Inspection.

(2) All public sector agencies including Public Sector corporations, universities, research institutes and industrial enterprises shall be allowed to import permissible items on the basis of specific allocation of funds made by the Government to them for import at the official exchange rate. All such importers shall be eligible to open Letters of Credit directly through their nominated banks for import of permissible items on submission of L/C Authorization Forms on the basis of allocation or sub-allocation of funds without cover of any import licence.

(3) Items permissible for import and required by the Public Sector importers may be allowed to be imported on the basis of prior approval to be obtained by the concerned importers from the Ministry of Industries. Such approval from the Ministry of Industries may be obtained at a time for the whole year on submission of a list of the items by the importing agencies concerned. In addition, prior clearance from the Ministry of Commerce shall have to be obtained for import of any banned item. Unless the aforesaid approval from the Ministry of Industries or Ministry of Commerce, as the case may be, is first produced, no bank shall open any Letter of Credit for import of any item by any public sector agency even if financial allocations for such imports have already been made by the Government.

(4) In addition to imports at the official exchange rate, the public sector importers will be eligible to import any permissible item under Wages Earners' Scheme (WES)/XPL system.

(5) The condition for registration as importer shall not be applicable to public sector importers.

(6) Aluminium doors and windows and aluminium sections for making these items shall not be allowed for import by any public sector agency against project licence or other kind of import authorization directly or indirectly or through their agents.

60. Import by the Trading Corporation of Bangladesh (TCB).—(1) Trading Corporation of Bangladesh (TCB) shall import goods on the basis of allocation of funds given to them by the Government at the official exchange rate. TCB may also undertake import of any permissible item under WES and XPL system. In respect of the import of the following items at the official exchange rate, T. C. B. shall share with private sector importers in the proportion mentioned against each item:—

	TCB : Private Sector
(a) Soda Ash (light) ..	30 : 70
(b) Milk Food ..	50 : 50
(c) Cement (Grey only) ..	75 : 25

(2) The TCB may also undertake import of such items as copper, zinc, aluminium and lead ingot or rod, pig iron (foundry), M. S. Billets and rape seeds at the official exchange rate on behalf of the public and private sector

importers and industrial consumers having entitlement for these items subject to the following conditions:—

- (i) the concerned industrial units shall first submit L/C Authorization Forms as usual to their respective bank for their due shares as per basis of licensing notified by the Chief Controller for the private sector importers and as per allocation or sub-allocation of funds made by the Government for the public sector importers;
- (ii) if the public and private sector importers and industrial consumers do not want to make importation themselves and instead want to utilize the services of the TCB, they may place order in writing with the TCB enclosing a bank guarantee for such amount as may be decided by the TCB for lifting their quota in time after importation.
- (iii) the concerned industrial units shall also authorize the TCB to make importation on their behalf by making appropriate endorsement on the reverse of the L/C Authorization Form duly attested by the Manager of the importer's bank. In such cases, the L/C Authorization Form may be transferred to any other bank as a special case on request by the TCB to enable them to make bulk import.

(3) Arms and ammunitions shall be imported exclusively by the TCB. Apart from these items, TCB may import such other items as may be decided by the Government from time to time.

61. Import on Cash Against Delivery (CAD) Basis.—Public Sector agencies may opt to import on Cash Against Delivery (CAD) basis in accordance only with the procedure laid down by the Bangladesh Bank.

62. Guidelines for Import of Goods by Public Sector Agencies.—(1) Competitive quotations shall be obtained before opening Letters of Credit and procurement shall be made at the most competitive rate.

(2) In case of import under cash and untied loan or grant, at least three quotations shall be obtained from local registered indentors. This condition shall not apply in case of proprietary items or where value of the consignment is less than Taka 30,000 (thirty thousand) only.

(3) Quotations may also be obtained from foreign suppliers who do not have indenting registration, agents, dealers or distributors in Bangladesh, but procurement shall be made at the most competitive rate.

(4) Provisions of paragraph 17 of this Order shall apply in case of import by public sector agencies also.

(5) Where the value of single item authorized for import is Tk. 5,00,000 (five lac) or above, the importing agency shall arrange pre-shipment inspection. Pre-shipment inspection shall be entrusted to internationally reputed surveyors only. Public Sector agencies may, however, be allowed to clear goods on production of a certificate from their administrative Ministry to the effect that pre-shipment inspection requirement had been waived by that Ministry in respect of the imported items or that no pre-shipment inspection in respect of a particular consignment was considered necessary.

(6) Public Sector Corporations while making sub-allocations to the industrial units under their control shall observe the basis of licensing applicable to the private sector industries mentioned at sub-paragraph (7) of paragraph 37 and Annex-1.

CHAPTER IX

IMPORT OF SAMPLES AND ADVERTISEMENT MATERIALS

63. **Import of Samples and Advertisement Materials.**—(1) Any importer, indentor or agent may import free of charge *bona fide* advertising materials and samples for an amount not exceeding the total C&F value of Tk. 20,000 (Taka twenty thousand) only in case of drugs and medicines (allopathic) and Tk. 10,000 (Taka ten thousand) only in case of other items without prior permission from the Chief Controller and without any import permit during the policy period 1984-85. Import of free samples and advertising materials for any amount exceeding the ceilings mentioned above shall not be allowed without prior permission from the Chief Controller and without an import permit.

Advertising materials shall include, among others, brochures, posters, calendars, pamphlets and technical literature related to the trade of the concerned importers.

(2) *Bona fide* exporters of ready-made garments may import free of charge a few samples containing latest design of ready made garments provided the total C&F value of such import does not exceed Tk. 10,000 (Taka ten thousand) only during the policy period 1984-85.

(3) Agents of the foreign manufacturers may import new brand of permissible items free of charge for sale in the local market for an amount not exceeding Tk. 10,000 (Taka ten thousand) only during the policy period 1984-85 for the purpose of introducing new products to the consumers.

(4) Only drugs and medicines (allopathic) shall be allowed to be imported under products Bonus System during the policy period 1984-85 subject to the condition that it shall be obligatory on the part of the importers concerned to pass on the benefit to the consumers and the Director General of Prices and Market Intelligence (DGPMI) shall devise appropriate mechanism to ensure it.

- NOTE: (a) The import of items mentioned in this Chapter may be allowed without any import permit within the value limits mentioned above except in case of Product Bonus System for which import permit shall have to be obtained irrespective of value limit.
- (b) While allowing clearance of the items mentioned in this Chapter, necessary endorsement shall be made by the Customs authority in the Pass Book in case of importers and in Indenting Registration Certificate in case of indentors and agents.
- (c) All imports mentioned in this Chapter shall be subject, *inter-alia*, to the provisions of paragraph 4 of this Order.

ANNEX 1

PRIORITY LISTS OF DIFFERENT SECTORS OF INDUSTRIES

[Reference : Paragraph 37(9) of Chapter V of this Order]

PRIORITY LIST A

Chemical Group of Industries :

1. Agricultural Chemicals;
2. Agricultural & Industrial Waste Based Industries ;
 - (a) Beef and Sheep Casings;
 - (b) Industrial Chemicals ;
3. Abrasive;
4. Alkatra (Mechanised and Non-mechanised);
5. Amber glass Bottles;
6. Arts and crafts;
7. Ayurvedic and Unani medicines ;
8. Baby Food and invalid food;
9. Ball Pen Industry.
10. Barley;
11. Biscuit and Bakery (Mechanised and Non-mechanised) ;
12. Bituminised Paper;
13. Bitumin Emulsion;
14. Board Mills;
15. Boot Polish
16. Block Processing;
17. Bone Meals Industry ;
18. Building Bricks and Tiles;
19. Buttons (Nylon/Plastic);
20. Candle ;
21. Canning and Processing of fruits and vegetables ;
22. Catching, canning and preservation of fish and other Sea foods ;
23. Ceramic other than Sanitary Wares ;
24. Chemicals, Pharmaceuticals and allied industries.
25. Chemicals NES (Sulphuric acid, alum, basic Chromium Sulphate);
26. Cigarette ;
27. Conchshell products ;
28. Copra processing ;
29. Detergent;
30. Disinfectants and Insecticides including Mosquito Coil;
31. Distillation of Crude Tar ;
32. Duplex Board ;
33. Duplicating Ink ;
34. Dyes and Pigments (Reactive Dyes).
35. Enamel Frit ;
36. Fertilizer Bagging.
37. Filter Rod ;
38. Flour Mills ;
39. Fountain pen ;
40. Glass Bangles ;
41. Globes, Maps and Charts;
42. Glycerine ;
43. Hide glue ;

44. Hitex and Microlon shoes ;
45. Hollow glass wares ;
46. Homoeopathic medicines ;
47. Hospital and Clinic.
48. Hydraulic Brake oil ;
49. Industrial gases ;
50. Industrial Spirit.
51. Ink, all sorts, except Printing Ink;
52. Isapole/Tussapol ;
53. Jute Carpet ;
54. Jute Baling Press (SM only);
55. Jute Mills ;
56. Jute yarn/twine ;
57. Leather Board ;
58. Leather Footwear (Mechanised) ;
59. Leather Foams ;
60. Light chemicals ;
61. Leather Goods (export oriented units only).
62. Livestock feed ;
63. Manufacture of slaked and unslaked Lime;
64. Miscellaneous Food Preparation (NEC).
65. Miscellaneous Rubber products (Medical appliances) ;
66. Misc. Rubber Products (Nipples) ;
67. Misc. Rubber products (Other than Nipples and Medical appliances) ;
68. Monofilament yarn (Polypropylene);
69. Naphthalene Balls and Camphor Tablets;
70. Newspapers ;
71. Neutral glass ampoules and Test Tubes ;
72. Neutral glass Tubes and Scientific glasswares ;
73. Oil Mills ;
74. Paints and Varnishes including aluminium pains and Car pains;
75. Paper and pulp Mills (Cigarette paper).
76. Paper Stationery and Book binding ;
77. Parchment Tape ;
78. Particle Board;
79. Pencils ;
80. Pesticides and Insecticides.
81. Pharmaceutical (Allopathic) ;
82. Pharmaceutical Chemicals and Herbal alkaloid;
83. Printing Ink ;
84. Printing and Publishing ;
85. Printing, Packaging and Paper Converting.
86. Plastic products ;
87. Polythene films and Bags;
88. Poultry farming and Poultry products ;
89. PVC footwear ;
90. P. V. C. granules/Compound;
91. PVC Rigid pipe ;

92. Refining of salt ;
93. Refining of Edible Oil (excluding CDSO);
94. Refractories ;
95. Retreading of Tyres ;
96. Rixin cloth ;
97. Rice Mills (excluding huller and huller spares);
98. Rubber Belting including V-Belt.
99. Rubberised coir foam ;
100. Rubber footwear ;
101. Rubber Hose Pipe.
102. Rubber sole ;
103. Safety Matches ;
104. School Chalk ;
105. Semi-mechanised Printing and Packaging ;
106. Sensitised Paper ;
107. Shati Food ;
108. Shrimps and Frog Farming ;
109. Slate and Slate Pencil ;
110. Soap (Mechanised and Non-Mechanised) ;
111. Sodium Silicate ;
112. Solvent Extraction of Edible Oil ;
113. Starch and glucose ;
114. Stencil Paper ;
115. Straw Board and Tubes for Jute Mills (Mill furnishing) ;
116. Sulphur Rolls and Powder.
117. Tanning Industry ;
118. Tea Blending and Packetting ;
119. Tea Chest and Plywood ;
120. Tea Estate ;
121. Textile and Jute Auxiliary Chemicals ;
122. Textile Mills ;
123. Tooth Brushes ;
124. Tooth Paste ;
125. Tooth Powder ;
126. Transfer Paper.
127. Type Foundry ;
128. Typewriter Ribbon and Carbon Paper ;
129. Tyres and Tubes ;
130. Ultramarine Blue ;
131. Urea Formaldehyde adhesive ;
132. Vegetable ghee (excluding CDSO);
133. Vermicelli ;
134. Water proofing and leak-stop ;
135. Weedicides ;

Engineering Group of Industries :

136. Accumulator ;
137. Agricultural Implements (Kodali and Shovel) ;
138. Agricultural Implements (Kodali and shovel) Non-mechanised ;
139. Agricultural Implements (Mfg. of Agricultural Machinery and Equipments) ;

140. Agricultural Implements (Misc. products);
141. Agricultural Implements (Sprayers);
142. All Aluminium conductor and ACSR;
143. Asbestos cement sheet and Pipe;
144. Aluminium (Capseal);
145. Aluminium Collapsible Tubes;
146. Aluminium Domestic fittings;
147. Aluminium utensils;
148. Aluminium (Anodizing);
149. Assembly-cum-Progressive Manufacture of Bus, Trucks and Jeeps.
150. Automobile Servicing and Repairing;
151. Auto-Rickshaw body building, Repairing and Servicing;
152. Barbed wire;
153. Bicycle and Bicycle parts;
154. Bicycle and Bicycle Parts (Steel Balls);
155. Bicycle Lamp and Bell;
156. Bobbin and shuttle including plastic bobbin;
157. Bolts, Nuts and Screws (Cold process);
158. Bolts, Nuts and Screws (Hot process);
159. Bolts, Nuts and Screws (Roofing Screw without Washer using own screw wire);
160. Brass and copper utensils;
161. Bucket (Galvanised);
162. Bucket (Non-Galvanised), Ridging and Wire Netting;
163. Bus body Building;
164. Cambs;
165. Cold storage;
166. Conduit pipe;
167. Crown cork;
168. Cutlery (Stainless steel) and other stainless steel products;
169. Cycle Rickshaw body building, assembly and repairing;
170. Defence Kits (NEC).
171. Dental Industry;
172. Diesel Engine Assembly;
173. Domestic Hardware;
174. Dry Cell Battery;
175. Duplicating machine;
176. Electric appliances, accessories and fittings;
177. Electric bulb;
178. Electric Fan;
179. Electric Meter;
180. Electric Motor;
181. Electric Switchgear (Domestic);
182. Electric Switchgear (Industrial);
183. Electric transformer;
184. Electric Welding Transformer;
185. Electric Wires and Cables;
186. Enamelled Ware;
187. Expanded Metal;
188. Filter (Engine);
189. Foundry: (a) Ferrous and
(b) Non-Ferrous.
190. Fire fighting equipments;

191. Gas Cooker and Gas appliances;
192. Gas and Electrical appliances;
193. G. L. Pipe and fittings;
194. Gem. clip, paper pin, safety pin and stapler pin;
195. Hand pumps;
196. Handicraft all sorts;
197. Hinges;
198. Hurricane Lantern;
199. Insulating Board ;
200. Jute Mill Parts and accessories;
201. Kerosene stove Cooker;
202. Locks and Padlocks;
203. Machine Tools and Ancillary equipment ;
204. Machinery and equipment including specialised parts for Railway;
205. Metal container and drums ;
206. Metal Sieve ;
207. Misc. Engineering [Fountain pen parts (metallic)] ;
208. Misc. Engineering (Manufacturing of Machine parts) ;
209. Misc. Engineering (Manufacturing of chemicals and pharmaceutical machinery and equipments) ;
210. Misc. Engineering (Metal Fabricated products) ;
211. Misc. Engineering (Multi-item products) ;
212. Misc. Engg. (Parts of automobile and machine parts) ;
213. Motor cycle (Two wheeler) ;
214. Motorised cycle (Moped) ;
215. Optical Frame ;
216. Optical Lense grinding ;
217. Pen holder ;
218. Press Button ;
219. Pumps ;
220. Radio Assembly ;
221. Railway Lamps ;
222. Rivets ;
223. Roofing nails ;
224. Safety Razor Blades ;
225. Sanitary and bath room fittings ;
226. Saw Mill;
227. Scientific and precision Instruments ;
228. Sewing Machine Assembly and Manufacturing of parts ;
229. Ship and boat building (mechanised) ;
230. Shoe Tack/Blue Tack manufacturing.
231. Steel Pipe (Welded) ;
232. Steel Reeds and Wire Healds;
233. Steel Re-Rolling Mills;
234. Steel Structural (High Tension Towers and Poles) ;
235. Steel Trunk and Suitcase;
236. Super Enamelled Aluminium and Copper Wire.
237. Surgical, Medical and Dental Instruments.
238. Tea Chest fittings;
239. Textile and Jute Mill Machinery parts and accessories;
240. Tin container (4 I. G) ;
241. Tin Container with Tin Printing.
242. Tin Container (Misc.) ;
243. Torch case;

244. Train Light equipments;
245. Tube-well Strainer;
246. T.V. assembly;
247. Typewriter repairing;
248. Umbrella;
249. Umbrella fittings (Plastic, celluloid handle);
250. Umbrella fittings (Ribs only);
251. Umbrella fittings (Excluding ribs);
252. Umbrella fittings (Steel Pipe);
253. Umbrella Handle, Walking sticks;
254. Vacuum metalising;
255. Washer (Galvanised);
256. Watch and clock assembly;
257. Welding Electrode;
258. Wheat crushing Stone;
259. Wire Drawing;
260. Wire Nail;

Textile Group of Industries :

261. Absorbent Cotton;
262. Calendering industry;
263. Cotton varnish heald;
264. Dyeing and printing (Mechanised and Semi-mechanised);
265. Gas mantle;
266. Handloom, all sorts;
267. Hosiery (Body machine, Loop wheel/sulzar body machine power driven, jacquard, circular and flat knitting machine and socks both hand and power driven);
268. Hosiery (Muffler and sweater);
269. Jute loom cambs;
270. Kapok ginning and waste cotton spinning (SM only);
271. Lumi, Lurex, silver and gold thread;
272. Mercerising;
273. Power Loom (Gauge and bandage);
274. Horizontal power loom weaving (ordinary);
275. Readymade garments (On specific recommendation or specific export Order);
276. Rope and Twine;
277. Sewing thread (Thread spooling);
278. Specialised Jute products (Jute Twine Manufacturing);
279. Specialised Textiles—Cotton group (on specific export order or specific recommendation);
280. Specialised Textiles—Cotton group (other than export oriented units);
281. Specialised Textiles (Synthetic and Silk);
282. Stretch Twisted Nylon Manufacturing;
283. Tape, Lace and braid;
284. Twisting (Cotton and Synthetic);
285. Umbrella Cloth Manufacturing;
286. Water Proof tarpaulin and canvas industry.

PRIORITY LIST B

INDUSTRIAL SECTORS WHICH SHALL IMPORT THEIR RAW AND PACKING MATERIALS AND SPARES EXCLUSIVELY UNDER WAGES EARNERS' SCHEME/XPL.**Chemical Group of Industries.**

1. Brushes other than Tooth Brushes ;
2. Button (Horns);
3. Celluloid Product;
4. Chocolate and Chewing Gums ;
5. Cigars and Cheroots;
6. Coffee;
7. Confectionery;
8. Cosmetics;
9. Crushing, Grinding and Bagging of Minerals;
10. Dairy Farming and Dairy Products:
 - (a) Butter;
 - (b) Ice-cream;
11. Essential Oil;
12. Hotels and Motels ;
13. Leather Footwear (Non-Mechanised) and Leather goods (other than export oriented units);
14. Metal Polish;
15. Mirror;
16. Non-Alcoholic Beverage;
17. Paper Straw;
18. Playing Card;
19. Printing of Polythene films and bags;
20. Rose Water;
21. Spices Processing;
22. Synthetic Foam;
23. Tarabati and Fire Works;
24. Zarda;

Engineering Group of Industries :

25. Aluminium (Tea Trolley and Tray);
26. Baby Jeep car;
27. Building industry;
28. Cinema Films Studio including Processing Laboratory;
29. Cinema house;
30. Country boat;
31. Cutlery and Electroplating;
32. Electric Lighting tubes (Neon sign);
33. Film making;
34. Fishing Boat Building and Net Manufacturing Industry;
35. G.I. Water Tanks;
36. Gramophone records;
37. Hair net, Hair clip;
38. Ice Factory;
39. Imitation Jewellery;
40. Light Engineering Workshop (Servicing and repairing of Refrigerator, Air conditioner, Water Heater, Radio and T. V.);

41. Mechanically propelled vehicle;
42. Misc. Engineering (Mfg. special products, Brass copper utensils);
43. Musical instruments (Harmonium, guitar, Violin, etc.);
44. Musical Instruments (Transistorised Phonographs, Cassette taper, recorder/player);
45. Mosaic tiles and Sanitary works;
46. Optical case;
47. Optical sun glass;
48. Photography including colour photography;
49. Pre-stressed concrete products;
50. R. C. C. Pipe;
51. Ship breaking;
52. Ship and boat building (ship salvaging and repairing);
53. Sofa spring;
54. Sports goods;
55. Steel furniture including doors, windows and Hospital equipments;
56. Toys and novelties;
57. Tri-cycle and go-cart;
58. Wooden furniture;
59. Wood Working and processing (Flash door and panel door);

Textile Group of Industries :

60. Blanket;
61. Buckram;
62. Cap/Barret cap manufacturing;
63. Dry cleaning (Mechanised);
64. Embroidery;
65. Raising complete (Mechanised);
66. Sanitary Towel filling;
67. Spangles or Chumki;
68. Twisting (Cotton and synthetic), raw materials only;
69. Zari Manufacturing;

ANNEX-2

List of permissible items of Textile, under Wages Earners' Scheme.
[Reference: Serial No. 116 of List II of this Order]

Sl. No.	Description of item.	I.T.C. Schedule No.	Remarks.
1.	Cotton Textile (Fabrics containing 85% or more by weight of cotton):		Textile fabrics (Cotton and synthetic) shall be of standard packing in regular and continuous length of 20 yds. or above in a <i>thaan</i> .
(i)	Long cloth (white only)	55-09	Up to 33s counts & width up to 36".
(ii)	Poplin including shirting, white, dyed, printed, striped and checks	Ditto	Up to 40s counts and width up to 36".
(iii)	Cambric including shirting, white, dyed, printed, striped and checks.	Ditto	Up to 40s counts & width up to 36".
(iv)	Drill and Cellular dyed including mineral Khaki.	Ditto	Importable only by the Public Sector Agencies on prior permission from the CCI & B on production of NOC from the Ministry of Industries.
(v)	Serge and Gabardine	Ditto	Import of all constructions (counts) and width up to 45" shall be permissible.
(vi)	Twill and Corduroy	Ditto	Import up to 45" of all constructions shall be permissible.
(vii)	Mull, Organdie, Lawn, Voil white, dyed or printed.	Ditto	Up to 65s count and width 35".
(viii)	Flannel Grey, white, dyed and printed of width up to 45".	Ditto	

Sl. No.	Description of item.	I. T. C. Schedule Number.	Remarks.
2.	Cotton and Synthetic blended fabrics—		
	(i) Shirting grey, white, dyed and printed upto 45" width.	Respective ITC Schedule Numbers.	Grey to be imported only by Mechanised Finishing units on recommendation of Director of Textiles.
	(ii) Suiting all constructions up to 60" width.	Ditto	
3.	100% Synthetic Fabrics—		
	(i) Saree Fabric:		
	(a) Grey and white dyed	Ditto	Grey to be imported only by Mechanised Finishing units on recommendation of Directorate of Textiles.
	(b) Plain wear or crepe	Ditto	Ditto.
	(c) Georgette	Ditto	
	(d) Chiffon of width 45"	Ditto	
	(ii) Shirting—		
	Gray, white dyed or printed upto 45".	Ditto	
	(iii) Suiting—		
	All constructions and finishes width up to 60".	Ditto	
4.	Woollen and woollen blended with Synthetic fabric—		
	(i) Suiting—		
	All constructions and finishes of width 60".	Ditto	

Sl. No.	Description of item.	I. T. C. Schedule Number.	Remarks.
	(i) Fabric other than suiting— Grey white dyed and printed of width up to 60".	Respective I.T.C. schedule Number.	
	(ii) Woollen and synthetic Blended suiting fabric of all constructions and finishes of width up to 60".	Ditto	
	(iv) Blended Fabric other than suiting— All constructions and finishes of width up to 60".	Ditto	
	(v) Blanket	Ditto	

ANNEX 3

List of drugs and medicines (allopathic) permissible for import by eligible Commercial Importers under List I

[Ref: Item at Sl. No. 4 of List I]

Sl. No.	M.H. Group.	Description.	Approved items in Generic name.
1	1	Analgesic, anti-pyretic, anti-inflammatory and anti-Rheumatic Substances.	<ol style="list-style-type: none"> 1. Aclofenac. 2. Allopurinol. 3. Colchicine. 4. D-proxyphone Hydrochloride. 5. 4	Medical and orthopaedic appliances including surgical belts, Hernia trusses, abdominal corsets, artificial limbs, eyes and teeth, Special splints and electronic deaf-aids.	"
5	Mechano-therapy appliances including artificial respiration apparatus, Heart-Lung Resuscitation unit, oxygen therapy unit, breathing appliances, oxygen and anaesthetic mask, artificial pacemakers.	"
6	Medical, Dental, Surgical special chairs with mechanical elevating, rotating or reclining movements, parts and accessories of the foregoing articles, obstetric table and operation table with accessories.	"
7	Wadding gauge, bandages including cotton bandage and similar articles (for example dressing, adhesive/medicated plasters and crepe bandages).	"
8	Cardiopulmonary by-pass system consisting of oxygenator, cardiotomy reserver, perfusion tubing arterial filler, connectors and other components.	"
9	Artificial heart valves for open heart surgery	"

LIST OF ITEMS ELIGIBLE FOR XPL AND THEIR RATES OF IMPORT ENTITLEMENT

ANNEX 8

(Ref: Paragraph 55 of this Order)

GROUP 'A'—*List of items with entitlement of XPL/IEC at the rate of 100% of FOB value of export.*

1. Leather goods;
2. Finished leather;
3. Carpet (all sorts);
4. Packet tea (with tea bags);

GROUP 'B'—*List of items with entitlement of XPL/IEC at the rate of 80% of FOB value of export.*

1. Tobacco leaves, stems and strips;
2. Comilla Cotton;
3. Human hair and Human hair waste;
4. Honey;
5. Bees wax;
6. Fruits and vegetables including potato;
7. Betel leaves;
8. Sea pearl shells;
9. Domestic bird's feather;
10. Cashew nut;
11. Kapok;
12. Handicrafts (all sorts);
13. Packet tea;
14. Pink pearls;
15. Silk fabrics and products;
16. Handloom fabrics and products;
17. Frozen shrimp;
18. Frozen fish;
19. Frozen frog, Meat and Froglegs;
20. Tortoise, turtle, Meat and other parts thereof;
21. Shoes all types with leather upper;
22. Books, Periodicals and Newspaper;
23. Animal hair;
24. Animal casings;
25. Processed, Salted and Dehydrated fish and shrimps;
26. Powder and Curry spices;
27. Crust leather;
28. Crude fertilizer;
29. Medicinal herbs and crude drugs;
30. Coir and Coir products;
31. Animal Hooves and Horns;
32. Rape seeds, meal powder;
33. Tamarind and tamarind seeds;
34. Sharks fins and fish maws;
35. Wheat bran;
36. Rice bran residue after extract of oil;
37. Hosiery goods and cuttings;
38. Animal feed;

39. Canned fruits and fruit juice;
40. Rayon yarn;
41. Flush door;
42. Detergent;
43. Telephone cables, Telephone set and Telephone spares;
44. Household electric appliances;
45. Hardboard;
46. Crust frog skins;
47. Crust shark skins;
48. Machine tools and equipment;
40. Jute Webbing;
50. Bamboo sticks.

GROUP 'C'—*List of items with entitlement of XPL/IEC at the rate of 60% of FOB value of export.*

1. Partex;
2. Straw Board;
3. Cigar and Tobacco products;
4. Glass sheet;
5. Musical instruments;
6. Packing papers;
7. Porcelain and ceramic goods;
8. Safety matches;
9. Agar wood and Agar products;
10. Readymade garments;
11. Knocked down furniture and parts thereof (non-teak);
12. Machine made bricks;
13. Cellophane paper;
14. Electric fan/motor;
15. Light Engineering products;
16. Glycerine;
17. Door locks;
18. Soap;
19. Electric cable;
20. Coffee;
21. Medicine;
22. P. V. C. Pipes;
23. Plastic goods;
24. Grey cloth;
25. Newsprint;
26. Specialised textiles and household linen;
27. Jute twine and yarn;
28. Feature film;
29. Cassetted records (Music);
30. Cassetted film;
31. Medicated hair oil;
32. Nitrous Oxide;
33. Electrode;
34. Crab (live and meat);
35. Wood products;
36. Oil cake (all sorts).

All other items not mentioned above except raw jute, jute goods (except carpet, twine, yarn and webbing) and loose tea will have Automatic entitlement of 40% until the value addition is determined.

ANNEX 10

Permissible items of Scientific Instruments, Apparatus and Appliances and Parts and Accessories thereof including those Electrically and Electronically Operated

(Ref: Sl. 12 of List I of this Order)

Sl. No.	Description of item.	I.T.C. Number.
1	2	3
1	Air Vacuum Pumps, all sorts	Respective I.T.C. No.
2	Alcoholmeters	"
3	Alpha Detectors	"
4	Ammeters, Multimeters, Milliameters, Voltmeters, Millivoltmeters.	"
5	Analyzers, all sorts and accessories ..	"
6	Compasses, all sorts'	"
7	Anemoscopes	"
8	Potentiometers and Bridges, all sorts ..	"
9	Antenna Bridge	"
10	Anemometers, all sorts	"
11	Signal Generators all sorts and accessories thereof	"
12	Apparatus to demonstrate Plank constant ..	"
13	Aragos Apparatus and Parts and accessories thereof	"
14	Automatic Titrometers and Titration Units ..	"
15	Automatic pipette filler	"
16	Auxanometers and parts and accessories thereof ..	"
17	Astronomical, refracting and reflecting Telescopes and accessories thereof.	"
18	Personal weighing scales and baby scales pan not exceeding 18 inches.	"
19	Incubators and parts and accessories thereof"	"
20	Barometers all sorts	"
21	Battery eliminator	"
22	Becman's apparatus (Boiling point and freezing point) and parts and accessories thereof	"
23	Beta Gama Detectors	"
24	Laboratory filter papers	"
25	Burners all sorts	"
26	Colorimeters, Photometers and Absorptionmeters and parts and accessories thereof.	"
27	Cathetometers all sorts	"
28	Centrifuges for laboratory use and parts and accessories thereof.	"

Sl. No.	Description of item.	I.T.C. Number.
1	2	3
29	Clinostat, all sorts and accessories Respective I.T.C. No.
30	Clinometers and accessories
31	Cloud chambers for nuclear physics
32	Collimeters and parts and accessories thereof
33	Computer Training kits and portable computers
34	Condensers substitutes box
35	Condenser Decade kit
36	Chromatographs all sorts, integrators, recorders and accessories.	..
37	Constant volume and pressure apparatus and accessories
38	Conductivity meters and parts and accessories thereof
39	Crystal type Microphone
40	Deflection magnetometer compasses
41	Densimeter
42	Dip circles and needles and parts thereof
43	Diffusion apparatus
44	Distortion Factor Meters
45	E/M Electrone apparatus and accessories
46	Electroscope all sorts
47	Electrolysis apparatus
48	Electricity teaching kits
49	Electric water baths, the following:	
	(a) Rectangular Max. size 48" x 24" with Thermostatic control for use on A. C. supply.	
	(b) Circular Max. size 24" diameter and parts
50	Electronic Trainer
51	Embedding baths and accessories thereof
52	Epidiascopes, Viewgraphs and accessories
53	Eudiometers
54	Demonstration apparatus for Physics
55	Fraction in pipe apparatus
56	Fly wheels
57	Flow meters
58	Gas analyzers apparatus, Colony counters.	..

Sl. No.	Description of item.	I.T.C. Number.
1	2	3
59	Glass Slabs and prisms all sorts	Respective I.T.C. No.
60	Galvanometers all sorts (pointer, reflecting, suspended coil, ballistic, tangent, etc.).	"
61	Glass Diffraction gratings	"
62	Gauge calibration device	"
63	Gausmeters	"
64	Gryascope	"
65	Haemocytometers and accessories	"
66	Helm Molts Coils and accessories	"
67	Haemoglobinometers and accessories	"
68	Heating chambers and accessories	"
69	Heligraphs	"
70	Hooks law apparatus	"
71	Hartle's optical Disc and accessories thereof	"
72	Hydrometers, all sorts	"
73	Hygrometers, all sorts	"
74	Induced current apparatus	"
75	Induction coils—spark length up to 100 mm	"
76	Interferometers and parts and accessories	"
77	Ion Exchange apparatus and accessories	"
78	Kundt's apparatus	"
79	Lenses, the following only:	"
	(a) Spherical Double Convex, Double Concave, Plano Convex, Plano Concave with diameters varying from 25 mm to 50 mm Focal length from 5 cm to 50 cm.	"
	(b) Cylindrical lenses: Focal length 5 cm. to 50 cm.	"
80	Laboratory oscilloscopes up to 10 inch screen .. and parts and accessories thereof.	"
81	Laboratory Vacuum tube voltmeters Class Room Model	"
82	Laboratory weights from 1 mgr to 5000 grms.	"
83	Laboratory balances both electric and non-electric with weight sets.	"
84	Laboratory tubings made of silicon, Neoprene and other Scientific materials.	"
85	Laboratory Basket centrifuges capacity not more than 3 litres (3000 cc) and accessories thereof.	"
86	Laboratory recorders and controllers and accessories thereof.	"

Sl. No.	Description of item.	I.T.C. Number.
1	2	3
87	Laboratory Heating mantles (flasks up to 10 lit), and parts and accessories thereof.	Respective I.T.C. No.
88	Laboratory Spectrum and Discharge Lamps and Tubes operated on 220 V through transformer/ballast.	"
89	Laboratory Thermostats and Thermocouples ..	"
90	Laboratory Accessories Resistance, Neon .. Lamp-Inductors, Guarding, Diodes, Triodes, Ragor Assembly, Turn Coils, Electron guns.	"
91	Optical Benches with parts and accessories thereof	"
92	Laboratory sieves, Shakers, Flask shakers (with motors up to 3/4 H. P.)	"
93	Laboratory Gas generators (Motor up to 3/4 or 1 H.P.).	"
94	Laclanches cells, standard cells and photo electrical cells.	"
95	Lamps and scale outfit for Ballistic Galvanometer	"
96	Lactometers, all sorts	"
97	Leyden Jars	"
98	Low tension variable Rectifiers and Transformers (for miniature current output for Laboratory uses).	"
99	Latent heat apparatus and accessories ...	"
100	Laboratory spirit lamps metallic cap: 2.50 ml.	"
101	Light screen apparatus	"
102	Litmus papers and other test papers ..	"
103	Magnets for laboratory use	"
104	Melting point apparatus and parts and accessories thereof	"
105	Meter bridges and accessories	"
106	Meter scales	"
107	Measuring bridge	"
108	Manometers	"
109	Meteorological observation sets	"
110	Meldes apparatus all sorts and accessories thereof	"

Sl. No.	Description of item.	I.T.C. Number.
1	2	3
111	Mutual and self Inductance	Respective I.T.C. No.
112	Millikans oil drop apparatus
113	Moisture Meters and Testers and Parts and accessories
114	Microkjeldahl Digestion and distillation units and apparatus and parts and accessories.	..
115	Laboratory Furnaces all sorts and accessories
116	Young's Modulus apparatus—statiscal, dynamic, Lee's and Searl's methods.	..
117	Microscopic polarisation apparatus
118	Micrometer screw gauges
119	Microprojectors and parts and accessories thereof
120	Mechanical stage for Microscopes
121	Mechanical equivalent of heat apparatus
122	Microscopes all sorts and parts and accessories thereof
123	Microtomes and parts and accessories thereof
124	Models, charts and specimen all sorts
125	Spherical convex and concave mirrors optically worked dia up to 150 mm.	..
126	Measuring Amplifiers
127	Neutron Detectors
128	Neutron Generators
129	Neucleonic equipment including—	
	(i) Scientific Counters
	(ii) Solid State Detectors
	(iii) Neutron Counters
	(iv) Preamplifiers
	(v) Amplifiers
	(vi) Discriminators
	(vii) Single channel analysers (Pulse analysers), Multi-channel analysers.	..
130	Newton's ring apparatus and parts and accessories thereof.	..
131	Newton's law of cooling apparatus
132	Osmetic pressure apparatus
133	Pascal's law apparatus, all sorts
134	Pendulum apparatus
135	PH meters, plon/Bod Meters, oxygen meters and electrodes (excluding banned types) and parts and accessories thereof.	..
136	Plug keys

Sl. No. 1	Description of item. 2	I.T.C. Number. 3
137	Pitot tube -- -- --	Respective I.T.C. No.
138	Pressure gauges -- -- --	"
139	Phototube vacuum and gas filled -- ..	"
140	Photosynthesis apparatus, all sorts --	"
141	Prepared slied boxes and cabinets --	"
142	Planatarium apparatus -- .. --	"
143	Physical, chemical hydrostatic, analytical and electrical balances with weight sets.	"
144	Power Factor Meters	"
145	Prepared Microscopes slides	"
146	Pulse-meters	"
147	Polarimeters and accessories ..	"
148	Laboratory ovens—Drying, vacuum and embedding and parts and accessories thereof.	"
149	Pulings apparatus and accessories thereof	"
150	Polarisation kits	"
151	Photo-meter, all sorts and parts and accessories thereof.	"
152	Potentiometers and parts and accessories thereof	"
153	Psychrometers	"
154	Pyrometers	"
155	Quadrant Electrometers	"
156	Radiation Detectors	"
157	Radio Activity Detectors	"
158	Radiometers	"
159	Radio activity demonstration scalers ..	"
160	Reading Telescopes	"
161	Reactor simulator	"
162	Respirometers, all sorts	"
163	Refractometers	"
164	Rigidity apparatus and parts and accessories thereof	"
165	Rotarometers	"
166	Resistance Boxes. Post Office Boxes and Wheat Stones Bridges and Coils.	"
167	Respirators and Respirations ..	"
168	Recording barometers, thermometers, hygrometers and thermo-hygrometers.	"
169	Revolution Counters and parts and accessories thereof	"
170	Sonometers or monocoords	"

Sl. No.	Description of item.	I.T.C. Number.
1	2	3
171	Sine square wave generators Respective I.T.C. No.
172	Science Teaching kits and aids "
173	Spectro photometers and parts and accessories "
174	Spectrometers, all sorts and parts and accessories "
175	Spectographs and parts and accessories "
176	Spectroscopes -- "
177	Spherometers -- "
178	Standard Solenoid -- "
179	Standard Cadmium cells, resistors and shunts "
180	Soxhlet Extraction apparatus and Extraction Thimbles and parts and accessories thereof. "
181	Slide Callipers -- "
182	Slide projectors, all sorts "
183	Spectrum discharge tubes all sorts "
184	Sub-critical Reactor Assembly "
185	Spring balances with a maximum weighing capacity .. of 5000 gram. "
186	Sterilizers "
187	Sound level meters "
188	Stop Clocks (second Timers). "
189	Laboratory Power supplies A.C. and D.C. output 0-500 volts. "
190	Thermal conductivity app. all sorts "
191	Thermostatically controlled water baths and parts and accessories thereof. "
192	Thermometers the following only—	
	(1) Dry and Wet Bulb Thermometers "
	(2) Maximum and minimum Thermometers comprising of a single glass tube with necessary bonds and bulbs (mounted). "
	(3) Beckman's Thermometers "
	(4) Thermometers mercury or Alcohol of varying ranges graduated in Centigrade or Fahrenheit and Rumar. "
193	Tuning Forks, all sorts "
194	Transpiration apparatus "
195	Tube Tester -- "
196	Ultrafast Coincidence Analyser "
197	Urinometers -- "

Sl. No.	Description of item.	I.T.C. Number.

198	Urine sugar and blood sugar analysis set	Respective I.T.C. No.
199	Laboratory stirrers, all sorts	"
200	Cells simple, Bunsen, Daniels, Bichromate and accessories thereof.	"
201	Vibration magnetometers	"
202	Venturi tube	"
203	Venturi meters	"
204	Velocity of lightmeters	"
205	Volt meters, copper, silver, etc.	"
206	VTVM kits	"
207	Wave Testing apparatus	"
208	Water Purification Filtration Equipments and Deionizers and Parts and accessories thereof.	"
209	Water testing kits	"
210	Water Distillation apparatus (stills) output up to 20 lit per hour and Parts and accessories.	"
211	Whimshurt machines	"
212	X-Ray teaching apparatus	"
213	Young's modulus apparatus	"
214	Laboratory Hot plates, Drying plates and Cooling plates.	"
215	Heating Cords	"
216	Evaporators, all sorts	"
217	Viscometers	"
218	Laboratory stop watch 1/5th and 1/10th of a second reading.	"
219	Laboratory wares, made of porcelain and other synthetic materials.	"
220	Platinum crucibles and dishes	"

Sl. No.	Description of Item.	I.T.C. Number.
1	2	3
221	Platinum wires and foils	Respective I.T.C. No.
222	Nichroms, Eureka, Manganin, Constants wires bare up to 32 SWG. (excluding items banned as per Annex-23)	"
223	Overhead projectors, parts and accessories thereof	"
224	Autoclaves, all sorts and parts and accessories thereof.	"
225	Spirit Levels	"
226	Boyle's Law Apparatus	"
227	Stage and Ocular Micrometers	"
228	Camera Lucida for Microscopes ..	"
229	Spectral Lamps (such as sodium, mercury, etc.)	"
230	Spot galvanometer	"
231	Electronic and Electric Measuring and Testing instruments.	"
232	Plant Physiology Apparatus, all sorts	"
233	Dissecting Sets	"
234	Magnifiers for Dissection ..	"
235	Insect and Plankton Nets ..	"
236	Electronic, Toploading Balances ..	"
237	Diode and Triode characteristic apparatus	"
238	Frequency Meters	"
239	Head Phones	"
240	Resistance Thermometers, all sorts	"
241	Bi-prism Apparatus complete set and accessories	"
242	Travelling Microscopes ..	"
243	Viscosity Apparatus ..	"
244	Inertia Table	"
245	Pyrometers	"

295	Weights for Balances from 0.1 mg. to 500 grms.	"
296	Pendulum Bob's with stands ..	"

Sl. No. 1	Description of item. 2	I. T. C. Number. 3
297	Nicholson's Hydrometers ..	Respective I.T.C. No.
298	Guine and Feather Apparatus
299	Magdeburg Hemispheres
300	Accumulators 2 (two) volts only (suitable for laboratory use only) --	..
301	Battery Changers 2—12 volts
302	Bells and Buzzars (DC 1.5 to 3 volts and AC 4 to 6 volts.)	..
303	Bending of Bar Apparatus
304	Calender and Barne's Apparatus and parts and accessories.
305	Clement and Desorme's Apparatus and parts and accessories.
306	Maxwell Vibration Apparatus
307	Pulleys .. --
308	Transformers Stepdown and up
309	Rubber Tubings different dia
310	Rubber and Velvet Corks
311	Semi Conductors and Relays
312	Torision Apparatus and Pendulums
313	Rigidity Apparatus all sorts
314	Rain Gauges Apparatus
315	Kundt's Tube Apparatus
316	Pendulums Kater and Compound
317	Centre of Gravity Apparatus
318	Laboratory Voltage Stabilizer 220 V AC/DC.
319	Air and Water Pollution Testing instruments and accessories.
320	Anchor Rings

Sl. No.	Description of item.	I. T. C. Number.

321	Barographs	Respective I.T.C. No.
322	Bell Experiment Apparatus
323	Bucket and Cylinder
324	Calorimeters all sorts
325	Electromagnets all sorts
326	Rheostats all sorts
327	Saccharometers
328	Victor Mayer Apparatus
329	Soil Test Equipments, Apparatus and accessories		
330	Beam balances
331	Microscope lamps
332	Porouspot, all sorts

N.B.—Electric Motors between 1 H.P. and 25 H.P. shall not be permissible for import separately.

ANNEX 11

A. List of permissible items of non-ferrous metal and ferro-alloys by the eligible Commercial importers only.

[Ref: Sl. No. 7 (iv) of List 1]

Sl. No.	Description of item.	I.T.C. Schedule number.
1	2	3
1	Antimonial lead in the ingot and wrought form including pipe, tube and sheet excluding refined lead.	Respective I.T.C.
2	Antimony, antimony ingot regulus and star metals	..
3	Copper manufactures including rod, section, strips, tape, foil, pipe and sheet including highly polished sheet specially prepared for making process blocks, lithographic sheets, tubes, rods and pipes cut to shape and size, but excluding copper wire, all sorts.	..
4	Copper un-wrought in the form of ingot or slab other than ingotted scrap.	..
5	German silver including nickel silver	..
6	Lead ingot, pig excluding refined lead
7	Lead wrought including pipes, tubes, foil wire and sheets including sheets for tea chests but excluding refined lead.	..
8	Metal all sorts, N.O.S. in the form of ingots sections, powders and liquid (excluding aluminium, zinc, cobalt, titanium sponge, mercury, gold, silver and magnesium).	..
9	Monel metals	..
10	Photo-engraving zinc sheet
11	Tungstan metal powder and other tungstan products.	..
12	White metal (antifriction metal and printing metals)	..

B. List of permissible items of non-ferrous metal and ferro-alloys under Wages Earners' Scheme.

Sl. No.	Description of item.	I.T.C. Number.
1	2	3
1	Aluminium sheet, Rod and other manufactures N.O.S.	Respective I.T.C.

	(o) Jute cutting knives/feed knives/leaping knives/ guillotine blades/falls cutter blade.	"
	(p) Driving chains/chain links/couplings	"
	(q) Card board tubes/aluminium tubes or plastic tubes for.	"
	(r) Ball roller and taper bearings	"
	(s) Shuttle loader and parts thereof	"
	(t) Special adhesive/glue gum and resin (excluding glue derived from hides, bones, nerves, tendons or from similar products and urea formaldehyde Adhesive).	"
2	Spares of electric motors, starters, switch-gears, trans- formers, distribution board.	"
3	Electric spares of Jute mill machinery, <i>i.e.</i> , Micro switch/fuses/cartridge fuses (excluding switches and switch fuse units up to 60 AMPS single, double and triple pole with or without neutral for pressures not exceeding 300 volts).	"
4	(1) Sizing material (excluding chalk and clay, tallow, all kinds of starches, sage, flour and glue derived from bones, hides, nerves, tendons or from similar products), but including china clay, floursparres, faldspares, bleaching earths and magnesia composi- tions and Tamarind Seed powder.	"
	(2) Sack marking ink	"
	(3) Stearine (excluding crude palm stearine) and wax	"
5	Plumbago and graphite/neythe stones/fire bricks containing alumina content of 40 per cent and above, carbon megnesite, chrome magnesite, silica, airconia bricks and silicon carbide bricks, slabs, plates and containers.	"
6	Spare parts for Hydraulic press and pump	"

Serial No 1	Description of item. 2	I.T.C. Number. 3
7	Spare parts of Hydro extraction and Dyeing machinery	Respective I.T.C. No.
8	Spare parts for Diesel engines and Generators	"
9	Spare parts for travelling crane/fork lifters/tractors	"
10	Spare parts of boilers	"
11	Spare parts of locomotives	"
12	Spare parts for laminating and extrusion coating plant and machinery.	84/61
13	Spare parts of water softeners	Respective I.T.C. No.
14	Spare parts of drying machine	"
15	Spare parts of printing machine	"
16	Iron and steel round/rod above 3 inches dia, hexagons high speed alloy or carbon tool, steel, stainless and heat resisting steels, alloy tool or special steel rod, bar and flat.	"
17	Lead ingots/tin ingots brass strips	"
18	White metal	"
19	Hydrant and sprinkler installation and fittings	"
20	Ordinary hessian and sacking jute shuttles.	} Excluding Sakamoto, reaction and plain types shuttles.
21	Side leading automatic hessian and sacking jute shuttles.	
22	Gudgeon pins and percapin Roller pins ..	"
23	Eyes for Flyer Head and N.S. Flyer Eyes ..	"
24	Roller Blades	"
25	Spare parts and accessories for spreader machine, softener Machine, Waste Cleaner, Mottlert Machine and Emulsion plant.	"
26	Spare parts for Breaker, Finisher, Teaser and J-Cards	"

Serial No. 1	Description of item. 2	I.T.C. Number 3
27	Spare parts for Drawing, Spinning, Twisting, Roving and Gill Spinning Frames.	Respective I.T.C No.
28	Spare parts and accessories for Cop Winders, Roll Winders, Roll Farmers, Roll Feeders and Precision Winders.	"
29	Spare parts for Narrow, Broad and Circular Looms	"
30	Spare parts for Dry, Beaming, Calendaring, pre-Beaming, Dressing and Sizing machine.	"
31	Spare parts for Sanping, Cloth Rolling and Inspection Machine.	"
32	Spare parts for Industrial Sewing and Heming Machine	"
33	Spare parts for Travelling Blowers and Cranes	"
34	Spare parts for outfitter plant	"
35	Yarn Beams and Flanges	"
36	Spare parts for Air Compressors	"
37	Spare parts for Recording and Testing Equipments	"
38	Spare parts for the fire Engine and Fire Extinguisher	"
39	Bright Steel Shaft at random length	"
40	Jute loom, Shuttles excepting Sakamoto, reaction and Plain type shuttles.	"
41	Falaflyers and Fittings including Fittings and Eyes for Baxter flayers.	"
42	Spares for driving chains/chain links	"
43	Spares for pumping sets	"

ANNEX 32

PROCEDURE FOR IMPORT ON JOINT BASIS

(Ref : Paragraph 16 of Chapter III of this Order)

Group by Commercial Importers—Commercial importers have been allowed the facility of import on joint basis for the sake of economy after forming group either before or after registration of the L/C Authorization Form with the registration unit of Bangladesh Bank as per provision in paragraph 16 of Chapter III of the Import Policy Order, 1984-85. Such importers, having different nominated banks, desirous of importing of their share in cash, loan or credit and barter on joint basis may do so in accordance with the procedure mentioned below :

2. Procedure in case of formation of group for import on joint basis, before registration of L/C Authorization Form by the registration unit of Bangladesh Bank :

- (i) An importer will submit to his nominated bank the L/C Authorization Form in the usual Manner duly filled in and signed along with a Declaration that (a) he had not applied in any manner to import his share for the current shipping period individually and agrees to effect import of the same on joint basis under the Group leadership of M/S (Name and address of the group leader with IRC No. and his nominated bank to be mentioned), and that (b) he undertakes not to make in any manner any claim whatsoever from the licensing authority in any matter arising out of default or dispute with the group leader or members of the group. Signature of the importer will be verified by the authorized officer of the nominated bank with date.
- (ii) The importer's nominated bank after being satisfied that the L/C Authorization Form, the declaration given by the importer and other required information are complete and correct in all respects, will forward these papers to the nominated bank of the group leader and will certify on the body of L/C Authorization Form as under:

"We have no objection to allow the above mentioned group under the group leadership of M/S.....

.....
This importer is eligible to import.....
for Taka..... We have endorsed their
Pass Book.

*Seal and signature of the Authorized Officer
of the importer's bank with date".*

- (iii) The group leader will submit L/C Authorization Form in a similar manner. In addition to L/C Authorization Form he will also submit L/C Application Form covering the total value of all the L/C Authorization Form of the group members including his own share. He will also submit a declaration to the effect that (a) particulars given in the L/C Authorization Form are correct to the best of his knowledge, that (b) he has not applied, in any manner, to import his share for the current shipping period separately other than as

a member of the group and that (c) he has undertaken to act as the group leader for importation on joint basis for the sake of economy by the importers in the group (here group leader will record the names and address and IRC Nos. of all the members including that of himself and their individual shares) and that (d) he undertakes not to make in any manner any claim whatsoever from the licensing authority or authorities in any matter arising out of default or dispute with members in the group. The signature of the group leader will be verified by the authorized officer of his bank with date.

- (iv) The group leader's bank, after being satisfied that L/C Authorization form and the declaration given by the group leader are complete and correct in all respects, will certify on the body of the L/C Authorization Form as under: "We have no objection to allow the above importer to act as group leader of the group.... .members."

*Seal and signature of the Authorized Officer
of the group leader's bank with date.*

- (v) The group leader's bank will then forward L/C Authorization Form, declaration of the group leader and their certificate along with the complete set of L/C Authorization Forms, declarations of all members of the group and the complete set of certificates issued by the different banks of the members, to the registration unit of the Bangladesh Bank in the respective offices of the licensing authority. If group members belong to different licensing jurisdictions, the group leader's bank will submit L/C Authorization Form of the group leader and its associate members to the respective registration unit of Bangladesh Bank where the group leader is located.
- (vi) Bangladesh Bank registration unit immediately after the registration of the L/C Authorization Form will forward to the concerned licensing authority of the importer two copies of the complete set of L/C Authorization Forms alongwith declarations and certificate for post check and simultaneously return the other two copies of LCAs to the nominated bank of the group leader for opening of L/C.
- (vii) Where the eligible commercial importers, desirous of importing their shares in cash, IDA Credit or untied loan or credit belong to the same nominated bank including all the branches of the same banks, the procedure for import on joint basis will be the same as outlined above except that different branches of the same bank will forward the complete sets of documents outlined above such as L/C Authorization Form, declaration, etc. after recording the required certificate on the body of L/C Authorization Forms to the branch of the same bank which is the nominated bank of the group leader. The nominated bank of the group leader will process the L/C Authorization Forms in the same manner as outlined above.
- (viii) In the case of barter, STA and tied loan or Credit, eligible commercial importers desirous of importing on joint basis, will submit the L/C Authorization Forms to their nominated banks in the prescribed manner but need not submit application for opening of letter of credit. The nominated bank, on being satisfied that the L/C

Authorization Form is in order, will forward all the copies of the same to the nominated bank of the group leader after making necessary entries in the importer's pass book or on the Import Registration Certificate in the absence of pass book. On being satisfied that the L/C Authorization Form of the group leader and that of group members are in order and after the completion of all formalities of import on joint basis, nominated bank of the group leader will transmit complete set of the L/C Authorization Forms of each member of the group including that of the group leader, to the designated bank along with the application form for opening of Letter of Credit to be submitted by the group leader for the total amount covered by individual L/C Authorization Forms. The designated bank will open Letter of Credit and endorse two copies each of the L/C Authorization Form to the concerned licensing office.

3. Procedure in case of formation of group for import on joint basis after registration of L/C Authorization Form :

- (i) In case of formation of group for import on joint basis after registration of L/C Authorization Form, an importer will submit to his nominated bank the L/C Authorization Form in usual manner along with an intimation to his bank in writing or a declaration that he desires to form group after the registration of LCA Form. The importer's nominated bank after being satisfied that the L/C Authorization Forms are complete and correct in all respects, will forward it to the concerned registration unit of the Bangladesh Bank along with the declaration. On receipt back of the L/C Authorization Form duly registered from the registration unit of Bangladesh Bank, the nominated bank of the importer shall at once inform the importer to form a group or groups immediately.
- (ii) The importer while forming a group, shall be required to submit a **declaration** to their bank exactly in the same terms as laid down under para. 2(i) of this Annex. Signature of the importer will also be verified by the authorized officer of the nominated bank with date. The said bank will forward all these papers, *i.e.* L/C Authorization Form and declaration to the nominated bank of the group leader with certificate as laid down in para 2(ii) of this Annex.
- (iii) The group leader shall also submit L/C Authorization Form and L/C Application Form with a **declaration** as mentioned in para 2(iii) of this Annex. The signature of the group leader will be verified by the authorized officer of his bank with date and will endorse required certificate on the body of L/C Authorization Form mentioned in para 2(iv).
- (iv) The group leader's bank will then keep two complete sets of L/C Authorization Forms, declarations of all group members and certificates issued by the different banks of the group members with complete set of L/C Authorization Form including declaration and certificate issued in respect of group leader for opening of L/C and forward other 2 (two) copies of L/C Authorization Forms along with complete set of papers (declarations and certificates) to the concerned licensing authority for post checking. If group members belong to different licensing jurisdictions complete set of papers shall be submitted to the concerned licensing offices of the group members for post checking.

- (v) Where the eligible commercial importers, desirous of importing their share on joint basis, are located within the jurisdiction of the same licensing authority and have the same nominated bank including all the branches of the banks within the jurisdiction of the same licensing office, the procedure for import on joint basis will be the same as outlined above except that the different branches of the same will forward the complete set of documents outlined above to the branch or the same bank which is the nominated bank of the group leader. The nominated bank of the group leader will process the L/C Authorization Forms in the same manner as outlined above.
- (vi) In case of import on joint basis under barter, STA and tied loan or credit, the procedure as mentioned above in para 2(viii) shall be followed.

4. In both cases of the formation of group, as soon as L/C is opened and transmitted to the foreign supplier, the nominated bank of the group leader will endorse the pass book of the group leader or IRC as the case may be and advise the concerned licensing authority or authorities and the respective banks of the members of the group about the particulars of the L/C with individual share of each member of the group.

5. Group by industrial importers— In case of import by industrial units on joint basis, they should nominate a group leader and request their nominated bank to forward their LCAs along with other relevant papers and pass book to the nominated bank of the group leader for opening of L/C in accordance with the procedure outlined under paras 2 and 3 of this Annex. The group leader's nominated bank after verification of the Pass Books and LCA Forms shall open Letter of Credit on joint basis and endorse the LCA Forms and Pass books accordingly.

6. Importers submitting L/C Authorization Form for opening of L/C or effecting import on joint basis in violation of the provisions of the Import Policy Order, 1984-85 or of this Annex. shall be liable to action as per provision of this Order.

By order of the President

A. H. MOFAZZAL KARIM

*Chief Controller of Imports and Exports
